RE: Notification of Nutritional Support Statements

Dear Sir or Ma'am:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of NutraDrops™ Kava a dietary supplement. Source Naturals® is the manufacturer of NutraDrops Kava.

Statements being made in the labeling of NutraDrops Kava :

- (1) For centuries, South Pacific Islanders have relied upon the root of the kava plant for physical as well as mental relaxation.
- (2) The power of kava comes from the kavalactones, the active compounds identified by researchers.
- (3) Source Naturals uses the world's premier quality kava derived only from the mature roots of kava varieties selected and tested for their ability to produce the relaxed tranquil feeling that is the hallmark of the finest kava.
- (4) This potent kava is harvested on remote South Pacific islands, where it's been naturally grown for generations.

To the best of my knowledge and belief, and based upon information available at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.
