Docket No. 9318

RESPONDENTS' UNOPPOSED MOTION FOR EXTENSION OF TIME

Respondents Basic Research, LLC; A.G. Waterhouse, LLC; Klein-Becker USA, LLC; Nutrasport, LLC; Sovage Dermalogic Laboratories, LLC; and Ban LLC (hereinafter the "Corporate Respondents") with the consent of Complaint Counsel respectfully request a modification of the Second Revised Scheduling Order (as modified by this Court's September 12, 2005 order) for the purpose of extending a date. The Corporate Respondents respectfully request that the exchange of proposed stipulations of fact, law and authenticity and the exchange of deposition designations scheduled for September 30, 2005 be moved to Friday, October 14, 2005. All other dates in the Second Revised Scheduling Order remain unaffected by this consent motion.

In accordance with 16 C.F.R. §§ 3.22 and 4.3(b) the Corporate Respondents state the following in support of this joint motion.

- 1. Corporate Respondents' newly retained counsel visited the Miami, Florida office of former counsel Feldman & Gale on Tuesday, September 13, 2005 to cause transfer of the case files in this matter.
- 2. There are ten book shelves, three large file cabinets and several boxes that comprise the case files. Feldman & Gale's staff stated that it would require two to four days to pack the materials and several more days for couriers to ship the documents from their Miami, Florida office to Corporate Respondents' counsel's office in Reston, Virginia.
- 3. To expedite shipment, the material will be sent by two day air for earliest delivery Monday, September 19, 2005 although potential delays in getting the materials necessary for packing and preparing the shipment may cause the shipment to arrive Wednesday, September 21, 2005. Once received, the documents must be removed from the boxes, shelved, and filed. That process is estimated to take one to two days. Thereafter, counsel will review the file contents which will likely take one week.
- 4. Due to that delay, an additional two weeks is essential for new counsel to prepare stipulations of fact, law, and authenticity and to exchange deposition designations.
- 5. In the interests of equity the Corporate Respondents request that the two week deadline change be applied to all parties in the action.
- 6. The two week extension in the exchange of proposed stipulations of fact, law and authenticity and the exchange of deposition designations affects no other date in

the Second Revised Scheduling order as amended by this Court's September 12, 2005 order.

7. The proposed extension of that date does not affect the hearing date scheduled for March 7, 2006.

Pursuant to 16 C.F.R. § 4.3(b), the Administrative Law Judge may, for good cause shown, extend any time limit prescribed or allowed by the rules of Chapter 16 or by order of the Commission or the Administrative Law Judge (with few exceptions that are inapplicable here). Accordingly, the undersigned counsel, on behalf of all Corporate Respondents, respectfully request that the deadline for exchange of proposed stipulations of fact, law and authenticity and deposition designations in the Second Revised Scheduling Order (amended by the September 12, 2005 Order) be extended for all parties as described above. A proposed order is attached.

Respectfully submitted,

By: \
