Re: Structure/Function Label Claim

This letter is to notify the Food and Drug Administration that within the past 30 days our company has begun to market BioPectin® Dietary Supplement with the following statement of nutritional support included on the label and in labeling for the product:

BioPectin® is an herbal formula, which has the following statements: **BioPectin® works like a natural biochemical signal, activating the life process of white blood cells. This may be particularly helpful for stimulating the immune system.* Supports the Immune System***

The dietary ingredients of the product that is the subject of the above statements are: **Modified Citrus Pectin in a base of dicalcium phosphate, microcrystalline cellulose, silicon dioxide and magnesium stearate.**

It is hereby certified that the information in this notification is complete and accurate, and that our company has substantiation that the above statement(s) is truthful and not misleading.

Very truly yours,

Flora Inc.
