Re: Structure/Function Label Claim

This letter is to notify the Food and Drug Administration that within the past 30 days our company has begun to market Pro-Essence® Dietary Supplement, with the following statement of nutritional support included on the label and in labeling for the product:

Flora's Pro-Essence® is an herbal formula which has the following statements: **Promotes a Healthy Prostate & Urinary Tract* These five herbs help to support and maintain the healthy functioning of the prostate.* They also help detoxify and cleanse the urinary tract in a mild but continuing manner.***

The dietary ingredients of the product that is the subject of the above statements are: **Prickly ash bark, Juniper berry, Burdock root, Slippery elm bark and Bearberry leaves.**

It is hereby certified that the information in this notification is complete and accurate, and that our company has substantiation that the above statement(s) is truthful and not misleading.

Very truly yours,

Flora Inc.
