(5) *Parking.* Violation of a traffic control device regulating parking is punishable by fine. In any violation of a traffic control device regulating parking, proof that the described vehicle was parked in violation, together with proof that the defendant was at the time the registered owner of the vehicle, shall constitute a prima facie presumption that the registered owner of the vehicle was the person who committed the violation.

(g) *Demonstrations and special events—*
(1) *Definitions.* (i) The term “demonstrations” includes demonstrations, picketing, speechmaking, marching, holding vigils or religious services and all other like forms of conduct which involve the communication or expression of views or grievances, engaged in by one or more persons, the conduct of which has the effect, intent or propensity to draw a crowd or onlookers. (2) *Permit requirements.* Demonstrations and special events may be held only pursuant to a permit issued in accordance with the provisions of this section except:

(i) Demonstrations involving 25 persons or fewer may be held without a permit *provided* that the other conditions required for the issuance of a permit are met and *provided further* that the group is not merely an extension of another group already availing itself of the 25-person maximum under this provision or will not unreasonably interfere with other demonstrations or special events.

(ii) Demonstrations may be held in the following park areas without a permit *provided* that the conduct of such demonstrations is reasonably consistent with the protection and use of the indicated park area and the other requirements of this section. The numerical limitations listed below are applicable only for demonstrations conducted without a permit in such areas. Larger demonstrations may take place in these areas pursuant to a permit.

Applicants shall submit permit applications in writing on a form provided by the National Park Service so as to be received by the Regional Director at least 48 hours in advance of any proposed demonstration or special event. This 48-hour period will be waived by the Regional Director if the size and nature of the activity will not

reasonably require the commitment of park resources or personnel in excess of that which are normally available or which can reasonably be made available within the necessary time period. The Regional Director shall accept permit applications only during the hours of 8 a.m.-4 p.m., Monday through Friday, holidays excepted. All demonstration applications, except those seeking waiver of the numerical limitations applicable to Lafayette Park (paragraph (g)(5)(ii) of this section), are deemed granted, subject to all limitations and restrictions applicable to said park area, unless denied within 24 hours of receipt. (4) *Permit processing.* (i) Permit applications for demonstrations and special events are processed in order of receipt, and the use of a particular area is allocated in order of receipt of fully executed applications, subject to the limitations set forth in this section. *Provided, however,* that the following national celebration events have priority use of the particular park area during the indicated period.

(A) *Christmas Pageant of Peace.* In the oval portion of the Ellipse only, during approximately the last three weeks in December.

No activity containing structures is permitted closer than 50 feet to another activity containing structures without the mutual consent of the sponsors of those activities.

(iii) A permit may be denied in writing by the Regional Director upon the following grounds:

(A) A fully executed prior application for the same time and place has been received, and a permit has been or will be granted authorizing activities which do not reasonably permit multiple occupancy of the particular area; in that event, an alternate site, if available for the activity, will be proposed by the Regional Director to the applicant.

(B) It reasonably appears that the proposed demonstration or special event will present a clear and present danger to the public safety, good order, or health.

(C) The proposed demonstration or special event is of such a nature or duration that it cannot reasonably be accommodated in the particular area applied for; in that event, the Regional Director shall propose an alternate site to the applicant, if available for the activity; in this connection, the Regional Director shall reasonably take into account possible damage to the park, including trees, shrubbery, other plantings, park installations and statues.

(D) The application proposes activities contrary to any of the provisions of this section or other applicable law or regulation.

(5) *Permit limitations.* Issuance of a permit is subject to the following limitations:

(i) No more than 750 persons are permitted to conduct a demonstration on the White House sidewalk at any one time.

(ii) No more than 3,000 persons are permitted to conduct a demonstration in Lafayette Park at any one time.

(A) The Regional Director may waive the 3,000 person limitation for Lafayette Park and/or the 750 person limitation for the White House Sidewalk upon a showing by the applicant that good faith efforts will be made to plan and marshal the demonstration in such a fashion so as to render unlikely any substantial risk of unreasonable disruption or violence.

(B) In making a waiver determination, the Regional Director shall consider and the applicant shall furnish at least ten days in advance of the proposed demonstration, the functions the marshals will perform, the means by

which they will be identified, and their method of communication with each other and the crowd. This requirement will be satisfied by completion and submission of the same form referred to in paragraph (g)(3) of this section.

(iii) No permit will be issued for a demonstration on the White House Sidewalk and in Lafayette Park at the same time except when the organization, group, or other sponsor of such demonstration undertakes in good faith all reasonable action, including the provision of sufficient marshals, to insure good order and self-discipline in conducting such demonstration and any necessary movement of persons, so that the numerical limitations and waiver provisions described in paragraphs (g)(5) (i) and (ii) of this section are observed.

(iv) No permit will be issued authorizing demonstrations or special events in excess of the time periods set out below: *Provided, however*, that the stated periods will be extended for demonstrations only, unless another application requests use of the particular area and said application precludes double occupancy:

(A) White House area, except the Ellipse: Seven days.

(B) The Ellipse and all other park areas: Three weeks.

(v) The Regional Director may restrict demonstrations and special events weekdays (except holidays) between the hours of 7:00 to 9:30 a.m. and 4:00 to 6:30 p.m. if it reasonably appears necessary to avoid unreasonable interference with rush-hour traffic.

(vi) Special events are not permitted unless approved by the Regional Director. In determining whether to approve a proposed special event, the Regional Director shall consider and base the determination upon the following criteria:

(A) Whether the objectives and purposes of the proposed special event relate to and are within the basic mission and responsibilities of the National Capital Region, National Park Service.

(B) Whether the park area requested is reasonably suited in terms of accessibility, size, and nature of the proposed special event.

(C) Whether the proposed special event can be permitted within a reasonable budgetary allocation of National Park Service funds considering the event's public appeal, and the anticipated participation of the general public therein.

(D) Whether the proposed event is duplicative of events previously offered in National Capital Region or elsewhere in or about Washington, DC.

(E) Whether the activities contemplated for the proposed special event are in conformity with all applicable laws and regulations.

(vii) In connection with permitted demonstrations or special events, temporary structures may be erected for the purpose of symbolizing a message or meeting logistical needs such as first aid facilities, lost children areas or the provision of shelter for electrical and other sensitive equipment or displays. Temporary structures may not be used outside designated camping areas for living accommodation activities such as sleeping, or making preparations to sleep (including the laying down of bedding for the purpose of sleeping), or storing personal belongings, or making any fire, or doing any digging or earth breaking or carrying on cooking activities. The above-listed activities constitute camping when it reasonably appears, in light of all the circumstances, that the participants, in conducting these activities, are in fact using the area as a living accommodation regardless of the intent of the participants or the nature of any other activities in which they may also be engaging. Temporary structures are permitted to the extent described above, provided prior notice has been given to the Regional Director, except that:

(A) Structures are not permitted on the White House sidewalk.

(B) All such temporary structures shall be erected in such a manner so as not to harm park resources unreasonably and shall be removed as soon as practicable after the conclusion of the permitted demonstration or special event.

(C) The Regional Director may impose reasonable restrictions upon the

National Park Service, Interior

§7.96

use of temporary structures in the interest of protecting the park areas involved, traffic and public safety considerations, and other legitimate park value concerns.

(D) Any structures utilized in a demonstration extending in duration beyond the time limitations specified in paragraphs (g)(5)(iv) (A) and (B) of this section shall be capable of being removed upon 24 hours notice and the site restored, or, the structure shall be secured in such a fashion so as not to interfere unreasonably with use of the park area by other permittees authorized under this section.

(E) Individuals or groups of 25 persons or fewer demonstrating under the small group permit exemption of paragraph (g)(2)(i) of this section are not allowed to erect temporary structures other than small lecterns or speakers' platforms. This provision does not restrict the use of portable signs or banners.

(viii) No signs or placards shall be permitted on the White House sidewalk except those made of cardboard, posterboard or cloth having dimensions no greater than three feet in width, twenty feet in length, and one-quarter inch in thickness. No supports shall be permitted for signs or placards except those made of wood having cross-sectional dimensions no greater than three-quarter of an inch by three-quarter of an inch. Stationary signs or placards shall be no closer than three feet from the White House sidewalk fence. All signs and placards shall be attended at all times that they remain on the White House sidewalk. Signs or placards shall be considered to be attended only when they are in physical contact with a person. No signs or placards shall be tied, fastened, or otherwise attached to or leaned against the White House fence, lamp posts or other structures on the White House sidewalk. No signs or placards shall be held, placed or set down on the center portion of the White House sidewalk, comprising ten yards on either side of the center point on the sidewalk; *Provided, however*, that individuals may demonstrate while carrying signs on that portion of the sidewalk if they continue to move along the sidewalk.

(ix) No parcel, container, package, bundle or other property shall be placed or stored on the White House sidewalk or on the west sidewalk of East Executive Avenue NW., between Pennsylvania Avenue NW., and E Street NW., or on the north sidewalk of E Street NW., between East and West Executive Avenues NW.; *Provided, however*, that such property, except structures, may be momentarily placed or set down in the immediate presence of the owner on those sidewalks.

(x) The following are prohibited in Lafayette Park:

(A) The erection, placement or use of structures of any kind except for the following:

(1) Structures that are being hand-carried are allowed.

(2) When one hundred (100) or more persons are participating in a demonstration in the Park, a temporary speaker's platform as is reasonably required to serve the demonstration participants is allowed as long as such platform is being erected, dismantled or used, *provided that* only one speaker's platform is allowed per demonstrating group, and *provided further that* such speaker's platform is authorized by a permit issued pursuant to paragraph (g) of this section.

(3) When less than one hundred (100) persons are participating in a demonstration in the Park, a temporary "soapbox" speaker's platform is allowed as long as such platform is being erected, dismantled or used, *providing that* only one speaker's platform is allowed per demonstrating group, and *provided further that* the speaker's platform is no larger than three (3) feet in length, three (3) feet in width, and three (3) feet in height, and *provided further that* such speaker's platform is authorized by a permit issued pursuant to paragraph (g) of this section.

(4) For the purpose of this section, the term "structure" includes props and displays, such as coffins, crates, crosses, theaters, cages, and statues; furniture and furnishings, such as desks, chairs, tables, bookcases, cabinets, platforms, podiums and lecterns; shelters, such as tents, boxes and other enclosures; wagons and carts; and all other similar types of property which

might tend to harm park resources including aesthetic interests. *Provided however* that the term "structure" does not include signs; bicycles, baby carriages and baby strollers lawfully in the Park that are temporarily placed in, or are being moved across, the Park, and that are attended at all times while in the Park (the term "attended" is defined as an individual being within three (3) feet of his or her bicycle, baby carriage or baby stroller); and wheelchairs and other devices for the handicapped in use by handicapped persons.

(B) The use of signs except for the following:

(1) Hand-carried signs are allowed regardless of size.

(2) Signs that are not being hand-carried and that are no larger than four (4) feet in length, four (4) feet in width and one-quarter (¼) inch in thickness (exclusive of braces that are reasonably required to meet support and safety requirements and that are not used so as to form an enclosure of two (2) or more sides) may be used in Lafayette Park, *provided that* no individual may have more than two (2) such signs in the Park at any one time, and *provided further that* such signs must be attended at all times (the term "attended" is defined as an individual being within three (3) feet of his or her sign(s)), and *provided further that* such signs may not be elevated in a manner so as to exceed a height of six (6) feet above the ground at their highest point, may not be arranged or combined in a manner so as to exceed the size limitations set forth in this paragraph, and may not be arranged in such a fashion as to form an enclosure of two (2) or more sides. For example, under this provision, two four-foot by four-foot signs may not be combined so as to create a sign eight feet long and four feet wide, and three such signs may not be arranged to create a sign four feet long and twelve feet wide, and two or more signs of any size may not be leaned or otherwise placed together so as to form an enclosure of two or more sides, etc.

(xi) Stages and sound amplification may not be placed closer than one hundred (100) feet from the boundaries of the Vietnam Veterans Memorial and

sound systems shall be directed away from the memorial at all times.

(xii) Sound amplification equipment is allowed in connection with permitted demonstrations or special events, provided prior notice has been given to the Regional Director, except that:

(A) Sound amplification equipment may not be used on the White House sidewalk, other than hand-portable sound amplification equipment which the Regional Director determines is necessary for crowd-control purposes.

(B) The Regional Director reserves the right to limit the sound amplification equipment so that it will not unreasonably disturb nonparticipating persons in, or in the vicinity of, the area.

(xiii) A permit may contain additional reasonable conditions and additional time limitations, consistent with this section, in the interest of protecting park resources, the use of nearby areas by other persons, and other legitimate park value concerns.

(xiv) A permit issued under this section does not authorize activities outside of areas under administration by the National Capital Region. Applicants may also be required to obtain a permit from the District of Columbia or other appropriate governmental entity for demonstrations or special events sought to be conducted either wholly or in part in other than park areas.

(6) *Permit revocation.* A permit issued for a demonstration is revocable only upon a ground for which an application therefor would be subject to denial under paragraphs (g) (4) or (5) of this section. Any such revocation, prior to the conduct of the demonstration, shall be in writing and shall be approved by the Regional Director. During the conduct of a demonstration, a permit may be revoked by the ranking U.S. Park Police supervisory official in charge if continuation of the event presents a clear and present danger to the public safety, good order or health or for any violation of applicable law or regulation. A permit issued for a special event is revocable, at any time, in the reasonable discretion of the Regional Director.

(h) *Soliciting*. Soliciting or demanding gifts, money, goods or services is prohibited.

The above-listed activities constitute camping when it reasonably appears, in light of all the circumstances, that the participants, in conducting these activities, are in fact using the area as a living accommodation regardless of the intent of the participants or the nature of any other activities in which they may also be engaging. Camping is permitted only in areas designated by the Superintendent, who may establish limitations of time allowed for camping in any public campground. Upon the posting of such limitations in the campground, no person shall camp for a period longer than that specified for the particular campground.

(k) *Sales.* (1) No sales shall be made nor admission fee charged and no article may be exposed for sale without a permit except as noted in the following paragraphs.

(2) No merchandise may be sold during the conduct of special events or demonstrations except for books, newspapers, leaflets, pamphlets, buttons and bumper stickers. A permit is required for the sale or distribution of permitted merchandise when done with the aid of a stand or structure. Such stand or structure may consist of one table per site, which may be no larger

than 2½ feet by 8 feet or 4 feet by 4 feet. The dimensions of a sales site may not exceed 6 feet wide by 15 feet long by 6 feet high. With or without a permit, such sale or distribution is prohibited in the following areas:

(i) Lincoln Memorial area which is on the same level or above the base of the large marble columns surrounding the structure, and the single series of marble stairs immediately adjacent to and below that level.

(ii) Jefferson Memorial area enclosed by the outermost series of columns, and all portions on the same levels or above the base of these columns.
