To The Officers and workers of The U.S. Food and Drug
Administration.

Greetings.

I am writing today to urge you to grant
petition # 98P-0151/CP1 to ban the slaughter of
"downed" animals.

I feel that innocent animals who are ill or
injured - even factory farm animals, deserve caring
compassion and veterinary treatment, not further
cruelty or injury or neglect.

I am also a U.S. citizen (by dual citizenship),
so I feel you may consider this a domestic
as well as an international petition.

Sincerely,

Robert E. L. Monaghan, P.W.S.D.
