Re: 21 U.S.C. Section 343(r)(6), Notification of Statements on Dietary Supplements

Dear Sir/Madam:

I hereby notify the Food and Drug Administration ("FDA") of the use of statements of nutritional support in the labeling of Hay Leaf, an herbal support supplement.

Statements being made in the labeling of Hay Leaf

- (1) Hay Leaf is a kosher herbal supplement specifically formulated with Feverfew and Nettle, popular herbs that have been used by many different cultures for centuries, and Vitamin C, a natural antioxidant that supports healthy immune system function.

To the best of my knowledge, and based upon information and belief present at the time of the executing of this notice, I certify that the above information is accurate and complete. NOW Foods possesses substantiation that the statements are truthful and not misleading.
