Re: Docket No. 03N-0168; 68 Federal Register 33724; Request to speak at Public Meeting on Current Status of Useful Written Prescription Drug Information;

Dear Ms. Bechtel:

PhRMA requests to the opportunity to present at the July 31 meeting as announced in the June 5 Federal Register. At this point it is unclear whether I will be doing the PhRMA presentation but go ahead and use my name for planning purposes. Our workgroup on this topic will be meeting to assist in the preparation of our comments.

Don't hesitate to call me if there are any questions regarding this request.

Sincerely,
