Dear Sir/Madam:

I have enclosed notification forms that are intended to comply with Section 6 of the Dietary Supplement Health and Education Act of 1994 and Rule 21 C.F.R. §101.93. One dietary supplement called Level 90™ is discussed. I have listed the structure-function statements found on the product label and associated support literature, and have identified the product ingredients that are the subject of the statements.

Thank you.

Sincerely,

*James L. Wilmer*  
James L. Wilmer, Ph. D.

Enclosures: 1 original and 2 copies

97S 0162 LET 11568 83862

**NOTIFICATION PURSUANT TO  
SECTION 6 OF DSHEA  
AND RULE 21 CFR §101.93**

This notification is being filed on behalf of **Market America, Inc.** which is the **distributor** of the product bearing the statements identified in this notification. Its business address is **1302 Pleasant Ridge Road, Greensboro, NC 27409**. This notification is being made pursuant to Section 6 of DSHEA and Rule 21 CFR §101.93. The dietary supplement product on whose label or labeling the statements appear is **Level 90™**.

The text of each structure-function statement for which notification is now being given is:

**Statement 1:** "Level 90™ Blood Sugar Stabilizer is a unique combination of vitamins, minerals, amino acids, a sugar blocker, and a coenzyme that all work together to support sugar metabolism. It helps promote a healthy glucose tolerance level that can help boost the calorie-burning process, resulting in fewer sugars being converted to – and stored as – fat. Level 90 is a unique formula of proven, and active ingredients which have been shown to have a positive effect on maintaining stable blood glucose levels."—Brochure

**Statement 2:** "Blood Sugar Stabilizer" –Bottle Label

The following summary identifies the dietary ingredients or supplements for which a statement has been made:

<b>Statement Number(s)</b>	<b>Identity of Dietary Ingredient or Supplement That Is the Subject of the Statement</b>
----------------------------	--

1.-2.	Level 90™ is composed of the following ingredients: niacin, niacinamide, magnesium oxide, chromium, vitamin B <sub>12</sub> , glucomannan, L-glutamic acid, L-carnitine, coenzyme Q <sub>10</sub> , vanadium; other ingredients include: microcrystalline cellulose, stearic acid, magnesium sulfate, silicon dioxide, croscarmellose sodium, and dicalcium phosphate.
-------	--

The following identifies the brand name of each supplement for which a statement is made:

<u>Statement Number(s)</u>	<u>Brand Name</u>	<u>Label or Labeling</u>
1.	Level 90™	Brochure
2.	Level 90™	Bottle label

I, James L. Wilmer, am authorized to certify this Notification on behalf of Market America, Inc. I certify that the information presented and contained in this Notification is complete and accurate, and that Market America, Inc. has substantiation that each structure-function statement is truthful and not misleading.

Date Signed: February 18, 2003
