RAMBUS INCORPORATED,

Docket No. 9302

**COMPLAINT COUNSEL'S MOTION FOR LEAVE TO FILE  
REPLY IN SUPPORT OF MOTION TO COMPEL DISCOVERY RELATING TO  
RAMBUS'S DOCUMENT DESTRUCTION**

On January 31, 2003, Complaint Counsel filed in this matter a Motion to Compel Discovery Relating to Rambus's Document Destruction. Complaint Counsel now requests leave to file a brief reply commenting upon Rambus's opposition memorandum, which was filed on February 7, 2003. In its opposition memorandum, Rambus makes a number of highly misleading and inaccurate assertions that Complaint Counsel would like to correct. Furthermore, Complaint Counsel believes that the reply memorandum will help simplify the ruling on this important motion.

Accordingly, Complaint Counsel requests that this motion be granted, and that Your Honor enter the proposed order submitted herewith.

Respectfully submitted,

---
