

Activity One Worksheet I

Student Name _____ Date _____

The following lines appear in William Wordsworth's poem, [*The Daffodils*](#). Read the poem in its entirety, and then answer the questions that follow about the simile contained in these lines.

*I wandered lonely as a cloud
That floats on high o'er vales and hills*

What is this simile referring to within the context of the poem?

How is this description different from saying simply that I wandered alone?

How is this description different from saying that the persona was lonely?

What makes this an effective simile and why?
