Dear [Recipient]:

Our records show that you bought Cleansing Time Pro Black Salve & Tablets. These products were sold on our website [www.cleansingtimepro.com](http://www.cleansingtimepro.com). We are writing to tell you that the Federal Trade Commission (“FTC”) has alleged that our advertising claims for these products were false or unsubstantiated. To resolve these charges, we have entered into a settlement with the FTC that prohibits us from making misleading claims about these products or any other health-related product. The settlement with the FTC does not constitute an admission that we have violated the law. As part of the settlement, however, we agreed to send you the following information about the scientific evidence on Cleansing Time Pro Black Salve & Tablets.

Very little scientific research has been done concerning Cleansing Time Pro Black Salve & Tablets as a treatment or cure for cancer in humans. The scientific studies that have been done do not demonstrate that Cleansing Time Pro Black Salve & Tablets, or the ingredients in these products, are effective when used as treatments for cancer. In addition, according to the American Cancer Society, there have been numerous reports of severe burns and permanent scarring from some of these salves.

It is very important that you talk to your doctor or health care provider before using *any* alternative or herbal product, including Cleansing Time Pro Black Salve & Tablets. Speaking with your doctor is important to make sure that all aspects of your medical treatment work together. Things that seem safe, such as certain foods, herbs, or pills, may interfere or affect your cancer or other medical treatment, or other medicines you might be taking. Some herbs or other complementary or alternative treatments may keep your medicines from doing what they are supposed to do, or could be harmful when taken with other medicines or in high doses. It also is very important that you talk to your doctor or health care provider before you decide to take any alternative or herbal product, including Cleansing Time Pro Black Salve & Tablets, instead of taking conventional cancer treatments that have been scientifically proven to be safe and effective in humans.
