BETWEEN THE
OFFICE OF INSPECTOR GENERAL
OF THE
DEPARTMENT OF HEALTH AND HUMAN SERVICES
AND
LYNDA O'CONNOR-OHAYON**

I. PREAMBLE

Lynda O'Connor-Ohayon (O'Connor-Ohayon) hereby enters into this Integrity Agreement (Agreement) with the Office of Inspector General (OIG) of the United States Department of Health and Human Services (HHS) to promote compliance with the statutes, regulations, program requirements, and written directives of Medicare, Medicaid, and all other Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)) (Federal health care program requirements). This Agreement applies to any entity that O'Connor-Ohayon owns or in which O'Connor-Ohayon has a control interest, as defined in 42 U.S.C. § 1320a-3(a)(3), and O'Connor-Ohayon's and any such entity's Covered Persons as defined in Section II.C. Contemporaneously with this Agreement, O'Connor-Ohayon is entering into a Settlement Agreement with the United States, and this Agreement is incorporated by reference into the Settlement Agreement.

II. TERM OF THE AGREEMENT

A. The date on which the final signatory of this Agreement executes this Agreement shall be known as the Effective Date. The period of compliance obligations assumed by O'Connor-Ohayon under this Agreement shall be three years from the Effective Date of this Agreement. Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a "Reporting Period."

B. Sections VII, VIII, IX, X, and XI shall expire no later than 120 days from OIG's receipt of: (1) O'Connor-Ohayon's final Annual Report; or (2) any additional materials submitted by O'Connor-Ohayon pursuant to OIG's request, whichever is later.

C. The scope of this Agreement shall be governed by the following definitions:

1. "Covered Persons" includes:

- a. all owners, officers, directors, associates, and employees of O'Connor-Ohayon; and
- b. all contractors, agents, and other persons who provide patient care items or services or who perform billing or coding functions on behalf of O'Connor-Ohayon.

III. INTEGRITY OBLIGATIONS

O'Connor-Ohayon shall establish and maintain a Compliance Program that includes the following elements:

A. Compliance Contact

Within 30 days after the Effective Date, O'Connor-Ohayon shall designate a person to be responsible for compliance activities (Compliance Contact). O'Connor-Ohayon shall maintain a Compliance Contact for the term of this Agreement. The Compliance Contact shall be responsible for: (1) developing and implementing policies, procedures, and practices designed to ensure compliance with the requirements set forth in this Agreement and with Federal health care program requirements; (2) monitoring O'Connor-Ohayon's day-to-day compliance activities; and (3) meeting all reporting obligations created under this Agreement.

O'Connor-Ohayon shall report to OIG, in writing, any changes in the identity or job responsibilities of the Compliance Contact, or any actions or changes that would affect the Compliance Contact's ability to perform the duties necessary to meet the obligations in this Agreement, within 15 days after such change. The name, address, phone number, and a description of any other job responsibilities performed by the Compliance Contact shall be included in the Implementation Report.

B. Posting of Notice

Within the 90 days after the Effective Date, O'Connor-Ohayon shall post in a prominent place accessible to all patients and Covered Persons a notice detailing her commitment to comply with all Federal health care program requirements in

the conduct of her business.

This notice shall include the following information: (i) a means (e.g., telephone number or address) by which billing concerns and other issues may be reported anonymously; (ii) O'Connor-Ohayon's commitment to maintain the confidentiality of the report; and (iii) notification that reporting concerns and issues will not result in retribution or retaliation by O'Connor-Ohayon.

This notice shall also include the HHS OIG Fraud Hotline telephone number (1-800-HHS-TIPS) as a confidential means by which suspected fraud or abuse in the Federal health care programs may be reported.

A copy of this notice shall be included in the Implementation Report.

C. Written Policies and Procedures

Within 90 days after the Effective Date, O'Connor-Ohayon shall develop, implement, and distribute written Policies and Procedures to all Covered Persons. In addition, O'Connor-Ohayon shall make the promotion of, and adherence to, the written Policies and Procedures an element in evaluating the performance of all employees. The written Policies and Procedures shall, at a minimum, set forth:

1. O'Connor-Ohayon's commitment to full compliance with all Federal health care program requirements, including her commitment to prepare and submit accurate claims consistent with such requirements;
2. the expectation that all of O'Connor-Ohayon's Covered Persons shall be expected to comply with all Federal health care program requirements and with O'Connor-Ohayon's own written Policies and Procedures as implemented pursuant to this Section III.C (including the requirements of this Agreement);
3. the responsibility and requirement that all Covered Persons report suspected violations of any Federal health care program requirements or of O'Connor-Ohayon's own Policies and Procedures to the Compliance Contact and O'Connor-Ohayon's commitment to maintain confidentiality and anonymity, as appropriate, and not to retaliate with respect to such disclosures;

4. the possible consequences to both O'Connor-Ohayon and Covered Persons of failure to comply with Federal health care program requirements or with O'Connor-Ohayon's written Policies and Procedures and the failure to report such noncompliance;
5. O'Connor-Ohayon's commitment to remain current with all Federal health care program requirements by obtaining and reviewing program memoranda, newsletters, and any other correspondence from the carrier related to Federal health care program requirements;
6. the proper procedures for the accurate preparation and submission of claims in accordance with Federal health care program requirements; and
7. the proper documentation of services and billing information.

Within 90 days after the Effective Date, each Covered Person shall certify in writing that he or she has received, read, understood, and shall abide by O'Connor-Ohayon's written Policies and Procedures. New Covered Persons shall receive and review the written Policies and Procedures and shall complete the required certification within 30 days after becoming a Covered Person or within 90 days after the Effective Date, whichever is later.

At least annually (and more frequently if appropriate), O'Connor-Ohayon shall assess and update, as necessary, the Policies and Procedures. Within 30 days after the effective date of any revisions, the relevant portions of any such revised Policies and Procedures shall be distributed to all Covered Persons. Appropriate and knowledgeable staff shall be available to explain the Policies and Procedures.

Copies of the written Policies and Procedures shall be included in the Implementation Report. Copies of any written Policies and Procedures that are subsequently revised shall be included in the next Annual Report along with a summary of any change or amendment to each Policy and Procedure required by this Section and the reason for each change.

D. Training and Certification

Within 90 days after the Effective Date and during each subsequent Reporting

Period, O'Connor-Ohayon and Covered Persons shall receive at least three hours of training from an individual or entity, other than O'Connor-Ohayon or another Covered Person. Persons providing the training shall be knowledgeable about the subject areas of psychology and psychiatry and may be received from a variety of sources (e.g., CME classes, hospitals, associations, carriers).

New Covered Persons shall receive the training described above within 30 days after becoming a Covered Person or within 90 days after the Effective Date, whichever is later. The training for new Covered Persons may either be provided internally by a Covered Person who has completed the required annual training or externally by a qualified individual or entity. A new Covered Person shall work under the direct supervision of a Covered Person who has received such training, to the extent that the work relates to the delivery of patient care items or services and/or the preparation or submission of claims for reimbursement from any Federal health care program, until such time as the new Covered Person completes the training.

At a minimum, the initial, annual, and new employee training sessions shall include the following topics:

1. the requirements of O'Connor-Ohayon's Agreement;
2. an overview of the O'Connor-Ohayon's compliance program;
3. the accurate coding and submission of claims for services rendered and/or items provided to Federal health care program beneficiaries;
4. applicable reimbursement statutes, regulations, and program requirements and directives;
5. the written Policies and Procedures developed pursuant to Section III.C, above;
6. the policies, procedures, and other requirements applicable to the documentation of medical records;
7. the personal obligation of each individual involved in the coding and claims submission process to ensure that such claims are accurate;

8. the legal sanctions for the submission of improper claims or violations of the Federal health care program requirements; and

9. examples of proper and improper coding and claim submission practices.

Each Covered Person shall annually certify, in writing or in electronic format if the training is computerized, that he or she has received the required training. The certification shall specify the date the training was received. The Compliance Contact shall retain the certifications, along with all training materials. O'Connor-Ohayon shall annually review the training, and, where appropriate, update the training to reflect changes in Federal health care program requirements, any issues discovered during the IRO Claims Review, and any other relevant information.

O'Connor-Ohayon may provide the training required under this Agreement through appropriate computer-based training approaches. If O'Connor-Ohayon chooses to provide computer-based training, she shall make available appropriately qualified and knowledgeable staff or trainers to answer questions or provide additional information to the individuals receiving such training.

The training materials shall be provided in the Implementation Report, and to the extent the training is revised, shall also be included in the Annual Reports. The certifications shall be made available to OIG, upon request.

E. Review Procedures

1. General Description.

a. *Engagement of Independent Review Organization.* Within 90 days after the Effective Date, O'Connor-Ohayon shall engage an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter "Independent Review Organization" or "IRO"), to perform reviews to assist O'Connor-Ohayon in assessing and evaluating her billing and coding practices and certain other obligations pursuant to this Agreement and the Settlement Agreement.

Each IRO engaged by O'Connor-Ohayon shall have expertise in the billing, coding, reporting, and other requirements of psychiatry and

psychology and in the general requirements of the Federal health care program(s) from which O'Connor-Ohayon seeks reimbursement. Each IRO shall assess, along with O'Connor-Ohayon, whether it can perform the IRO review in a professionally independent and/or objective fashion, as appropriate to the nature of the engagement; taking into account any other business relationships or other engagements that may exist.

The IRO(s) review shall evaluate and analyze O'Connor-Ohayon's coding, billing, and claims submission to the Federal health care programs and the reimbursement received ("Claims Review"). If O'Connor-Ohayon or an entity in which O'Connor-Ohayon has an ownership or control interest in (as defined in 42 U.S.C. §1320a-3(a)(3)) submits cost reports, O'Connor-Ohayon shall engage an IRO to analyze whether O'Connor-Ohayon sought payment for certain unallowable costs ("Unallowable Cost Review"). The applicable requirements relating to the IRO are outlined in Appendix A to this Agreement, which is incorporated by reference.

b. *Frequency of Claims Review.* The Claims Review shall be performed annually and shall cover each of the Reporting Periods. The IRO(s) shall perform all components of each annual Claims Review.

c. *Frequency of Unallowable Cost Review.* If applicable, the IRO shall perform the Unallowable Cost Review for the first Reporting Period. If not applicable, O'Connor-Ohayon shall sign a certification, as required by Section III.E.4 below, stating that she does not currently and has not submitted a cost report since this Agreement was executed.

d. *Retention of Records.* The IRO and O'Connor-Ohayon shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and O'Connor-Ohayon) related to the reviews.

2. Claims Review. The Claims Review shall include a Discovery Sample and, if necessary, a Full Sample. The applicable definitions, procedures, and reporting requirements are outlined in Appendix B to this Agreement, which is incorporated by reference.

a. *Discovery Sample.* The IRO shall randomly select and review a

sample of 50 Medicare and Medicaid Paid Claims submitted by or on behalf of O'Connor-Ohayon (Discovery Sample).

The Paid Claims shall be reviewed based on the supporting documentation available at O'Connor-Ohayon's office or under O'Connor-Ohayon's control and applicable billing and coding regulations and guidance to determine whether the claim submitted was correctly coded, submitted, and reimbursed.

i. If the Error Rate (as defined in Appendix B) for the Discovery Sample is less than 5%, no additional sampling is required, nor is the Systems Review required. (Note: The guidelines listed above do not imply that this is an acceptable error rate. Accordingly, O'Connor-Ohayon should, as appropriate, further analyze any errors identified in the Discovery Sample. O'Connor-Ohayon recognizes that OIG or other HHS component, in its discretion and as authorized by statute, regulation, or other appropriate authority may also analyze or review Paid Claims included, or errors identified, in the Discovery Sample or any other segment of the universe.)

ii. If the Discovery Sample indicates that the Error Rate is 5% or greater, the IRO shall perform a Full Sample and a Systems Review, as described below.

b. *Full Sample.* If necessary, as determined by procedures set forth in Section III.E.2.a, the IRO shall perform an additional sample of Paid Claims using commonly accepted sampling methods and in accordance with Appendix B. The Full Sample shall be designed to: (i) estimate the actual Overpayment in the population with a 90% confidence level and with a maximum relative precision of 25% of the point estimate; and (ii) conform with the Centers for Medicare and Medicaid Services' statistical sampling for overpayment estimation guidelines. The Paid Claims shall be reviewed based on supporting documentation available at O'Connor-Ohayon's office or under O'Connor-Ohayon's control and applicable billing and coding regulations and guidance to determine whether the claim submitted was correctly coded, submitted, and reimbursed. For purposes of calculating the size of the Full Sample, the Discovery Sample may serve as the probe sample, if statistically appropriate. Additionally,

O'Connor-Ohayon may use the Items sampled as part of the Discovery Sample, and the corresponding findings for those 50 Items, as part of its Full Sample, if: (i) statistically appropriate and (ii) O'Connor-Ohayon selects the Full Sample Items using the seed number generated by the Discovery Sample. OIG, in its sole discretion, may refer the findings of the Full Sample (and any related workpapers) received from O'Connor-Ohayon to the appropriate Federal health care program payor, including the Medicare contractor (e.g., carrier, fiscal intermediary, or DMERC), for appropriate follow-up by that payor.

c. *Systems Review.* If O'Connor-Ohayon's Discovery Sample identifies an Error Rate of 5% or greater, O'Connor-Ohayon's IRO shall also conduct a Systems Review. Specifically, for each claim in the Discovery Sample and Full Sample that resulted in an Overpayment, the IRO shall perform a "walk through" of the system(s) and process(es) that generated the claim to identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the claim.

d. *Repayment of Identified Overpayments.* In accordance with Section III.H.1, O'Connor-Ohayon shall repay within 30 days any Overpayment(s) identified in the Discovery Sample or the Full Sample (if applicable), regardless of the Error Rate, to the appropriate payor and in accordance with payor refund policies. O'Connor-Ohayon shall make available to OIG any and all documentation and the associated documentation that reflects the refund of the Overpayment(s) to the payor.

3. Claims Review Report. The IRO shall prepare a report based upon the Claims Review performed (Claims Review Report). Information to be included in the Claims Review Report is described in Attachment 1 to Appendix B.

4. Unallowable Cost Review.

a. Unless Section III.E.4.b, below, applies, the IRO shall conduct a review of O'Connor-Ohayon's compliance with the unallowable cost provisions of the Settlement Agreement. The IRO shall determine whether O'Connor-Ohayon has complied with her obligations not to charge to, or otherwise seek payment from, federal or state payors for unallowable costs (as defined in the

Settlement Agreement) and her obligation to identify to applicable federal or state payors any unallowable costs included in payments previously sought from the United States, or any state Medicaid program. This unallowable cost analysis shall include, but not be limited to, payments sought in any cost reports, cost statements, information reports, or payment requests already submitted by O'Connor-Ohayon or any affiliates. To the extent that such cost reports, cost statements, information reports, or payment requests, even if already settled, have been adjusted to account for the effect of the inclusion of the unallowable costs, the IRO shall determine if such adjustments were proper. In making this determination, the IRO may need to review cost reports and/or financial statements from the year in which the Settlement Agreement was executed, as well as from previous years.

b. If O'Connor-Ohayon executes and submits to the OIG in the first Annual Report a certification that neither O'Connor-Ohayon nor any entity in which O'Connor-Ohayon has any ownership or control interest has ever submitted any cost report or other submission to a Federal health care program seeking reimbursement based on costs, then no Unallowable Cost Review will be required under this Agreement.

5. Unallowable Cost Review Report. If applicable, the IRO shall prepare a report based upon the Unallowable Cost Review performed. The Unallowable Cost Review Report shall include the IRO's findings and supporting rationale regarding the Unallowable Costs Review and whether O'Connor-Ohayon has complied with her obligation not to charge to, or otherwise seek payment from, federal or state payors for unallowable costs (as defined in the Settlement Agreement) and her obligation to identify to applicable federal or state payors any unallowable costs included in payments previously sought from such payor.

6. Validation Review. In the event OIG has reason to believe that: (a) O'Connor-Ohayon's Claims Review, or any other review required by Section III.E (Review), fails to conform to the requirements of this Agreement; or (b) the IRO's findings or Claims Review results, or other results, are inaccurate, OIG may, at its sole discretion, conduct its own review to determine whether the Claims Review, or other Review, complied with the requirements of the Agreement and/or the findings or Claims Review results, or other results, are inaccurate ("Validation Review"). O'Connor-Ohayon shall pay for the reasonable cost of any such review performed by OIG or any of its designated agents so long as it is initiated within one year after O'Connor-Ohayon's final

submission (as described in Section II) is received by OIG.

Prior to initiating a Validation Review, OIG shall notify O'Connor-Ohayon of its intent to do so and provide a written explanation of why OIG believes such a review is necessary. To resolve any concerns raised by OIG, O'Connor-Ohayon may request a meeting with OIG to: (a) discuss the results of any Claims Review or other Review submissions or findings; (b) present any additional or relevant information to clarify the results of the Claims Review, or other Review, to correct the inaccuracy of the Claims Review; and/or (c) propose alternatives to the proposed Validation Review. O'Connor-Ohayon agrees to provide any additional information requested by OIG under this Section in an expedited manner. OIG will attempt in good faith to resolve any Claims Review or other Review issues with O'Connor-Ohayon prior to conducting a Validation Review. However, the final determination as to whether or not to proceed with a Validation Review shall be made at the sole discretion of OIG.

7. Independence/Objectivity Certification. The IRO shall include in its report(s) to O'Connor-Ohayon a certification or sworn affidavit that it has evaluated its professional independence and/or objectivity, as appropriate to the nature of the engagement, with regard to the Claims Review, or other Review, and that it has concluded that it is, in fact, independent and/or objective.

F. Ineligible Persons

1. Definitions. For purposes of this Agreement:

a. An "Ineligible Person" shall include an individual or entity who: (i) is currently excluded, debarred, suspended, or otherwise ineligible to participate in the Federal health care programs or in Federal procurement or nonprocurement programs; or (ii) has been convicted of a criminal offense that falls within the ambit of 42 U.S.C. § 1320a-7(a), but has not yet been excluded, debarred, suspended, or otherwise declared ineligible.

b. "Exclusion Lists" include: (i) the HHS/OIG List of Excluded Individuals/Entities (available through the Internet at <http://oig.hhs.gov>); and (ii) the General Services Administration's List of Parties Excluded from Federal Programs (available through the Internet at <http://epls.arnet.gov>).

c. "Screened Persons" include prospective and current owners, officers, directors, associates, employees, contractors, and agents of O'Connor-Ohayon.

2. Screening Requirements. O'Connor-Ohayon shall ensure that all Screened Persons are not Ineligible Persons, by implementing the following screening requirements.

a. O'Connor-Ohayon shall screen all Screened Persons against the Exclusion Lists prior to engaging their services and, as part of the hiring or contracting process, shall require Screened Persons to disclose whether they are Ineligible Persons.

b. O'Connor-Ohayon shall screen all Screened Persons against the Exclusion Lists within 90 days after the Effective Date and on an annual basis thereafter.

c. O'Connor-Ohayon shall implement a policy requiring all Screened Persons to disclose immediately any debarment, exclusion, suspension, or other event that makes that person an Ineligible Person.

O'Connor-Ohayon shall maintain documentation demonstrating that: (1) she has checked the Exclusion Lists (e.g., print screens from search results) and determined that such individuals or entities are not Ineligible Persons; and (2) she has required individuals and entities to disclose if they are an Ineligible Person (e.g., employment applications).

Nothing in this Section affects the responsibility or liability of O'Connor-Ohayon to refrain from billing Federal health care programs for services of the Ineligible Person.

3. Removal Requirement. If O'Connor-Ohayon has notice that a Screened Person has become an Ineligible Person, O'Connor-Ohayon shall remove such Screened Person from responsibility for, or involvement with, O'Connor-Ohayon's business operations related to the Federal health care programs and shall remove such Screened Person from any position for which the Screened Person's compensation or the items or services rendered, ordered, or prescribed by the Screened Person are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise with Federal funds at least until such

time as the Screened Person is reinstated into participation in the Federal health care programs.

4. Pending Charges and Proposed Exclusions. If O'Connor-Ohayon has notice that a Screened Person is charged with a criminal offense that falls within the ambit of 42 U.S.C. § 1320a-7(a), or a Screened Person is proposed for exclusion during his, her or its employment, involvement or contract term, O'Connor-Ohayon shall take all appropriate actions to ensure that the responsibilities of that Screened Person have not and shall not adversely affect the quality of care rendered to any beneficiary, patient, or resident, or the accuracy of any claims submitted to any Federal health care program.

G. Notification of Government Investigation or Legal Proceedings

Within 30 days after discovery, O'Connor-Ohayon shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to O'Connor-Ohayon conducted or brought by a governmental entity or its agents involving an allegation that O'Connor-Ohayon has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. O'Connor-Ohayon shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the proceedings, if any.

H. Reporting

1. Overpayments

a. *Definition of Overpayments*. For purposes of this Agreement, an "Overpayment" shall mean the amount of money O'Connor-Ohayon has received in excess of the amount due and payable under any Federal health care program requirements.

b. *Reporting of Overpayments*. If, at any time, O'Connor-Ohayon identifies or learns of any Overpayment, O'Connor-Ohayon shall notify the payor (e.g., Medicare fiscal intermediary or carrier) within 30 days after identification of the Overpayment and take remedial steps within 60 days after identification (or such additional time as may be agreed to by

the payor) to correct the problem, including preventing the underlying problem and the Overpayment from recurring. Also, within 30 days after identification of the Overpayment, O'Connor-Ohayon shall repay the Overpayment to the appropriate payor to the extent such Overpayment has been quantified. If not yet quantified within 30 days after identification, O'Connor-Ohayon shall notify the payor at that time of its efforts to quantify the Overpayment amount along with a schedule of when such work is expected to be completed. Notification and repayment to the payor shall be done in accordance with the payor's policies, and for Medicare contractors shall include the information contained on the Overpayment Refund Form, provided as Appendix C to this Agreement. Notwithstanding the above, notification and repayment of any Overpayment amount that routinely is reconciled or adjusted pursuant to policies and procedures established by the payor should be handled in accordance with such policies and procedures.

2. Reportable Events.

a. *Definition of Reportable Event.* For purposes of this Agreement, a "Reportable Event" means anything that involves:

- i. a substantial Overpayment; or
- ii. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized.

A Reportable Event may be the result of an isolated event or a series of occurrences.

b. *Reporting of Reportable Event.* If O'Connor-Ohayon determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, O'Connor-Ohayon shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists. The report to OIG shall include the following information:

- i. If the Reportable Event results in an Overpayment, the report to

OIG shall be made at the same time as the notification to the payor required in Section III.H.1, and shall include all of the information on the Overpayment Refund Form, as well as:

(A) the payor's name, address, and contact person to whom the Overpayment was sent; and

(B) the date of the check and identification number (or electronic transaction number) by which the Overpayment was repaid/refunded;

ii. a complete description of the Reportable Event, including the relevant facts, persons involved, and legal and Federal health care program authorities implicated;

iii. a description of O'Connor-Ohayon's actions taken to correct the Reportable Event; and

iv. any further steps O'Connor-Ohayon plans to take to address the Reportable Event and prevent it from recurring.

I. Third Party Billing

If, at any time during the term of this Agreement, O'Connor-Ohayon contracts with a third party billing company to submit claims to the Federal health care programs, at least 30 days prior to executing the contract, O'Connor-Ohayon shall submit a certification indicating whether she has an ownership or control interest (as defined in 42 U.S.C. § 1320a - 3(a)(3)) in the third party billing company and whether she is employed by or acts as a consultant to the third party billing company.

Within 30 days after O'Connor-Ohayon contracts with the third party billing company, O'Connor-Ohayon shall obtain a certification from the third party billing company that the company: (i) is presently in compliance with all Federal health care program requirements as they relate to the submission of claims to Federal health care programs; (ii) has a policy of not employing any person who is excluded, debarred, suspended or otherwise ineligible to participate in Medicare or other Federal health care programs to perform any duties related directly or indirectly to the preparation or submission of claims to Federal health

care programs; and (iii) provides the required training in accordance with Section III.D for those employees involved in the preparation and submission of claims to Federal health care programs.

If O'Connor-Ohayon contracts with a new third party billing company during the term of this Agreement, O'Connor-Ohayon shall, within 30 days of entering into such contract, obtain and send to OIG the certification described in this Section III.I.2.

IV. NEW BUSINESS UNITS OR LOCATIONS

In the event that, after the Effective Date, O'Connor-Ohayon changes locations or sells, closes, purchases, or establishes a new business unit or location related to the furnishing of items or services that may be reimbursed by Federal health care programs, O'Connor-Ohayon shall notify OIG of this fact as soon as possible, but no later than 30 days after the date of change of location, sale, closure, purchase, or establishment. This notification shall include the address of the new business unit or location, phone number, fax number, Medicare Provider number, provider identification number, and/or supplier number, and the corresponding contractor's name and address that issued each number. Each new business unit or location and all Covered Persons at each new business unit or location shall be subject to the applicable requirements in this Agreement.

Prior to O'Connor-Ohayon becoming an employee or contractor with another party related to the furnishing of items or services that may be reimbursed by Federal health care programs, O'Connor-Ohayon shall notify that party of this Agreement. This notification shall include a copy of the Agreement, a statement indicating the remaining term of the Agreement, and a summary of O'Connor-Ohayon's obligations under the Agreement. In addition, O'Connor-Ohayon shall notify OIG of such relationship in her next Annual Report.

V. REPORTS

A. Implementation Report

Within 120 days after the Effective Date, O'Connor-Ohayon shall submit a written report to OIG summarizing the status of its implementation of the requirements of this Agreement (Implementation Report). The Implementation Report shall, at a minimum, include:

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s) may examine or request copies of O'Connor-Ohayon's books, records, and other documents and supporting materials and/or conduct on-site reviews of any of O'Connor-Ohayon's locations for the purpose of verifying and evaluating: (a) O'Connor-Ohayon's compliance with the terms of this Agreement; and (b) O'Connor-Ohayon's compliance with the requirements of the Federal health care programs in which she participates. O'Connor-Ohayon shall assist OIG or its duly authorized representative(s) in contacting and arranging interviews with such individuals upon OIG's request. O'Connor-Ohayon's employees may elect to be interviewed with or without a representative of O'Connor-Ohayon present.

VIII. DOCUMENT AND RECORD RETENTION

IX. DISCLOSURES

Consistent with HHS's FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify O'Connor-Ohayon prior to any release by OIG of information submitted by O'Connor-Ohayon pursuant to its obligations under this Agreement and identified upon submission by O'Connor-Ohayon as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, O'Connor-Ohayon shall have the rights set forth at 45 C.F.R. § 5.65(d).

X. BREACH AND DEFAULT PROVISIONS

O'Connor-Ohayon is expected to fully and timely comply with all of its Agreement obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations

As a contractual remedy, O'Connor-Ohayon and OIG hereby agree that failure to comply with certain obligations set forth in this Agreement (unless a timely written request for an extension has been requested and approved in accordance with Section B below) may lead to the imposition of the following monetary penalties (hereinafter referred to as "Stipulated Penalties") in accordance with the following provisions.

1. A Stipulated Penalty of \$750 (which shall begin to accrue on the day after the date the obligation became due) for each day O'Connor-Ohayon fails to:
 - a. have a Compliance Contact in accordance with the requirements of Section III.A;
 - b. establish and/or post a notice in accordance with the requirements of Section III.B;
 - c. establish, implement, maintain, distribute, and/or update the written Policies and Procedures in accordance with the requirements of Section III.C;
 - d. establish and implement a training program in accordance with the requirements of Section III.D;

e. obtain a certification from the third party biller, send the third party biller certification to OIG in accordance with the requirements of Section III.I, or notify OIG within 30 days prior to O'Connor-Ohayon obtaining an ownership or control interest (as defined in 42 U.S.C. § 1320a-3(a)(3)) in, or becoming employed by, or becoming a consultant to, any third party billing company;

f. engage an IRO in accordance with the requirements of Section III.E.1.a and Appendix A;

g. submit the IRO's annual Claims Review Report, and any other required Review, in accordance with the requirements of Section III.E and Appendix B;

h. obtain and/or maintain the following documentation: Policies and Procedures certifications in accordance with the requirements of Section III.C, training certification(s) in accordance with the requirements of Section III.D, and/or documentation of screening and disclosure requirements in accordance with the requirements of Section III.F.2;

i. screen Screened Persons in accordance with the requirements of Section III.F; or require Screened Persons to disclose if they are debarred, excluded, suspended or are otherwise considered an Ineligible Person in accordance with the requirements of Section III.F; or

j. notify OIG of a Government investigation or legal proceeding, in accordance with the requirements of Section III.G.

2. A Stipulated Penalty of \$1,000 (which shall begin to accrue on the day after the date the obligation became due) for each day O'Connor-Ohayon fails to submit the Implementation Report or the Annual Reports to OIG in accordance with the requirements of Section V by the deadlines for submission.

3. A Stipulated Penalty of \$750 for each day O'Connor-Ohayon fails to grant access to the information or documentation as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date O'Connor-Ohayon fails to grant access.)

4. A Stipulated Penalty of \$5,000 for each false certification submitted by or on behalf of O'Connor-Ohayon as part of its Implementation Report, Annual Reports, additional documentation to a Report (as requested by OIG), or as otherwise required by this Agreement.

5. A Stipulated Penalty of \$750 for each day O'Connor-Ohayon fails to comply fully and adequately with any obligation of this Agreement. OIG shall provide notice (Notice) to O'Connor-Ohayon stating the specific grounds for its determination that O'Connor-Ohayon has failed to comply fully and adequately with the Agreement obligation(s) at issue and steps the O'Connor-Ohayon shall take to comply with the Agreement. (This Stipulated Penalty shall begin to accrue 10 days after the date O'Connor-Ohayon receives this Notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-4 of this Section.

B. Timely Written Requests for Extensions

O'Connor-Ohayon may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or Report required by this Agreement. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or Report, Stipulated Penalties for failure to perform the act or file the notification or Report shall not begin to accrue until one day after O'Connor-Ohayon fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or Report shall not begin to accrue until three business days after O'Connor-Ohayon receives OIG's written denial of such request or the original due date, whichever is later. A "timely written request" is defined as a request in writing received by OIG at least five business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties.

1. Demand Letter. Upon a finding that O'Connor-Ohayon has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify O'Connor-Ohayon of: (a) O'Connor-Ohayon's failure to comply; and (b) OIG's exercise of its contractual

right to demand payment of the Stipulated Penalties (this notification is referred to as the "Demand Letter").

2. Response to Demand Letter. Within 10 days of the receipt of the Demand Letter, O'Connor-Ohayon shall either: (a) cure the breach to OIG's satisfaction and pay the applicable Stipulated Penalties; or (b) send in writing to OIG a request for a hearing before an HHS administrative law judge (ALJ) to dispute OIG's determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event O'Connor-Ohayon elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until O'Connor-Ohayon cures, to OIG's satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this Agreement and shall be grounds for exclusion under Section X.D.

3. Form of Payment. Payment of the Stipulated Penalties shall be made by certified or cashier's check, payable to: "Secretary of the Department of Health and Human Services," and submitted to OIG at the address set forth in Section VI.

4. Independence from Material Breach Determination. Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG's decision that O'Connor-Ohayon has materially breached this Agreement, which decision shall be made at OIG's discretion and shall be governed by the provisions in Section X.D, below.

D. Exclusion for Material Breach of this Agreement

1. Definition of Material Breach. A material breach of this Agreement means:
 - a. a failure by O'Connor-Ohayon to report a Reportable Event, take corrective action and make the appropriate refunds, as required in Section III.H;
 - b. a repeated or flagrant violation of the obligations under this Agreement, including, but not limited to, the obligations addressed in Section X.A;
 - c. a failure to respond to a Demand Letter concerning the payment of

Stipulated Penalties in accordance with Section X.C; or

d. a failure to engage and use an IRO in accordance with Section III.E.

2. Notice of Material Breach and Intent to Exclude. The parties agree that a material breach of this Agreement by O'Connor-Ohayon constitutes an independent basis for O'Connor-Ohayon's exclusion from participation in the Federal health care programs. Upon a determination by OIG that O'Connor-Ohayon has materially breached this Agreement and that exclusion is the appropriate remedy, OIG shall notify O'Connor-Ohayon of: (a) O'Connor-Ohayon's material breach; and (b) OIG's intent to exercise its contractual right to impose exclusion (this notification is hereinafter referred to as the "Notice of Material Breach and Intent to Exclude").

3. Opportunity to Cure. O'Connor-Ohayon shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate to OIG's satisfaction that:

a. O'Connor-Ohayon is in compliance with the obligations of the Agreement cited by OIG as being the basis for the material breach;

b. the alleged material breach has been cured; or

c. the alleged material breach cannot be cured within the 30-day period, but that: (i) O'Connor-Ohayon has begun to take action to cure the material breach; (ii) O'Connor-Ohayon is pursuing such action with due diligence; and (iii) O'Connor-Ohayon has provided to OIG a reasonable timetable for curing the material breach.

4. Exclusion Letter. If at the conclusion of the 30-day period, O'Connor-Ohayon fails to satisfy the requirements of Section X.D.3, OIG may exclude O'Connor-Ohayon from participation in the Federal health care programs. OIG shall notify O'Connor-Ohayon in writing of its determination to exclude O'Connor-Ohayon (this letter shall be referred to hereinafter as the "Exclusion Letter"). Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of O'Connor-Ohayon's receipt of the Exclusion Letter. The exclusion shall have national effect and shall also apply to all other Federal procurement and nonprocurement programs. Reinstatement to program participation is not automatic. After the end of the

period of exclusion, O'Connor-Ohayon may apply for reinstatement, by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-3004.

E. Dispute Resolution

1. Review Rights. Upon OIG's delivery to O'Connor-Ohayon of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this Agreement, O'Connor-Ohayon shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this Agreement. Specifically, OIG's determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after the receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter.

2. Stipulated Penalties Review. Notwithstanding any provision of Title 42 of the United States Code or Chapter 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this Agreement shall be: (a) whether O'Connor-Ohayon was in full and timely compliance with the obligations of this Agreement for which OIG demands payment; and (b) the period of noncompliance. O'Connor-Ohayon shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this Agreement and orders O'Connor-Ohayon to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless O'Connor-Ohayon requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. Exclusion Review. Notwithstanding any provision of Title 42 of the United

States Code or Chapter 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this Agreement shall be:

- a. whether O'Connor-Ohayon was in material breach of this Agreement;
- b. whether such breach was continuing on the date of the Exclusion Letter; and
- c. whether the alleged material breach could not have been cured within the 30 day period, but that: (i) O'Connor-Ohayon had begun to take action to cure the material breach within that period; (ii) O'Connor-Ohayon has pursued and is pursuing such action with due diligence; and (iii) O'Connor-Ohayon provided to OIG within that period a reasonable timetable for curing the material breach and O'Connor-Ohayon has followed the timetable.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for O'Connor-Ohayon, only after a DAB decision in favor of OIG. O'Connor-Ohayon's election of its contractual right to appeal to the DAB shall not abrogate OIG's authority to exclude O'Connor-Ohayon upon the issuance of an ALJ's decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that O'Connor-Ohayon may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. O'Connor-Ohayon shall waive her right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of O'Connor-Ohayon, O'Connor-Ohayon shall be reinstated effective on the date of the original exclusion.

4. Finality of Decision. The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this Agreement agree that the DAB's decision (or the ALJ's decision if not appealed) shall be considered final for all purposes under this Agreement.

XI. EFFECTIVE AND BINDING AGREEMENT

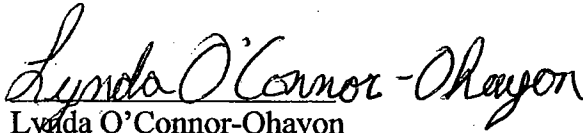

Consistent with the provisions in the Settlement Agreement pursuant to which this Agreement is entered, and into which this Agreement is incorporated, O'Connor-Ohayon and OIG agree as follows:

- A. This Agreement shall be binding on the successors, assigns, and transferees of O'Connor-Ohayon.
- B. This Agreement shall become final and binding on the date the final signature is obtained on the Agreement.
- C. Any modifications to this Agreement shall be made with the prior written consent of the parties to this Agreement.
- D. OIG may agree to a suspension of O'Connor-Ohayon's obligations under this Agreement in the event of O'Connor-Ohayon's cessation of participation in Federal health care programs. If O'Connor-Ohayon withdraws from participation in Federal health care programs and is relieved of her Agreement obligations by OIG, O'Connor-Ohayon shall notify OIG 30 days in advance of O'Connor-Ohayon's intent to reapply as a participating provider or supplier with any Federal health care program. Upon receipt of such notification, OIG shall evaluate whether the Agreement shall be reactivated or modified.
- E. All requirements and remedies set forth in this Agreement are in addition to, and do not effect, (1) O'Connor-Ohayon's responsibility to follow all applicable Federal health care program requirements or (2) the Government's right to impose appropriate remedies for failure to follow applicable program requirements.
- F. The undersigned O'Connor-Ohayon signatory represents and warrants that she is authorized to execute this Agreement. The undersigned OIG signatory represents that she is signing this Agreement in her official capacity and that she is authorized to execute this Agreement.

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.E of the CIA.

A. IRO Engagement.

Lynda O'Connor-Ohayon (O'Connor-Ohayon) shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives written notice of the identity of the selected IRO, OIG will notify O'Connor-Ohayon if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, O'Connor-Ohayon may continue to engage the IRO.

If O'Connor-Ohayon engages a new IRO during the term of the CIA, that IRO shall also meet the requirements of this Appendix. If a new IRO is engaged, O'Connor-Ohayon shall submit the information identified in Sections V.A.5 and V.A.6 to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives written notice of the identity of the selected IRO, OIG will notify O'Connor-Ohayon if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, O'Connor-Ohayon may continue to engage the IRO.

B. IRO Qualifications.

The IRO shall:

1. assign individuals to conduct the Claims Review, and Unallowable Cost Review, if applicable, engagement who have expertise in the billing, coding, reporting, and other requirements of the areas of psychiatry and psychology and in the general requirements of the Federal health care program(s) from which O'Connor-Ohayon seeks reimbursement;
2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;
3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification (e.g., CCA, CCS, CCS-P, CPC, RRA, etc.) and who have maintained this certification (e.g., completed applicable continuing education requirements); and

4. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities.

The IRO shall:

1. perform each Claims Review and Unallowable Cost Review, if applicable, in accordance with the specific requirements of the CIA;

2. follow all applicable Medicare and Medicaid rules and reimbursement guidelines in making assessments in the Claims Review;

3. if in doubt of the application of a particular Medicare or Medicaid policy or regulation, request clarification from the appropriate authority (e.g., fiscal intermediary or carrier);

4. respond to all OIG inquiries in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B.

D. IRO Independence and Objectivity.

The IRO must perform the Claims Review in a professionally independent and objective fashion, as appropriate to the nature of the engagement, taking into account any other business relationships or engagements that may exist between the IRO and O'Connor-Ohayon.

E. IRO Removal/Termination.

1. *Provider.* If O'Connor-Ohayon terminates its IRO during the course of the engagement, O'Connor-Ohayon must submit a notice explaining its reasons to OIG no later than 30 days after termination. O'Connor-Ohayon must engage a new IRO in accordance with Paragraph A of this Appendix.

2. *OIG Removal of IRO.* In the event OIG has reason to believe that the IRO does not possess the qualifications described in Paragraph B, is not independent and/or objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG may, at its sole discretion, require O'Connor-Ohayon to engage a new IRO in accordance with Paragraph A of this Appendix.

Prior to requiring O'Connor-Ohayon to engage a new IRO, OIG shall notify O'Connor-Ohayon of its intent to do so and provide a written explanation of why OIG believes such a step is necessary. To resolve any concerns raised by OIG, O'Connor-Ohayon may request a meeting with OIG to discuss any aspect of the IRO's qualifications, independence or performance of its responsibilities and to present additional information regarding these matters. O'Connor-Ohayon shall provide any additional information as may be requested by OIG under this Paragraph in an expedited manner. OIG will attempt in good faith to resolve any differences regarding the IRO with O'Connor-Ohayon prior to requiring O'Connor-Ohayon to terminate the IRO. However, the final determination as to whether or not to require O'Connor-Ohayon to engage a new IRO shall be made at the sole discretion of OIG.

APPENDIX B CLAIMS REVIEW

For the remaining Reporting Periods, the Population shall be defined as all Items for which O'Connor-Ohayon has received reimbursement from Medicare or Medicaid (i.e., Paid Claim) during the 12-month period covered by the Claims Review.

To be included in the Population, an Item must have resulted in at least one Paid Claim.

e. Error Rate: The Error Rate shall be the percentage of net Overpayments identified in the sample. The net Overpayments shall be calculated by subtracting all underpayments identified in the sample from all gross Overpayments identified in the sample. (Note: Any potential cost settlements or other supplemental payments should not be included in the net Overpayment calculation. Rather, only underpayments identified as part of the Discovery Sample shall be included as part of the net Overpayment calculation.)

The Error Rate is calculated by dividing the net Overpayment identified in the sample by the total dollar amount associated with the Items in the sample.

2. *Other Requirements.*

a. Paid Claims without Supporting Documentation. For the purpose of appraising Items included in the Claims Review, any Paid Claim for which O'Connor-Ohayon cannot produce documentation sufficient to support the Paid Claim shall be considered an error and the total reimbursement received by O'Connor-Ohayon for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

b. Replacement Sampling. Considering the Population shall consist only of Paid Claims and that Items with missing documentation cannot be replaced, there is no need to utilize alternate or replacement sampling units.

c. Use of First Samples Drawn. For the purposes of all samples (Discovery Sample(s) and Full Sample(s)) discussed in this Appendix, the Paid Claims associated with the Items selected in each first sample (or first sample for each strata, if applicable) shall be used (*i.e.*, it is not permissible to generate more than one list of random samples and then select one for use with the Discovery Sample or Full Sample).

B. Claims Review Report. The following information shall be included in the Claims Review Report for each Discovery Sample and Full Sample (if applicable).

1. *Claims Review Methodology.*

a. Sampling Unit. A description of the Item as that term is utilized for the Claims Review.

b. Claims Review Population. A description of the Population subject to the Claims Review.

c. Claims Review Objective. A clear statement of the objective intended to be achieved by the Claims Review.

d. Sampling Frame. A description of the sampling frame, which is the totality of Items from which the Discovery Sample and, if any, Full Sample has been selected and an explanation of the methodology used to identify

the sampling frame. In most circumstances, the sampling frame will be identical to the Population.

e. Source of Data. A description of the specific documentation relied upon by the IRO when performing the Claims Review (e.g., medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).

f. Review Protocol. A narrative description of how the Claims Review was conducted and what was evaluated.

2. *Statistical Sampling Documentation.*

a. The number of Items appraised in the Discovery Sample and, if applicable, in the Full Sample.

b. A copy of the printout of the random numbers generated by the "Random Numbers" function of the statistical sampling software used by the IRO.

c. A copy of the statistical software printout(s) estimating how many Items are to be included in the Full Sample, if applicable.

d. A description or identification of the statistical sampling software package used to select the sample and determine the Full Sample size, if applicable.

3. *Claims Review Findings.*

a. Narrative Results.

i. A description of O'Connor-Ohayon's billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.

ii. A narrative explanation of the IRO's findings and supporting rationale (including reasons for errors, patterns noted, etc.) regarding the Claims Review, including the results of the Discovery Sample, and the results of the Full Sample (if any).

b. Quantitative Results.

- i. Total number and percentage of instances in which the IRO determined that the Paid Claims submitted by O'Connor-Ohayon (Claim Submitted) differed from what should have been the correct claim (Correct Claim), regardless of the effect on the payment.
- ii. Total number and percentage of instances in which the Claim Submitted differed from the Correct Claim and in which such difference resulted in an Overpayment to O'Connor-Ohayon.
- iii. Total dollar amount of all Overpayments in the sample.
- iv. Total dollar amount of paid Items included in the sample and the net Overpayment associated with the sample.
- v. Error Rate in the sample.
- vi. A spreadsheet of the Claims Review results that includes the following information for each Paid Claim appraised: Federal health care program billed, beneficiary health insurance claim number, date of service, procedure code submitted, procedure code reimbursed, allowed amount reimbursed by payor, correct procedure code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount. (See Attachment 1 to this Appendix.)

4. *Systems Review.* Observations, findings, and recommendations on possible improvements to the system(s) and process(es) that generated the Overpayment(s).

5. *Credentials.* The names and credentials of the individuals who: (1) designed the statistical sampling procedures and the review methodology utilized for the Claims Review; and (2) performed the Claims Review.
