Re: 21 U.S.C. Section 343(r)(6), Notification of Statements on Dietary Supplements

Dear Sir/Madam:

I hereby notify the Food and Drug Administration ("FDA") of the use of statements of nutritional support in the labeling of Joint Venture, a joint support supplement.

Statements being made in the labeling of Joint Venture

- (1) Joint Venture is an organic kosher herbal supplement designed to support healthy joint structure and function. Feverfew and Devil's Claw Root are herbs that have been used for centuries by many different cultures. Essential nutrients like Vitamins D & E support healthy bone structure and provide antioxidant support, respectively.

To the best of my knowledge, and based upon information and belief present at the time of the executing of this notice, I certify that the above information is accurate and complete. NOW Foods possesses substantiation that the statements are truthful and not misleading.
