Re: Structure/Function Label Claim

This letter is to notify the Food and Drug Administration that within the past 30 days our company has begun to market Hawthorn with Hibiscus & Passion Flowers Dietary Supplement, with the following statement(s) of nutritional support included on the label and in labeling for the product:

1. Herbs for a healthy heart.
2. Hawthorn and hibiscus are valued for helping to maintain good cardiovascular function, strengthening the cardiac muscle and supporting a healthy circulatory system.
3. Passion flower can help gently soothe away simple nervous tension and bring relief from occasional sleeplessness.

The dietary ingredients of the product that are the subject of the above statement are:
Hawthorn berry extract, hawthorn blossom and leaves, passion flower, hibiscus flower.

It is hereby certified that the information in this notification is complete and accurate, and that our company has substantiation that the above statement(s) is truthful and not misleading.

Very truly yours,

Flora, Inc.
