Dear Sir:

This letter is to provide notification, within the prescribed 30 days of marketing, of 22 new products that contain a structure function claim. These products are liquid herbal dietary supplements. I have attached a list of these products to include the names and the structure function claims.

We have selected the names and structure function claims to not make or imply a disease claim and meet the requirements of 21 U.S.C. 343(r)(6)

Please call at 828-883-5938 if you need addition information or if you have any questions.

Sincerely,

James A. Grant
