Wood Burning Appliances Bylaws in Ontario

Wood Stove Bylaws in Ontario

Open Burning Bylaws in Ontario

2007/08 Ontario Municipal Bylaw Inventory (cont'd)

- 27 municipalities have banned the use of OWBs
- Challenges
 - *Enforcement of by-laws, Funding to support by-law, Lack of public awareness of health concerns from emissions*
- Next steps:
 - *Review results of study and develop potential projects to better define the areas where by-law awareness is lacking*
 - *Develop website for municipalities to update information on wood burning and open burning bylaws*

Planned work for 2008/09

- Combining other toxic emitters, such as Household waste burning and Burn Barrels, with the woodburning promotion of the Model Municipal By-law
- Considering Model Municipal By-law document update to reflect other types of appliances or units
- Possible work with Toronto Public Health

Planned work for 2008/09 (cont'd)

- Potential project to measure emissions from certified and high efficiency wood burning appliances (i.e., EPA/CSA woodstove, pellet stove, etc.)
