**Re: SECTION 403(r)(6) NOTIFICATION**

Dear Sir or Madam:

In accordance with the requirements of section 403(r)(6) of the Federal Food, Drug and Cosmetic Act, Melaleuca, Inc., notifies FDA that it has begun using the following statement:

- This advanced formula also includes an exclusive blend of bromelain, ginger, and green tea extract to actually help improve glucosamine uptake and combat the damaging effect of free radicals.

This statement contains the statutory disclaimer. The name of the dietary supplement is Replenex®, and the relevant dietary ingredients are glucosamine HCL, ginger root extract, green tea extract, and bromelain.

I certify that the foregoing is complete and accurate, and that Melaleuca, Inc., has substantiation that the statement is truthful and not misleading.

Very truly yours,

Melaleuca, Inc.
