

or charge paid by the visitor may be direct or indirect as part of the provision of comprehensive visitor services (*e.g.*, when a lodging concessioner may provide free transportation services to guests). Visitor services may include, but are not limited to, lodging, campgrounds, food service, merchandising, tours, recreational activities, guiding, transportation, and equipment rental. Visitor services also include the sale of interpretive materials or the conduct of interpretive programs for a fee or charge to visitors.

Subpart C—Solicitation, Selection and Award Procedures

§51.4 How will the Director invite the general public to apply for the award of a concession contract?

(a) The Director must award all concession contracts, except as otherwise expressly provided in this part, through a public solicitation process. The public solicitation process begins with the issuance of a prospectus. The prospectus will invite the general public to submit proposals for the contract. The prospectus will describe the terms and conditions of the concession contract to be awarded and the procedures to be followed in the selection of the best proposal.

(b) Except as provided under §51.47 (which calls for a final administrative decision on preferred offeror appeals prior to the selection of the best proposal) the terms, conditions and determinations of the prospectus and the terms and conditions of the proposed concession contract as described in the prospectus, including, without limitation, its minimum franchise fee, are not final until the concession contract is awarded. The Director will not issue a prospectus for a concession contract earlier than eighteen months prior to the expiration of a related existing concession contract.

§51.5 What information will the prospectus include?

The prospectus must include the following information:

(a) The minimum requirements of the concession contract. The minimum requirements of the concession con-

tract, include, but are not limited to the following:

(1) The minimum acceptable franchise fee or other forms of consideration to the Government;

(2) The minimum visitor services that the concessioner is to be authorized to provide;

(3) The minimum capital investment, if any, that the concessioner must make;

(4) The minimum measures that the concessioner must take to ensure the protection, conservation, and preservation of the resources of the park area; and

(5) Any other minimum requirements that the new contract may specify, including, as appropriate and without limitation, measurable performance standards;

(b) The terms and conditions of a current concession contract, if any, relating to the visitor services to be provided, including all fees and other forms of compensation provided to the Director under such contract;

(c) A description of facilities and services, if any, that the Director may provide to the concessioner under the terms of the concession contract, including, but not limited to, public access, utilities and buildings;

(d) An estimate of the amount of any compensation due a current concessioner from a new concessioner under the terms of an existing or prior concession contract;

(e) A statement identifying each principal selection factor for proposals, including subfactors, if any, and secondary factors, if any, and the weight and relative importance of the principal and any secondary factors in the selection decision;

(f) Such other information related to the proposed concession contract as is provided to the Director pursuant to a concession contract or is otherwise available to the Director, as the Director determines is necessary to allow for the submission of competitive proposals. Among other such necessary information a prospectus will contain (when applicable) are the gross receipts of the current concession contract broken out by department for the three most recent years; franchise fees charged under the current concession

National Park Service, Interior

§ 51.12

contract for the three most recent years; merchandise inventories of the current concessioner for the three most recent years; and the depreciable fixed assets and net depreciable fixed assets of the current concessioner; and

(g) Identification of a preferred offeror for a qualified concession contract, if any, and, if a preferred offeror exists, a description of a right of preference to the award of the concession contract.

§ 51.6 Will a concession contract be developed for a particular potential offeror?

The terms and conditions of a concession contract must represent the requirements of the Director in accordance with the purposes of this part and must not be developed to accommodate the capabilities or limitations of any potential offeror. The Director must not provide a current concessioner or other person any information as to the content of a proposed or issued prospectus that is not available to the general public.

§ 51.7 How will information be provided to a potential offeror after the prospectus is issued?

Material information directly related to the prospectus and the concession contract (except when otherwise publicly available) that the Director provides to any potential offeror prior to the submission of proposals must be made available to all persons who have requested a copy of the prospectus.

§ 51.8 Where will the Director publish the notice of availability of the prospectus?

The Director will publish notice of the availability of the prospectus at least once in the Commerce Business Daily or in a similar publication if the Commerce Business Daily ceases to be published. The Director may also publish notices, if determined appropriate by the Director, electronically or in local or national newspapers or trade magazines.

§ 51.9 How do I get a copy of the prospectus?

The Director will make the prospectus available upon request to all interested persons. The Director may charge a reasonable fee for a pro-

spectus, not to exceed printing, binding and mailing costs.

§ 51.10 How long will I have to submit my proposal?

The Director will allow an appropriate period for submission of proposals that is not less than 60 days unless the Director determines that a shorter time is appropriate in the circumstances of a particular solicitation. Proposals that are not timely submitted will not be considered by the Director.

§ 51.11 May the Director amend, extend, or cancel a prospectus or solicitation?

The Director may amend a prospectus and/or extend the submission date prior to the proposal due date. The Director may cancel a solicitation at any time prior to award of the concession contract if the Director determines in his discretion that this action is appropriate in the public interest. No offeror or other person will obtain compensable or other legal rights as a result of an amended, extended, canceled or resolicited solicitation for a concession contract.

§ 51.12 Are there any other additional procedures that I must follow to apply for a concession contract?

The Director may specify in a prospectus additional solicitation and/or selection procedures consistent with the requirements of this part in the interest of enhancing competition. Such additional procedures may include, but are not limited to, issuance of a two-phased prospectus—a qualifications phase and a proposal phase. The Director will incorporate simplified administrative requirements and procedures in prospectuses for concession contracts that the Director considers are likely to be awarded to a sole proprietorship or are likely to have annual gross receipts of less than \$100,000. Such simplified requirements and procedures may include, as appropriate and without limitation, a reduced application package, a shorter proposal submission period, and a reduction of proposal information requirements.
