Re: 21 U.S.C. Section 343(r)(6), Notification of Statements on Dietary Supplements

Dear Sir/Madam:

I hereby notify the Food and Drug Administration ("FDA") of the use of statements of nutritional support in the labeling of Regu-Lax, a dietary supplement.

Statements being made in the labeling of Regu-Lax

- (1) Regu-Lax is an organic kosher herbal supplement formulated to support healthy digestive function. We've included Citrus Pectin as a gentle dietary fiber and Aloe Vera for its soothing properties. Papain and Bromelain are plant-derived enzymes that support your body's digestion of protein. Together these nutrients form a natural laxative for the relief of occasional constipation.

To the best of my knowledge, and based upon information and belief present at the time of the executing of this notice, I certify that the above information is accurate and complete. NOW Foods possesses substantiation that the statements are truthful and not misleading.
