This notification is being filed on behalf of Indiana Botanic Gardens, Inc., which is the distributor of the product which bears the statements in this notification. Its business address is: 3401 West 37th Avenue, Hobart, IN 46342. This notification is being made pursuant to Section 6 of the DSHEA and Rule 21 CFR § 101.93. The dietary supplement product on whose labeling the statements appear is Cranplus™ Tablets.

The text of each structure-function statement for Cranplus™ Tablets for which notification is now being given is:

- (statement 1): Contains Cranberry that helps restore normal pH balance.
- (statement 2): Contains Potassium to replace potassium levels lost during elimination.
- (statement 3): Contains Buchu which provides gentle, effective water balance in the body.
- (statement 4): Contains Juniper Berry that acts to stimulate increased kidney filtration and output.
- (statement 5): Contains Parsley Leaf that helps flush excess water from the body.
- (statement 6): Contains Uva Ursi that soothes, tones and strengthens the urinary system.
- (statement 7): Cranplus™ contains a mixture of natural herbal extracts that are known for their ability to work together to maintain urinary tract health.
- (statement 8): A potent formula that helps kidney function while cleansing the urinary system of toxins and bacteria levels.
