Dear Sir or Madam:

I received the enclosed letter from Dr. Kan Wang on January 7, 2003. The letter contains comments pertaining to Docket No. 02D-0324, "Guidance for Industry: Drugs, Biologics, and Medical Devices Derived From Bioengineered Plants for Use in Humans and Animals."

Because you are the designated recipient of comments, as specified in the *Federal Register*, I am forwarding this on to you for inclusion with other received documents. I have been informed that the comment period has been extended through February 7, 2003, so that this letter will not be considered late.

Thank you for your assistance.
