

§9.85

number of flights or number of vehicle trips;

(9) A description of the field support requirements proposed for locations on lands within units of the National Park System, including camp sites, fuel storage areas, and any other requirements;

(10) A discussion which documents that proposed activities will be carried out in an environmentally sound manner utilizing the least impacting technology suitable for the purposes of the project; and

(11) A description of how any disturbed areas, such as camp sites, will be reclaimed.

§9.85 Environmental compliance.

Each AMRAP agency is responsible for obtaining all required Federal, State, and local permits and must provide sufficient information to the NPS to ensure appropriate compliance with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*), the National Historic Preservation Act of 1966 (16 U.S.C. 470 *et seq.*), and other applicable statutes.

§9.86 Application review process and approval standards.

(a) The Regional Director will review applications submitted pursuant to §9.84 and will ensure that final action is taken on such applications by April 15 of each year. If additional review time is necessary to ensure compliance with this Subpart or with other applicable laws, Executive Orders and regulations, the Regional Director will promptly notify the AMRAP agency coordinator of the anticipated date of a final decision.

(b) The Regional Director is responsible for approving AMRAP activities in units of the National Park System in Alaska.

(c) To be approved, proposed AMRAP activities must be designed to be carried out in an environmentally sound manner, as determined in appropriate environmental documentation, that:

(1) Does not result in lasting environmental impacts that appreciably alter the natural character of the units or the integrity of the biological or ecological systems in the units; and

36 CFR Ch. I (7–1–08 Edition)

(2) Is compatible with the purposes and values for which the units are established; and

(3) Does not adversely affect the natural and cultural resources, visitor use, or administration of the area.

§9.87 Permitting requirements and standards.

(a) AMRAP activities approved by the Regional Director may be conducted in units of the National Park System pursuant to a permit issued by the Superintendent in accordance with this subpart, 36 CFR 1.6, and other applicable regulations, guidelines and policies.

(b) The NPS may restrict the conduct of AMRAP activities in certain areas and during sensitive periods, such as nesting, calving and spawning seasons, to minimize impacts to fish and wildlife or to comply with existing policies or directives.

(c) All project areas affected by AMRAP activities shall be left in an unimpaired state by the AMRAP agency and its contractors. All costs borne by the NPS in cleaning or restoring an area affected by AMRAP activities will be recoverable from the AMRAP agency.

(d) Copies of all published information or written reports resulting from AMRAP activities conducted in units of the National Park System shall be provided to the Regional Director.

(e) The NPS reserves the right, without prior notice to the AMRAP agency or its contractors, to observe or inspect AMRAP activities to determine whether such activities are being conducted pursuant to this subpart and the terms and conditions of the approved permit.

§9.88 Permit modification, suspension, and cancellation.

(a) A proposal to modify, supplement, or otherwise amend an approved permit shall be made by an AMRAP agency by written request to the Regional Director. The Regional Director shall review and promptly act on the proposed modification pursuant to the standards set forth in §9.86. An AMRAP agency may not undertake any of the activities proposed in the modification until the Regional Director approves the

modification and the Superintendent amends the approved permit.

(b) The Superintendent may modify, suspend or cancel an AMRAP agency's permit by notifying the agency in writing, or orally in an emergency situation, when the Superintendent determines that:

(1) Changes to the permit are necessary to address conditions not previously anticipated; or

(2) There is imminent threat of serious, irreparable, or immediate harm or danger to public health and safety, or the natural and cultural resources and values of the unit; or

(3) The AMRAP agency or its contractors fails to comply with the provisions of ANILCA or of any other applicable law or regulation, the provisions and conditions of the approved permit and any modification thereto, or any written or field orders issued by the Superintendent.

(c) Modification, suspension, or cancellation of an approved permit pursuant to paragraph (b) of this section shall be effective immediately upon receipt of oral or written notice from the Regional Director or the Superintendent. Notices issued orally shall be followed by written notice sent by certified mail within three (3) working days confirming and explaining the action. Suspensions shall remain in effect until the basis for the suspension has been corrected to the satisfaction of the Superintendent. Cancellation notices shall state the reason for cancellation and shall be sent by the Superintendent to the AMRAP agency at least fourteen (14) days in advance of the date the cancellation will become effective.

(d) Suspension or cancellation of a permit to conduct AMRAP activities shall not relieve the AMRAP agency or its contractors of the obligation to restore any location in accordance with the requirements of this subpart and to comply with all other obligations specified in this subpart and in the permit.

§ 9.89 Appeals.

Written appeals made within 30 days of notification of a final decision by the Regional Director pursuant to this subpart shall be reviewed by the Director of the National Park Service. Reso-

lution of any outstanding issues shall follow current Department of the Interior procedures for resolving inter-agency disputes.

PART 10—DISPOSAL OF CERTAIN WILD ANIMALS

Sec.

10.4 Shipment.

AUTHORITY: Secs. 1-3, 39 Stat. 535, as amended; 42 Stat. 1214, 45 Stat. 1644, secs. 1, 2, 52 Stat. 708, secs. 1, 2, 67 Stat. 495, 496; 16 U.S.C. 1, 1b, 1c, 2, 3, 36, 36a, 141c.

SOURCE: 24 FR 11054, Dec. 30, 1959, unless otherwise noted.

§ 10.1 Animals available.

From time to time there are surplus live elk, buffaloes and bears in Yellowstone National Park, and live buffaloes in Wind Cave National Park which the Secretary may, in his discretion, dispose of to Federal, State, county and municipal authorities for preserves, zoos, zoological gardens, and parks. When surplus live elk and buffaloes are available from these national parks, the Secretary may, in his discretion, dispose of these to individuals and private institutions.

§ 10.2 Charges.

No charge will be made for the animals, but the receiver will be required to make a deposit with the appropriate superintendent to defray the expense of capturing, crating, and transporting them to the point of shipment. The receiver may also be required to pay for the services of a veterinarian for testing, vaccinating, and treating the animals at the park for communicable diseases and parasites. Estimates of such expenses will be furnished by the appropriate superintendent upon request.

§ 10.3 Application; requirements.

(a) Applications for animals should be directed to the appropriate superintendent, stating the kind, number, age, and sex of animals desired. The post office address for Yellowstone National Park is Yellowstone Park, Wyoming, and for Wind Cave National Park is Hot Springs, South Dakota.
