To the Food and Drug Administration:

Re: Notification of Structure/Function Claims for a Dietary Supplement

Pursuant to section 403(r)(6) for the Federal Food, Drug, and Cosmetic Act (FDC Act), 21.U.S.C. § 343 (r)(6), TMG Industries hereby notifies the Food and Drug Administration that it has included the following statements on the label and/or in the labeling of a dietary ingredient that it manufactures and markets as a dietary supplement product.

The following information is provided:

1. The name and address of the manufacturer and distributor of the dietary supplement is as follows: TMG Industries, 8000 Camp Brosend Road, Newburgh, IN. 47630.
2. The text of the statements being made is as follows:

“For mild memory problems associated with aging.”

“Helps mild memory problems associated with aging.”

“Benefits mild memory problems associated with ageing.”

The dietary ingredient that is the subject of the statements is soy-refined lecithin.

The name of the dietary supplement on whose label, or in whose labeling, the statements appear is Y's Choice Memory Chews™.

Pursuant to FDA regulations concerning “notification procedures for certain types of statements on dietary supplement,” C.F.R. § 101.93, I certify that, to the best of my

97S 0162 LET 10160

knowledge and in my opinion, the information contained in this notice is complete and accurate, and that TMG Industries has substantiation that the statements are truthful and not misleading.

Please contact us if you should have any questions regarding the above information.

Sincerely,

A handwritten signature in cursive script that reads "Matthew Densley". The signature is written in black ink and has a fluid, connected style.
