Stefanie Mullin (202) 414-6376

We at FHFA are very saddened by the death of David Kellermann. For many years, we have known David as a person of the utmost ethical standards who was hardworking and knowledgeable in his field. As the Acting Chief Financial Officer of Freddie Mac during particularly challenging times, David was an inspiration to his staff and many others who were privileged to work with him. We extend our condolences to his family, friends and colleagues.

###

The Federal Housing Finance Agency regulates Fannie Mae, Freddie Mac and the 12 Federal Home Loan Banks. These government-sponsored enterprises provide more than \$6.3 trillion in funding for the U.S. mortgage markets and financial institutions.
