## Subpart A—Authority and Purpose

### § 51.1 What does this part cover?

This part covers the solicitation, award, and administration of concession contracts. The Director solicits, awards and administers concession contracts on behalf of the Secretary under the authority of the Act of August 25, 1916, as amended and supplemented, 16 U.S.C. 1 *et seq.* and Title IV of the National Parks Omnibus Management Act of 1998 (Public Law 105-391). The purpose of concession contracts is to authorize persons (concessioners) to provide visitor services in park areas. All concession contracts are to be consistent with the requirements of this part. In accordance with section 403 of the 1998 Act, the Director will utilize concession contracts to authorize the provision of visitor services in park areas, except as may otherwise be authorized by law. For example, the Director may enter into commercial use authorizations under section 418 of the 1998 Act and may enter into agreements with non-profit organizations for the sale of interpretive materials and conduct of interpretive programs for a fee or charge in park areas. In addition, the Director may, as part of an interpretive program agreement otherwise authorized by law, authorize a non-profit organization to provide incidental visitor services that are necessary for the conduct of the interpretive program. Nothing in this part amends, supersedes, or otherwise af-

fects any provision of the Alaska National Interest Lands Conservation Act (16 U.S.C. 3101 *et seq.*) relating to revenue-producing visitor services.

### § 51.2 What is the policy underlying concessions contracts?

It is the policy of the Congress and the Secretary that visitor services in park areas may be provided only under carefully controlled safeguards against unregulated and indiscriminate use so that visitation will not unduly impair park values and resources. Development of visitor services in park areas will be limited to locations that are consistent to the highest practicable degree with the preservation and conservation of the resources and values of the park area. It is also the policy of the Congress and the Secretary of the Interior that development of visitor services in park areas must be limited to those as are necessary and appropriate for public use and enjoyment of the park area in which they are located.
