RAMBUS INCORPORATED,

a corporation.

Docket No. 9302

**UNOPPOSED MOTION FOR EXTENSION OF TIME
TO MOVE TO QUASH OR LIMIT SUBPOENA OR OTHERWISE RESPOND**

Non-party Skjerven Morrill LLP ("Skjerven") files this motion for a brief extension of time for Skjerven to file a motion to quash, limit, or otherwise respond to, Rambus Incorporated's ("Rambus") Subpoena Duces Tecum which was issued on October 8, 2002.

Rambus served Skjerven with the subpoena on November 7, 2002. Under the applicable procedures, the original time to file a motion to limit the Subpoena was November 17, 2002. Documents were originally due under the subpoena on November 21, 2002. Skjerven filed a sixth unopposed motion requesting an extension of time to file a motion to quash or limit the Subpoena to January 28, 2003, and to extend the time to object or produce to January 30, 2003.

Counsel for Rambus and Skjerven are continuing to negotiate in an attempt to resolve Skjerven's concerns regarding the scope and burden of the Subpoena, and Skjerven has begun producing responsive documents. While Rambus and Skjerven have made significant progress, due to the complexity of the issues and the scope of the Subpoena, Skjerven and Rambus have not completed their negotiations.

Skjerven and Rambus have agreed to a further extension of time to file a motion to quash or limit the Subpoena to February 11, 2003, and have agreed to extend the time to

object or produce to February 13, 2003. The extension is not sought for delay, but only to allow for the possible resolution of certain issues relating to Skjerven's obligation under the Subpoena.

Counsel for the Federal Trade Commission does not oppose this extension.

Accordingly, Skjerven requests that this motion be granted and that it be given until February 11, 2003 to file a motion to quash or limit the Subpoena, and that it be given until February 13, 2003 to object or produce documents responsive to the Subpoena.

DATED: January 27, 2003.

Respectfully Submitted,
