(a) The concessioner was a satisfactory concessioner during the term of its concession contract as determined under this part;

(b) The applicable new contract is a qualified concession contract as determined under this part; and

(c) If applicable, the concessioner's previous concession contract was an outfitter and guide concession contract as determined under this part.

§ 51.37 How will the Director determine that a new concession contract is a qualified concession contract?

A new concession contract is a qualified concession contract if the Director determines that:

(a) The new concession contract provides for the continuation of the visitor services authorized under a previous concession contract. The visitor services to be continued under the new contract may be expanded or diminished in scope but, for purposes of a qualified concession contract, may not materially differ in nature and type from those authorized under the previous concession contract; and either

(b) The new concession contract that is to replace the previous concession contract is estimated to result in, as determined by the Director, annual gross receipts of less than \$500,000 in the first 12 months of its term; or

(c) The new concession contract is an outfitter and guide concession contract as described in this part.

§ 51.38 How will the Director determine that a concession contract is an outfitter and guide concession contract?

The Director will determine that a concession contract is an outfitter and guide concession contract if the Director determines that:

(a) The concession contract solely authorizes or requires (except for park area access purposes) the conduct of specialized outdoor recreation guide services in the backcountry of a park area; and

(b) The conduct of operations under the concession contract requires employment of specially trained and experienced guides to accompany park visitors who otherwise may not have the skills and equipment to engage in the

activity and to provide a safe and enjoyable experience for these visitors.

§ 51.39 What are some examples of outfitter and guide concession contracts?

Outfitter and guide concession contracts may include, but are not limited to, concession contracts which solely authorize or require the guided conduct of river running, hunting (where otherwise lawful in a park area), fishing, horseback, camping, and mountaineering activities in the backcountry of a park area.

§ 51.40 What are some factors to be considered in determining that outfitter and guide operations are conducted in the backcountry?

Determinations as to whether outfitter and guide operations are conducted in the backcountry of a park area will be made on a park-by-park basis, taking into account the park area's particular geographic circumstances. Factors that generally may indicate that outfitter and guide operations are conducted in the backcountry of a park area include, without limitation, the fact that:

(a) The operations occur in areas remote from roads and developed areas;

(b) The operations are conducted within a designated natural area of a park area;

(c) The operations occur in areas where search and rescue support is not readily available; and

(d) All or a substantial portion of the operations occur in designated or proposed wilderness areas.

§ 51.41 If the concession contract grants a compensable interest in real property improvements, will the Director find that the concession contract is an outfitter and guide concession contract?

The Director will find that a concession contract is not an outfitter and guide contract if the contract grants any compensable interest in real property improvements on lands owned by the United States within a park area.
