(3) A scale plan depicting the details of design, materials, finish, carving, lettering and arrangement of the inscription and the foundation of the proposed private headstone or marker.

(d) The Director's approval of a request is conditioned upon the applicant's granting to the National Park Service the substantive right to remove and dispose of the private headstone or marker if, after it is installed, the applicant fails to maintain the private headstone or marker in a condition specified by the Director.

(e) When a private headstone or marker has been erected at a veteran's grave in a national cemetery, and the next-of-kin desires to inscribe thereon the name and appropriate data pertaining to an eligible family member of the deceased whose remains will not be interred, such inscription may be accomplished with the prior approval of the superintendent. Appropriate commemorative data may be inscribed when space permits. The words "In Memoriam" or "In Memory Of" are mandatory elements of such an inscription.

(f) Except as may be authorized by the Director or by Federal statutory law for making a group burial, the erection of a mausoleum, an over-ground vault or a headstone or marker determined by the superintendent not to be in keeping with the historic character of the national cemetery is prohibited. An underground vault may be placed at the time of interment at no expense to the National Park Service.

### § 12.8 Memorial headstones and markers.

(a) *Who may be memorialized.* (1) A person's eligibility for memorialization in a national cemetery is determined in accordance with the provisions of Federal statutory law.

(2) An applicant for a memorial headstone or marker shall submit such a request to the superintendent.

### § 12.9 Commemorative monuments.

(a) *Application.* (1) A person requesting authorization to erect a commemorative monument shall submit such a request to the Director.
