Mandalay National Wildlife Refuge

Lottery Waterfowl Hunt APPLICATION 2008-2009

We occasionally have permitted hunters cancel their scheduled hunts due to various reasons. We ask all hunters to be courteous and notify refuge staff at least 2 days in advance if the permitted hunter will not be able to make the scheduled hunt. This is to allow the refuge staff ample time to find a replacement. We strive to attain the maximum usage of our waterfowl lottery blinds by the public. If you would like to be put on the Alternate List, please list your name and daytime and evening phone numbers and send this form in with the above application.

Alternate List:

Name: _____

Daytime phone: _____

Evening phone: _____

****Youth hunts are given preference in the lottery drawing. The adult accompanying the youth hunter(s) is also allowed to hunt (except on State Youth Days), however priority should be to allow the youth(s) to fill bag limits first.**

**** Please make sure that the photocopy of your Hunter Education card(s) can be clearly read. If it can not be read, we will request that you send another copy. If a clear legible copy is not received before October 15, 2008 with your application, the application will be considered incomplete and you will not be eligible for the lottery drawing. If possible, scan the Hunter Education card and email it to one of the above email addresses.**
