RE: Dietary Supplement Statement of Support Notification

To: Whom It May Concern:

Nutritional Specialties, Inc., 1456 E. Katella Ave. Anaheim, CA 92805, the distributor of the following dietary supplement products, intends to make the following statement of support: "Tonalin® Conjugated Linoleic Acid (CLA) is a fatty acid derived from safflower oil. This patented product assists in reducing body fat in both men and women and increasing muscle density when combined with diet and exercise."

This claim is being made for Conjugated Linoleic Acid (CLA) Which is contained in LifeTime® Diet Tonalin CLA Softgels. This submission in being made in compliance with the requirements of 21 CFR 101.93.

The undersigned is an authorized representative of Nutritional Specialties, Inc. and certifies that the information contained in this notice is complete and accurate, and that Nutritional Specialties, Inc. has substantiation that the above statement is truthful and not misleading.
