Re: Structure/Function Label Claim

This letter is to notify the Food and Drug Administration that within the past 30 days our company has begun to market **St. John's Wort Extract** Dietary Supplement with the following statement of nutritional support included on the label and in labeling for the product.

St. John's Wort has been used traditionally to help soothe and relax during times of stress. Gently calms and relaxes.

The dietary ingredient of the product that is the subject of the above statement is **St. John's Wort Oil Extract 430 mg.**

It is hereby certified that the information in this notification is complete and accurate, and that our company has substantiation that the above statement(s) is truthful and not misleading.

Very truly yours,

Flora Inc.
