for Agency TSP Representatives

**Subject:** Thrift Savings Plan Fact Sheet, Information About the TSP Loan Program

**Date:** July 14, 1997

The Federal Retirement Thrift Investment Board has developed the attached Thrift Savings Plan (TSP) Fact Sheet, "Information About the TSP Loan Program," to highlight the changes to the TSP loan program and to explain how to apply for a loan. Agency representatives may provide a copy of this fact sheet, along with a copy of the booklet *Thrift Savings Plan Loan Program*, to employees who inquire about loans from their TSP accounts. Agencies must reproduce this fact sheet locally; it cannot be ordered from the TSP.

For more information about the loan booklet, which was revised in April 1997, see TSP Bulletin 97-21, dated May 30, 1997. For more information about the statutory change to the loan program, see TSP Bulletin 96-76, dated November 20, 1996.
