RE: Label Claims/Disclaimers

Dear Sir/Madam:

This letter is to notify you that Enzymatic Therapy, Inc. at 825 Challenger Drive, Green Bay, Wisconsin 54311 is a manufacturer and has included statements provided for by section 403(r)(6) of the Food, Drug, and Cosmetic Act on the labels of the following product.

<u>COMPANY</u>	<u>PRODUCT NAME</u>	<u>DIETARY INGREDIENTS</u>	<u>STATEMENTS</u>
Enzymatic Therapy, Inc.	Vitaline® CoQ10	Vitamin E, Coenzyme Q10	To produce energy, CoQ10 must cross cell membranes and raise mitochondrial levels of CoQ10. That's critical to cardiovascular health because each heart cell has up to 2,000 mitochondria-the highest concentration found anywhere in the body-and therefore has higher energy needs.*

I certify that the information contained in this notice is complete and accurate and that Enzymatic Therapy, Inc. has substantiation that the statements are truthful and not misleading.
