

Consolidated Financial Statements for Bank Holding Companies—FR Y-9C

Report at the close of business as of the last calendar day of the quarter

This Report is required by law: Section 5(c) of the Bank Holding Company Act (12 U.S.C. 1844) and Section 225.5(b) of Regulation Y [12 CFR 225.5(b)].

This report form is to be filed by bank holding companies with total consolidated assets of \$150 million or more. In addition, multibank holding companies with debt outstanding to the general public or that are engaged in a nonbank activity (either directly or indirectly) involving financial leverage or engaged in credit extending activities, must file this report (FR Y-9C) regardless of size. See page 1 of

NOTE: The Consolidated Financial Statements for Bank Holding Companies must be signed by one director of the bank holding company. This individual should also be a senior official of the bank holding company. In the event that the bank holding company does not have an individual who is a senior official and is also a director, the chairman of the board must sign the report.

I, _____ Name and Title of Officer

the general instructions for further information. However, when such bank holding companies own or control, or are owned or controlled by, other bank holding companies, only the top-tier holding company must file this report for the consolidated holding company organization, except that lower-tiered bank holding companies that have total consolidated assets of \$1 billion or more must also file this report (FR Y-9C). The Federal Reserve may not conduct or sponsor, and an organization (or a person) is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The Consolidated Financial Statements for Bank Holding Companies is to be prepared in accordance with the instructions provided by the Federal Reserve System.

Notes to the Income Statement-Other

Enter in the lines provided below any additional information on specific line items on the income statement or to its schedules that the bank holding company wishes to explain, that has been separately disclosed in the bank holding company's quarterly reports to its shareholders, in its press releases, or on its quarterly reports to the Securities and Exchange Commission (SEC). *Exclude* any transactions that have been separately disclosed under the reporting requirements specified in memoranda items 6 through 8 to Schedule HI, the Consolidated Income Statement.

Also include any transactions which previously would have appeared as footnotes to Schedules HI through HI-B.

Each additional piece of information disclosed should include the appropriate reference to schedule and item number, as well as a description of the additional information and the dollar amount (in thousands of dollars) associated with that disclosure.

Example

A bank holding company has received \$1.35 million of back interest on loans and leases that are currently in nonaccrual status. The holding company's interest income for the quarter shows that increase which has been disclosed in the report to the stockholders and to the SEC. 2. Includes subordinated notes payable to unconsolidated trusts issuing trust preferred securities net of the bank holding company's investment in the trust, and trust preferred securities issued by consolidated special purpose entities, that qualify as Tier 1 capital.

Bank holding companies are not required to risk-weight each on-balance sheet asset and the credit equivalent amount of each off-balance sheet item that qualifies for a risk weight of less than 100 percent (50 percent for derivatives) at its lower risk weight. When completing items 34 through 54 of Schedule HC-R, each bank holding company should decide for itself how detailed a risk-weight analysis it wishes to perform. In other words, a bank holding company can choose from among its assets and off-balance sheet items that have a risk weight of less than 100 percent which ones to risk-weight at an appropriate lower risk weight, or it can simply risk-weight some or all of these items at a 100 percent risk weight (50 percent for derivatives).

Notes to the Balance Sheet—Other

Enter in the lines provided below any additional information on specific line items on the balance sheet or its supporting schedules that the bank holding company wishes to explain, that has been separately disclosed in the bank holding company's quarterly reports to its shareholders, in its press releases, or on its quarterly reports to the Securities and Exchange Commission (SEC). Also include any transactions which previously would have appeared as footnotes to Schedules HC through HC-S.

Each additional piece of information disclosed should include the appropriate reference to schedule and item number, as well as a description of the additional information and the dollar amount (in thousands of dollars) associated with that disclosure.

Example

A bank holding company has guaranteed a new loan for its leveraged Employee Stock Ownership Plan (ESOP) for \$750 thousand and that amount has increased the bank holding company's long-term unsecured debt by a material amount. The bank holding company has disclosed that change to its stockholders and to the SEC. Enter on the line item below the following information:
