Re: Notification of Product Claims

Dear Dr. Yetley:

This letter serves as notification of the nutrition support labeling statements being made by our company in connection with our line of dietary nutritional supplements. A list of the products and their respective nutritional support statements and ingredients are listed in the attached Exhibit "A".

Herbsforever certifies that the information contained in this notice is complete and accurate, and the company maintains documentation to substantiate that its product claims are truthful and not misleading.

If you have any questions, please feel free to contact me and I will do my best to answer your questions.
