

One NASA

Continuing the unique cross-agency conversations that began on July 9 at the NASA Update with Administrator O'Keefe, a series of Transformation Dialogue broadcasts are scheduled to occur in the upcoming weeks to be aired on NASA TV and via web cast:

August 20, 3:30 pm EDT - The Role of Competition

Hosted by Dr. Charles Elachi, and broadcast from JPL.

August 23, 2:00 pm EDT – Alternate Organizational Models

Hosted by Dave King, and broadcast from MSFC.

August 26, 11:00 am EDT – Other Transformation Issues

Hosted by Dr. Vic Lebacqz, and broadcast from NASA HQ.

September 2, 11:00 am EDT – Competency Management; Ensuring Technical Excellence and In-House Capabilities

Hosted by Jim Kennedy and broadcast from KSC.

Mid-September – Sustaining the Vision Long Term

Hosted by Fred Gregory and broadcast from NASA HQ.

All of these broadcasts are linked to on-line discussion forums at www.insidenasa.nasa.gov

Prior to each broadcast, any advance material relevant to the topic is posted for all participants to review at www.insidenasa.nasa.gov. To submit your questions to be addressed during the broadcast, e-mail them to transformation@nasa.gov before or during the broadcasts.

Part of getting to good answers – is good dialogue. Join the on-line discussions now !
