

## **Senior Leadership Career Opportunity in Advanced Research**

The Federal Highway Administration (FHWA) is looking for a dynamic senior-level Program Manager for the Exploratory Advanced Research Program. The individual should be a visionary, capable of moving within the senior ranks of the research and leadership community, yet also have extensive experience and comfort with highly technical colleagues. The Program Manager will be capable of wearing many hats—from formulating a vision for the program to providing leadership, alliance and partnership development, overall coordination, and facilitation to realize that vision. The ideal candidate will be technically deep, and have the ability to integrate, innovate, and readily accept new ideas proposed by others.

The Program Manager also must have the managerial expertise and communications savvy to work with, motivate, and lead a diverse and distributed advanced research program comprised of multiple teams.

If this two-year term appointment interests you, go to <http://jobsearch.dot.gov/getjob.asp?JobID=58714566> for the vacancy announcement. The application deadline is Friday, July 20, 2007. Do you know someone who might be interested? Feel free to forward this email.
