Re: Structure/Function Label Claim

This letter is to notify the Food and Drug Administration that within the past 30 days our company has begun to market Bilberry Extract Dietary Supplement, with the following statements of nutritional support included on the label and in labeling for the product:

Anthocyanidins are potent antioxidants that help support a healthy circulatory system, and maintain cell integrity. Bilberry is commonly used to reduce the effects of occasional eyestrain.

The dietary ingredients of the product that are the subject of the above statement are **Bilberry Fruit Extract 250 mg. and Blueberry powder 100 mg.**

It is hereby certified that the information in this notification is complete and accurate, and that our company has substantiation that the above statement(s) is truthful and not misleading.

Very truly yours,

Flora Inc.
