

Chapter 2

EPA Intended Nonattainment Counties Listed by EPA Region

Key:

Region - EPA Regional Office number

County - The name of the county

EPA - EPA intended designation, P for partial county, W for whole county

State - State nonattainment recommendation, P for partial county, W for whole county

DV2002 - The design value for the county based on 2000-2002 data

Totals - EPA Total equals count of EPA-intended counties for nonattainment. State total is the count of those EPA-intended nonattainment counties also recommended by the state for nonattainment.

* - In violation of the standard with preliminary 2001-2003 data

** - Attaining the standard with preliminary 2001-2003 data
