

§ 7.85

(ii) Abalone permits for Anacapa and Santa Barbara Islands will be issued only to applicants who filed with the California State Department of Fish and Game fish receipts for abalone caught at Anacapa and Santa Barbara Islands during the period July 1, 1968, to July 1, 1971.

[38 FR 5622, Mar. 17, 1973, as amended at 48 FR 30296, June 30, 1983]

§ 7.85 Big Thicket National Preserve.

(a) *Hunting.* Except as otherwise provided in this section, hunting is permitted in accordance with § 2.2 of this chapter.

(1) Hunting is permitted only during designated seasons, as defined for game animals or birds by the State of Texas. During other periods of the year, no hunting is permitted.

(2) During applicable open seasons, only the following may be hunted:

(i) Game animals, rabbits, and feral or wild hogs.

(ii) Game birds and migratory game birds.

(3) The use of dogs or calling devices for hunting game animals or fur-bearing animals is prohibited.

(4) The use or construction of stands, blinds or other structures for use in hunting or for other purposes is prohibited.

(b) *Trapping.* Trapping, for fur-bearing animals only, is permitted in accordance with § 2.2 of this chapter.

(c) *Hunting and Trapping Permits.* In addition to applicable State licenses or permits, a permit from the Superintendent is required for hunting or trapping on Preserve lands. Permits will be available, free of charge, at Preserve headquarters and can be obtained in person or by mail.

(d) *Firearms, Traps, and Other Weapons.* Except as otherwise provided in this paragraph, § 2.4 of this chapter shall be applicable to Preserve lands.

(1) During open hunting or trapping seasons, the possession and use of firearms or other devices capable of destroying animal life is permitted in accordance with § 2.4 of this chapter.

(2) The possession of firearms or other weapons at night, from one hour

36 CFR Ch. I (7-1-08 Edition)

after sunset to one hour before sunrise is prohibited.

[45 FR 46072, July 9, 1980, as amended at 48 FR 30296, June 30, 1983]

§ 7.86 Big Cypress National Preserve.

(a) *Motorized vehicles—(1) Definitions.*
(i) The term “motorized vehicle” means automobiles, trucks, glades or swamp buggies, airboats, amphibious or air cushion vehicles or any other device propelled by a motor and designed, modified for or capable of cross country travel on or immediately over land, water, marsh, swampland or other terrain, except boats which are driven by a propeller in the water.

(ii) The term “operator” means any person who operates, drives, controls or has charge of a motorized vehicle.

(iii) The term “Preserve lands” means all federally owned or controlled lands and waters administered by the National Park Service within the boundaries of the Preserve.

(2) *Travel in Preserve areas.* (i) Unless closed or restricted by action of the Superintendent under paragraph (a)(2)(iii), the following areas, which are shown on a map numbered BC-91-001, dated November 1975, and available for public inspection at the office of the Superintendent, are open to motorized vehicles:

(A) The area south and west of Loop Road (State Road #B94).

(B) The area north of Tamiami Trail.

(ii) The following areas which are shown on a map numbered BC-91-001, dated November 1975, and available for public inspection at the office of the Superintendent, are closed to motorized vehicles:

(A) The areas between the Loop Road (State Hwy. #B94) and the Tamiami Trail (U.S. Hwy. #B41), except that the Superintendent may issue a permit to provide for reasonable access by legal residents or to provide access by authorized oil and gas companies.

(B) Big Cypress Florida Trail, Section 1, One marked main hiking trail, from Tamiami Trail to Alligator Alley; and the two marked loop trails are closed to the use of all motorized vehicles, except that vehicles may cross the trails.

(iii) The Superintendent may temporarily or permanently close or restrict

the use of any areas and routes otherwise designated for use of motor vehicles, or close or restrict such areas or routes to the use of particular types of motor vehicles by the posting of appropriate signs, or by marking on a map which shall be available for public inspection at the office of the Superintendent, or both. In determining whether to close or restrict the uses of the areas or routes under this paragraph, the Superintendent shall be guided by the criteria contained in sections 3 and 4 of E.O. 11644 (37 FR 2877) as amended, and shall also consider factors such as other visitor uses, safety, wildlife management, noise, erosion, geography, vegetation, resource protection, and other management considerations. Prior to making a temporary or permanent closure the Superintendent shall consult with the executive director of the Florida Game and Fresh Water Fish Commission. Prior to instituting a permanent closure of an area or route, notice of such intention shall be published in the FEDERAL REGISTER and the public shall be provided a period of 30 days to comment.

(3) *Operations, limitations and equipment*—(i) *Vehicle operation*. (A) Motorized vehicle permits shall be required after December 21, 1980.

(B) Motorized vehicles shall not be operated in a manner causing, or likely to cause, significant damage to or disturbance of the soil, wildlife habitat, improvements, cultural, or vegetative resources. Cutting, grading, filling or ditching to establish new trails or to improve old trails is prohibited, except under written permit where necessary in the exploration for, extraction or removal of oil and gas.

(ii) *Vehicle Limitations and Equipment*.

(A) [Reserved]

(B) The Superintendent, by the posting of appropriate signs or by marking on a map, which shall be available for public inspection at the office of the Superintendent, may require during dry periods, that a motorized vehicle or a particular class of motorized vehicle, operated off established roads and parking areas, shall be equipped with a spark arrester that meets Standard 5100-1a of the Forest Service, U.S. Department of Agriculture, or the 80 per-

cent efficiency level when determined by the appropriate Society of Automotive Engineers (SAE) Standard.

(C) A motorized vehicle, except an airboat, when operated off of established roads and parking areas during the period from one-half hour after sunset to one-half hour before sunrise, shall display at least one forward-facing white headlight and one red lighted taillight each of which shall be visible for a distance of 500 feet in their respective directions under clear atmospheric conditions.

(D) Airboats and amphibious vehicles shall fly a safety flag at least 10 inches wide by 12 inches long at a minimum height of 10 feet above the bottom of the vehicle or boat, and shall display one white light aft visible for 360° at a distance of 500 feet when running during the period from one-half hour before sunset to one-half hour after sunrise.

(b) *Camp structures*. (1) Buildings or other structures on lands not owned by claimants to these structures existing prior to the effective date of these regulations, may be occupied and used by said claimants pursuant to a nonrenewable, nontransferable permit. This use shall be for a maximum term of five (5) years from the date of Federal acquisition for preserve purposes of the land upon which the structures are situated or five years from the effective date of these regulations, whichever occurs first: *Provided, however*, That the claimant to the structures by application:

(i) Reasonably demonstrates by affidavit, bill of sale or other documentation proof of possessory interest or right of occupancy in the cabin or structure;

(ii) Submits a sketch and photograph of the cabin or structure and a map showing its geographic location;

(iii) Agrees to vacate or remove the structure from the preserve upon the expiration of the permit, and

(iv) Acknowledges in the permit that he/she has no interest in the real property.

(2) Structures built after the effective date of these regulations will be removed upon acquisition by the Federal Government of the lands upon which the structures are situated.

(3) Structures that are razed or destroyed by fire or storm, or deteriorate structurally to the point of being unsafe or uninhabitable shall not be rebuilt and the permit shall be cancelled. This shall not be deemed to prohibit routine maintenance or upkeep on an existing structure.

(4) The National Park Service reserves the right to full and unrestricted use of the lands under permit including, but not limited to, such purposes as managed hunting programs executed in accordance with applicable State Game and Fish laws and regulations, use of existing roads and trails, and unrestricted public access.

(c) *Aircraft: Designated landing sites.*

(1) Except as provided below, aircraft may be landed in the preserve only at improved landing strips for which a permit has been issued and which were in existence and in usable condition at the time the lands were acquired for preserve purposes, or the effective date of these regulations, whichever occurs first. A permit may be issued to the former land owner or airstrip user upon application to the Superintendent. The application shall include a sketch showing location; a copy of the airstrip license, if any; a description of the size of strip, type of landing surface, height of obstructions, special markings; and a list of the camps served.

(2) A map showing the locations, size, and limitations of each airstrip designated under a permit shall be available for public inspection at the office of the Superintendent.

(3) Rotorcraft used for purposes of oil and gas exploration or extraction, as provided for in part 9, subpart B of this chapter, may be operated only in accordance with an approved operating plan or a permit issued by the Superintendent.

(d) [Reserved]

(e) *Hunting, Fishing, Trapping and Gathering.* (1) Hunting, fishing and trapping are permitted in accordance with the general regulations found in parts 1 and 2 of this chapter and applicable Florida law governing Cooperative Wildlife Management Areas.

(2) The Superintendent may permit the gathering or collecting by hand and for personal use only of the following:

(i) Tree snails (*Liguus Fasciatus*);

Provided, however, That under conditions where it is found that significant adverse impact on park resources, wildlife populations or visitor enjoyment of resources will result, the Superintendent shall prohibit the gathering, or otherwise restrict the collecting of these items. Portions of a park area in which restrictions apply shall be designated on a map which shall be available for public inspection at the office of the Superintendent, or by the posting of appropriate signs, or both.

(f) *Grazing.* (1) Grazing privileges shall be available under permit to owners or lessees who were actually using land within the Preserve for grazing purposes on October 11, 1974, or who elected to request a permit at the time the land was acquired for preserve purposes (See 36 CFR 2.60).

(2) Such permit may be renewed during the lifetime of the permittee or his spouse.

(3) The breach of any of the terms or conditions of the permit or the regulations applicable thereto shall be grounds for termination, suspension or denial of grazing privileges.

(4) Except as provided below, failure to use land under permit for grazing or to renew the permit shall automatically terminate the permit and grazing privileges. The Superintendent may issue a nonuse permit on an annual basis not to exceed three consecutive years, except that nonuse beyond this time may be permitted if necessitated by reasons clearly outside the control of the permittee.

(5) Annual fees based on Departmental regulations (43 CFR 4125.1-1 (m)) will be charged for all livestock grazing upon preserve lands.

(6) Each permittee shall comply with the range management plan approved by the Superintendent for the area under permit.

(7) State laws and regulations relating to fencing, sanitation and branding are applicable to graziers using preserve lands.

(8) The National Park Service reserves the right to full and unrestricted use of the lands under permit including, but not limited to, such purposes as managed hunting programs executed in accordance with applicable

National Park Service, Interior

§ 7.91

State Game and Fish laws and regulations, use of existing roads and trails, unrestricted public access, and the right to revoke the permit if the activity is causing or will cause considerable adverse effect on the soil, vegetation, watershed or wildlife habitat.

(9) Corporations formed by owners or lessees who were actually using lands within the preserve for grazing purposes on October 11, 1974, may be issued annual permits for a period not to exceed twenty-five (25) years from the date of acquisition for preserve purposes.

§ 7.90 [Reserved]

§ 7.91 Whiskeytown Whiskeytown-Shasta-Trinity National Recreation Area. Unit, National Recreation Area.

(a) *Water sanitation.* (1) Vessels with marine toilets so constructed as to permit wastes to be discharged directly into the water shall have such facilities sealed to prevent discharge.

(2) Chemical or other type marine toilets with approved holding tanks or storage containers will be permitted, but will be discharged or emptied only at designated sanitary pumping stations.

(b) Overnight occupancy of a vessel on the Whiskeytown Lake is prohibited.

(c) *Powerless flight.* The use of devices designed to carry persons through the air in powerless flight is allowed at times and locations designated by the superintendent, pursuant to the terms and conditions of a permit.

(d) *Gold Panning.* (1) As used in this section, the term "gold panning" means the attempted or actual removal of gold from a stream by using either a metal or plastic gold pan and a trowel, spoon or other digging implement having a blade surface not exceeding 4 inches wide and 8 inches long.
