Re: Structure/Function Label Claim

This letter is to notify the Food and Drug Administration that within the past 30 days our company has begun to market Flora's Bio Pectin Dietary Supplement, with the following statement(s) of nutritional support included on the label and in labeling for the product:

1. ... a unique combination of specific modified citrus pectins that activate the cells biologically, i.e. activate enzymes within cells.
2. ... strengthen the immune system and protect cell integrity.
3. Powerful immune support.

The dietary ingredients of the product that are the subject of the above statements are:
Modified Citrus Pectin

It is hereby certified that the information in this notification is complete and accurate, and that our company has substantiation that the above statements are truthful and not misleading.

Very truly yours,

Flora, Inc.
