

File 1 - Skilled Nursing Facility (SNF) Provider and Supplier Coding File

Revised June 2005.

Effective for claims submitted on or after January 1, 2005.

Physician Professional Services (Other than Interpretation of Diagnostic Tests) Beneficiary in a Part A Covered SNF Stay

These codes are not subject to SNF consolidated billing. They should be submitted to the Part B Medicare carrier of Durable Medical Equipment carrier, as appropriate, for payment consideration.

*See 2005 first quarterly update.

CPT codes and descriptions only are copyright 2004 American Medical Association. All rights reserved. Applicable FARS/DFARS apply.

<u>Code</u>	<u>Short Descriptor</u>	
A4650	Supp esrd centrifuge	Carrier will consider service for payment.
A4651	Calibrated microcap tube	Carrier will consider service for payment.
A4652	Microcapillary tube sealant	Carrier will consider service for payment.
A4653	PD catheter anchor belt	Carrier will consider service for payment.
A4655	Esrd syringe/needle	Carrier will consider service for payment.
A4656	Needle any size	Carrier will consider service for payment.
A4657	Syringe w/wo needle	Carrier will consider service for payment.
A4660	Sphyg/bp app w cuff and stet	Carrier will consider service for payment.
A4663	Dialysis blood pressure cuff	Carrier will consider service for payment.
A4671	Disposable cycler set	Carrier will consider service for payment.
A4672	Drainage ext line, dialysis	Carrier will consider service for payment.
A4673	Ext line w easy lock connect	Carrier will consider service for payment.
A4674	Chem/antisept solution, 8oz	Carrier will consider service for payment.
A4680	Activated carbon filter, ea	Carrier will consider service for payment.
A4690	Dialyzer, each	Carrier will consider service for payment.
A4700	Standard dialysate solution	Carrier will consider service for payment.
A4705	Bicarb dialysate solution	Carrier will consider service for payment.
A4706	Bicarbonate conc sol per gal	Carrier will consider service for payment.
A4707	Bicarbonate conc pow per pac	Carrier will consider service for payment.
A4708	Acetate conc sol per gallon	Carrier will consider service for payment.
A4709	Acid conc sol per gallon	Carrier will consider service for payment.
A4712	Sterile water inj per 10 ml	Carrier will consider service for payment.
A4714	Treated water per gallon	Carrier will consider service for payment.
A4719	"Y set" tubing	Carrier will consider service for payment.
A4720	Dialysat sol fld vol > 249cc	Carrier will consider service for payment.
A4721	Dialysat sol fld vol > 999cc	Carrier will consider service for payment.
A4722	Dialys sol fld vol > 1999cc	Carrier will consider service for payment.

A4723	Dialys sol fld vol > 2999cc	Carrier will consider service for payment.
A4724	Dialys sol fld vol > 3999cc	Carrier will consider service for payment.
A4725	Dialys sol fld vol > 4999cc	Carrier will consider service for payment.
A4726	Dialys sol fld vol > 5999cc	Carrier will consider service for payment.
A4728	Dialysate solution, non-dex	Carrier will consider service for payment.
A4730	Fistula cannulation set, ea	Carrier will consider service for payment.
A4735	Local/topical anesthetics	Carrier will consider service for payment.
A4736	Topical anesthetic, per gram	Carrier will consider service for payment.
A4737	Inj anesthetic per 10 ml	Carrier will consider service for payment.
A4740	Shunt accessory	Carrier will consider service for payment.
A4750	Art or venous blood tubing	Carrier will consider service for payment.
A4755	Comb art/venous blood tubing	Carrier will consider service for payment.
A4760	Dialysate sol test kit, each	Carrier will consider service for payment.
A4765	Dialysate conc pow per pack	Carrier will consider service for payment.
A4766	Dialysate conc sol add 10 ml	Carrier will consider service for payment.
A4770	Blood collection tube/vacuum	Carrier will consider service for payment.
A4771	Serum clotting time tube	Carrier will consider service for payment.
A4772	Blood glucose test strips	Carrier will consider service for payment.
A4773	Occult blood test strips	Carrier will consider service for payment.
A4774	Ammonia test strips	Carrier will consider service for payment.
A4780	Esrd sterilizing agent	Carrier will consider service for payment.
A4790	Esrd cleansing agents	Carrier will consider service for payment.
A4800	Heparin/antidote dialysis	Carrier will consider service for payment.
A4801	Heparin per 1000 units	Carrier will consider service for payment.
A4802	Protamine sulfate per 50 mg	Carrier will consider service for payment.
A4820	Supplies hemodialysis kit	Carrier will consider service for payment.
A4850	Rubber tipped hemostats	Carrier will consider service for payment.
A4860	Disposable catheter tips	Carrier will consider service for payment.
A4870	Plumb/elec wk hm hemo equip	Carrier will consider service for payment.
A4880	Water storage tanks	Carrier will consider service for payment.
A4890	Repair/maint cont hemo equip	Carrier will consider service for payment.
A4900	Capd supply kit	Carrier will consider service for payment.
A4901	Ccpd supply kit	Carrier will consider service for payment.
A4905	lpd supply kit	Carrier will consider service for payment.
A4910	Esrd nonmedical supplies	Carrier will consider service for payment.
A4911	Drain bag/bottle	Carrier will consider service for payment.
A4912	Gomco drain bottle	Carrier will consider service for payment.
A4913	Misc dialysis supplies noc	Carrier will consider service for payment.
A4914	Preparation kit	Carrier will consider service for payment.
A4918	Venous pressure clamp	Carrier will consider service for payment.
A4919	Supp dialysis dialyzer holde	Carrier will consider service for payment.
A4920	Harvard pressure clamp	Carrier will consider service for payment.
A4921	Measuring cylinder	Carrier will consider service for payment.
A4927	Non-sterile gloves	Carrier will consider service for payment.
A4928	Surgical mask	Carrier will consider service for payment.
A4929	Tourniquet for dialysis, ea	Carrier will consider service for payment.
A4930	Sterile, gloves per pair	Carrier will consider service for payment.
A4931	Reusable oral thermometer	Carrier will consider service for payment.
A9530	Th I131 so iodide sol millic	Carrier will consider service for payment.
D0150	Comprehensve oral evaluation	Carrier will consider service for payment.
D0240	Intraoral occlusal film	Carrier will consider service for payment.
D0250	Extraoral first film	Carrier will consider service for payment.

D0260	Extraoral ea additional film	Carrier will consider service for payment.
D0270	Dental bitewing single film	Carrier will consider service for payment.
D0272	Dental bitewings two films	Carrier will consider service for payment.
D0274	Dental bitewings four films	Carrier will consider service for payment.
D0460	Pulp vitality test	Carrier will consider service for payment.
D0502	Other oral pathology procedu	Carrier will consider service for payment.
D0999	Unspecified diagnostic proce	Carrier will consider service for payment.
D1510	Space maintainer fxd unilat	Carrier will consider service for payment.
D1515	Fixed bilat space maintainer	Carrier will consider service for payment.
D1520	Remove unilat space maintain	Carrier will consider service for payment.
D1525	Remove bilat space maintain	Carrier will consider service for payment.
D1550	Recement space maintainer	Carrier will consider service for payment.
D2999	Dental unspec restorative pr	Carrier will consider service for payment.
D3460	Endodontic endosseous implan	Carrier will consider service for payment.
D3999	Endodontic procedure	Carrier will consider service for payment.
D4260	Osseous surgery per quadrant	Carrier will consider service for payment.
D4263	Bone replce graft first site	Carrier will consider service for payment.
D4264	Bone replce graft each add	Carrier will consider service for payment.
D4270	Pedicle soft tissue graft pr	Carrier will consider service for payment.
D4271	Free soft tissue graft proc	Carrier will consider service for payment.
D4273	Subepithelial tissue graft	Carrier will consider service for payment.
D4355	Full mouth debridement	Carrier will consider service for payment.
D4381	Localized delivery antimicro	Carrier will consider service for payment.
D5911	Facial moulage sectional	Carrier will consider service for payment.
D5912	Facial moulage complete	Carrier will consider service for payment.
D5951	Feeding aid	Carrier will consider service for payment.
D5983	Radiation applicator	Carrier will consider service for payment.
D5984	Radiation shield	Carrier will consider service for payment.
D5985	Radiation cone locator	Carrier will consider service for payment.
D5987	Commissure splint	Carrier will consider service for payment.
D6920	Dental connector bar	Carrier will consider service for payment.
D7210	Rem imp tooth w mucoper flp	Carrier will consider service for payment.
D7220	Impact tooth remov soft tiss	Carrier will consider service for payment.
D7230	Impact tooth remov part bony	Carrier will consider service for payment.
D7240	Impact tooth remov comp bony	Carrier will consider service for payment.
D7241	Impact tooth rem bony w/comp	Carrier will consider service for payment.
D7250	Tooth root removal	Carrier will consider service for payment.
D7260	Oral antral fistula closure	Carrier will consider service for payment.
D7291	Transseptal fiberotomy	Carrier will consider service for payment.
D7940	Reshaping bone orthognathic	Carrier will consider service for payment.
D9110	Tx dental pain minor proc	Carrier will consider service for payment.
D9230	Analgesia	Carrier will consider service for payment.
D9630	Other drugs/medicaments	Carrier will consider service for payment.
D9930	Treatment of complications	Carrier will consider service for payment.
D9940	Dental occlusal guard	Carrier will consider service for payment.
D9950	Occlusion analysis	Carrier will consider service for payment.
D9951	Limited occlusal adjustment	Carrier will consider service for payment.
D9952	Complete occlusal adjustment	Carrier will consider service for payment.
E1500	Centrifuge	Carrier will consider service for payment.
E1510	Kidney dialysate delivry sys	Carrier will consider service for payment.
E1520	Heparin infusion pump	Carrier will consider service for payment.
E1530	Replacement air bubble detec	Carrier will consider service for payment.

E1540	Replacement pressure alarm	Carrier will consider service for payment.
E1550	Bath conductivity meter	Carrier will consider service for payment.
E1560	Replace blood leak detector	Carrier will consider service for payment.
E1570	Adjustable chair for esrd pt	Carrier will consider service for payment.
E1575	Transducer protect/fld bar	Carrier will consider service for payment.
E1580	Unipuncture control system	Carrier will consider service for payment.
E1590	Hemodialysis machine	Carrier will consider service for payment.
E1592	Auto intern peritoneal dialy	Carrier will consider service for payment.
E1594	Cycler dialysis machine	Carrier will consider service for payment.
E1600	Deli/install chrg hemo equip	Carrier will consider service for payment.
E1610	Reverse osmosis h2o puri sys	Carrier will consider service for payment.
E1615	Deionizer H2O puri system	Carrier will consider service for payment.
E1620	Replacement blood pump	Carrier will consider service for payment.
E1625	Water softening system	Carrier will consider service for payment.
E1630	Reciprocating peritoneal dia	Carrier will consider service for payment.
E1632	Wearable artificial kidney	Carrier will consider service for payment.
E1635	Compact travel hemodialyzer	Carrier will consider service for payment.
E1636	Sorbent cartridges per 10	Carrier will consider service for payment.
E1637	Hemostats for dialysis, each	Carrier will consider service for payment.
E1638	Peri dialysis heating pad	Carrier will consider service for payment.
E1639	Dialysis scale	Carrier will consider service for payment.
E1640	Replacement components for d	Carrier will consider service for payment.
E1699	Dialysis equipment noc	Carrier will consider service for payment.
G0101	CA screen;pelvic/breast exam	Carrier will consider service for payment.
G0102	Prostate ca screening; dre	Carrier will consider service for payment.
G0104	CA screen;flexi sigmoidscope	Carrier will consider service for payment.
G0105	Colorectal scrn; hi risk ind	Carrier will consider service for payment.
G0108	Diab manage trn per indiv	Carrier will consider service for payment.
G0109	Diab manage trn ind/group	Carrier will consider service for payment.
G0110	Nett pulm-rehab educ; ind	Carrier will consider service for payment.
G0111	Nett pulm-rehab educ; group	Carrier will consider service for payment.
G0112	Nett;nutrition guid, initial	Carrier will consider service for payment.
G0113	Nett;nutrition guid,subseqnt	Carrier will consider service for payment.
G0114	Nett; psychosocial consult	Carrier will consider service for payment.
G0115	Nett; psychological testing	Carrier will consider service for payment.
G0116	Nett; psychosocial counsel	Carrier will consider service for payment.
G0117	Glaucoma scrn hgh risk direc	Carrier will consider service for payment.
G0118	Glaucoma scrn hgh risk direc	Carrier will consider service for payment.
G0121	Colon ca scrn not hi rsk ind	Carrier will consider service for payment.
G0124	Screen c/v thin layer by MD	Carrier will consider service for payment.
G0127	Trim nail(s)	Carrier will consider service for payment.
G0128	CORF skilled nursing service	Carrier will consider service for payment.
G0141	Scr c/v cyto,autosys and md	Carrier will consider service for payment.
G0166	Extrnl counterpulse, per tx	Carrier will consider service for payment.
G0168	Wound closure by adhesive	Carrier will consider service for payment.
G0179	MD recertification HHA PT	Carrier will consider service for payment.
G0180	MD certification HHA patient	Carrier will consider service for payment.
G0181	Home health care supervision	Carrier will consider service for payment.
G0182	Hospice care supervision	Carrier will consider service for payment.
G0186	Dstry eye lesn,fdr vssl tech	Carrier will consider service for payment.
G0237	Therapeutic procd strg endur	Carrier will consider service for payment.
G0245	Initial foot exam pt lops	Carrier will consider service for payment.

G0246	Followup eval of foot pt lop	Carrier will consider service for payment.
G0247	Routine footcare pt w lops	Carrier will consider service for payment.
G0268	Removal of impacted wax md	Carrier will consider service for payment.
G0270	MNT subs tx for change dx	Carrier will consider service for payment.
G0271	Group MNT 2 or more 30 mins	Carrier will consider service for payment.
G0275	Renal angio, cardiac cath	Carrier will consider service for payment.
G0278	Iliac art angio,cardiac cath	Carrier will consider service for payment.
G0289	Arthro, loose body + chondro	Carrier will consider service for payment.
G0308	ESRD related svc 4+mo < 2yrs	Carrier will consider service for payment.
G0309	ESRD related svc 2-3mo <2yrs	Carrier will consider service for payment.
G0310	ESRD related svc 1 vst <2yrs	Carrier will consider service for payment.
G0311	ESRD related svs 4+mo 2-11yr	Carrier will consider service for payment.
G0312	ESRD relate svs 2-3 mo 2-11y	Carrier will consider service for payment.
G0313	ESRD related svs 1 mon 2-11y	Carrier will consider service for payment.
G0314	ESRD related svs 4+ mo 12-19	Carrier will consider service for payment.
G0315	ESRD related svs 2-3mo/12-19	Carrier will consider service for payment.
G0316	ESRD related svs 1vis/12-19y	Carrier will consider service for payment.
G0317	ESRD related svs 4+mo 20+yrs	Carrier will consider service for payment.
G0318	ESRD related svs 2-3 mo 20+y	Carrier will consider service for payment.
G0319	ESRD related svs 1visit 20+y	Carrier will consider service for payment.
G0320	ESD related svs home undr 2	Carrier will consider service for payment.
G0321	ESRDrelatedsvs home mo 2-11y	Carrier will consider service for payment.
G0322	ESRD related svs hom mo12-19	Carrier will consider service for payment.
G0323	ESRD related svs home mo 20+	Carrier will consider service for payment.
G0324	ESRD relate svs home/dy <2yr	Carrier will consider service for payment.
G0325	ESRD relate home/day/ 2-11yr	Carrier will consider service for payment.
G0326	ESRD relate home/dy 12-19yr	Carrier will consider service for payment.
G0327	ESRD relate home/dy 20+yrs	Carrier will consider service for payment.
G0341	Percutaneous islet celltrans	Carrier will consider service for payment.
G0342	Laparoscopy islet cell trans	Carrier will consider service for payment.
G0343	Laparotomy islet cell transp	Carrier will consider service for payment.
G0344	Initial preventive exam	Carrier will consider service for payment.
G0345	IV infuse hydration, initial	Carrier will consider service for payment.
G0346	Each additional infuse hour	Carrier will consider service for payment.
G0347	IV infusion therapy/diagnost	Carrier will consider service for payment.
G0348	Each additional hr up to 8hr	Carrier will consider service for payment.
G0349	Additional sequential infuse	Carrier will consider service for payment.
G0350	Concurrent infusion	Carrier will consider service for payment.
G0351	Therapeutic/diagnostic injec	Carrier will consider service for payment.
G0353	IV push,single orinital dru	Carrier will consider service for payment.
G0354	Each addition sequential IV	Carrier will consider service for payment.
G0355	Chemo administrate subcut/IM	Carrier will consider service for payment.
G0356	Hormonal anti-neoplastic	Carrier will consider service for payment.
G0357	IV push single/initial subst	Carrier will consider service for payment.
G0358	IV push each additional drug	Carrier will consider service for payment.
G0359	Chemotherapy IV one hr initi	Carrier will consider service for payment.
G0360	Each additional hr 1-8 hrs	Carrier will consider service for payment.
G0361	Prolong chemo infuse>8hrs pu	Carrier will consider service for payment.
G0362	Each add sequential infusion	Carrier will consider service for payment.
G0363	Irrigate implanted venous de	Carrier will consider service for payment.
G0364	Bone marrow aspirate &biopsy	Carrier will consider service for payment.
G0368	EKG interpret & report preve	Carrier will consider service for payment.

G3001	Admin + supply, tositumomab	Carrier will consider service for payment.
J9000	Doxorubic hcl 10 MG vl chemo	Carrier will consider service for payment.
J9001	Doxorubicin hcl liposome inj	Carrier will consider service for payment.
J9010	Alemtuzumab injection	Carrier will consider service for payment.
J9015	Aldesleukin/single use vial	Carrier will consider service for payment.
J9017	Arsenic trioxide	Carrier will consider service for payment.
J9020	Asparaginase injection	Carrier will consider service for payment.
J9040	Bleomycin sulfate injection	Carrier will consider service for payment.
J9041	Bortezomib injection	Carrier will consider service for payment.
J9045	Carboplatin injection	Carrier will consider service for payment.
J9050	Carmus bischl nitro inj	Carrier will consider service for payment.
J9055	Cetuximab injection	Carrier will consider service for payment.
J9060	Cisplatin 10 MG injection	Carrier will consider service for payment.
J9062	Cisplatin 50 MG injection	Carrier will consider service for payment.
J9065	Inj cladribine per 1 MG	Carrier will consider service for payment.
J9070	Cyclophosphamide 100 MG inj	Carrier will consider service for payment.
J9080	Cyclophosphamide 200 MG inj	Carrier will consider service for payment.
J9090	Cyclophosphamide 500 MG inj	Carrier will consider service for payment.
J9091	Cyclophosphamide 1.0 grm inj	Carrier will consider service for payment.
J9092	Cyclophosphamide 2.0 grm inj	Carrier will consider service for payment.
J9093	Cyclophosphamide lyophilized	Carrier will consider service for payment.
J9094	Cyclophosphamide lyophilized	Carrier will consider service for payment.
J9095	Cyclophosphamide lyophilized	Carrier will consider service for payment.
J9096	Cyclophosphamide lyophilized	Carrier will consider service for payment.
J9097	Cyclophosphamide lyophilized	Carrier will consider service for payment.
J9100	Cytarabine hcl 100 MG inj	Carrier will consider service for payment.
J9110	Cytarabine hcl 500 MG inj	Carrier will consider service for payment.
J9120	Dactinomycin actinomycin d	Carrier will consider service for payment.
J9130	Dacarbazine 100 mg inj	Carrier will consider service for payment.
J9140	Dacarbazine 200 MG inj	Carrier will consider service for payment.
J9150	Daunorubicin	Carrier will consider service for payment.
J9151	Daunorubicin citrate liposom	Carrier will consider service for payment.
J9160	Denileukin diftitox, 300 mcg	Carrier will consider service for payment.
J9170	Docetaxel	Carrier will consider service for payment.
J9178	Inj, epirubicin hcl, 2 mg	Carrier will consider service for payment.
J9180	Epirubicin HCl injection	Carrier will consider service for payment.
J9181	Etoposide 10 MG inj	Carrier will consider service for payment.
J9182	Etoposide 100 MG inj	Carrier will consider service for payment.
J9185	Fludarabine phosphate inj	Carrier will consider service for payment.
J9200	Floxuridine injection	Carrier will consider service for payment.
J9201	Gemcitabine HCl	Carrier will consider service for payment.
J9206	Irinotecan injection	Carrier will consider service for payment.
J9208	Ifosfomide injection	Carrier will consider service for payment.
J9211	Idarubicin hcl injection	Carrier will consider service for payment.
J9230	Mechlorethamine hcl inj	Carrier will consider service for payment.
J9245	Inj melphalan hydrochl 50 MG	Carrier will consider service for payment.
J9263	Oxaliplatin	Carrier will consider service for payment.
J9265	Paclitaxel injection	Carrier will consider service for payment.
J9266	Pegaspargase/singl dose vial	Carrier will consider service for payment.
J9268	Pentostatin injection	Carrier will consider service for payment.
J9270	Plicamycin (mithramycin) inj	Carrier will consider service for payment.
J9280	Mitomycin 5 MG inj	Carrier will consider service for payment.

J9290	Mitomycin 20 MG inj	Carrier will consider service for payment.
J9291	Mitomycin 40 MG inj	Carrier will consider service for payment.
J9293	Mitoxantrone hydrochl / 5 MG	Carrier will consider service for payment.
J9300	Gemtuzumab ozogamicin	Carrier will consider service for payment.
J9305	Pemetrexed injection	Carrier will consider service for payment.
J9310	Rituximab cancer treatment	Carrier will consider service for payment.
J9320	Streptozocin injection	Carrier will consider service for payment.
J9340	Thiotepa injection	Carrier will consider service for payment.
J9350	Topotecan	Carrier will consider service for payment.
J9355	Trastuzumab	Carrier will consider service for payment.
J9357	Valrubicin, 200 mg	Carrier will consider service for payment.
J9360	Vinblastine sulfate inj	Carrier will consider service for payment.
J9370	Vincristine sulfate 1 MG inj	Carrier will consider service for payment.
J9375	Vincristine sulfate 2 MG inj	Carrier will consider service for payment.
J9380	Vincristine sulfate 5 MG inj	Carrier will consider service for payment.
J9390	Vinorelbine tartrate/10 mg	Carrier will consider service for payment.
J9395	Injection, Fulvestrant	Carrier will consider service for payment.
J9600	Porfimer sodium	Carrier will consider service for payment.
K0556	Socket insert w lock mech	Carrier will consider service for payment.
K0557	Socket insert w/o lock mech	Carrier will consider service for payment.
K0558	Intl custm cong/atyp insert	Carrier will consider service for payment.
K0559	Initial custom socket insert	Carrier will consider service for payment.
L5050	Ank symes mold sckt sach ft	Carrier will consider service for payment.
L5060	Symes met fr leath socket ar	Carrier will consider service for payment.
L5100	Molded socket shin sach foot	Carrier will consider service for payment.
L5105	Plast socket jts/thgh lacer	Carrier will consider service for payment.
L5150	Mold sckt ext knee shin sach	Carrier will consider service for payment.
L5160	Mold socket bent knee shin s	Carrier will consider service for payment.
L5200	Kne sing axis fric shin sach	Carrier will consider service for payment.
L5210	No knee/ankle joints w/ ft b	Carrier will consider service for payment.
L5220	No knee joint with artic ali	Carrier will consider service for payment.
L5230	Fem focal defic constant fri	Carrier will consider service for payment.
L5250	Hip canad sing axi cons fric	Carrier will consider service for payment.
L5270	Tilt table locking hip sing	Carrier will consider service for payment.
L5280	Hemipelvect canad sing axis	Carrier will consider service for payment.
L5300	Bk sach soft cover & finish	Carrier will consider service for payment.
L5301	BK mold socket SACH ft endo	Carrier will consider service for payment.
L5310	Knee disart sach soft cv/fin	Carrier will consider service for payment.
L5311	Knee disart, SACH ft, endo	Carrier will consider service for payment.
L5320	Ak open end sach soft cv/fin	Carrier will consider service for payment.
L5321	AK open end SACH	Carrier will consider service for payment.
L5330	Hip canadian sach sft cv/fin	Carrier will consider service for payment.
L5331	Hip disart canadian SACH ft	Carrier will consider service for payment.
L5340	Hemipelvectomy canad cv/fin	Carrier will consider service for payment.
L5341	Hemipelvectomy canadian SACH	Carrier will consider service for payment.
L5500	Init bk ptb plaster direct	Carrier will consider service for payment.
L5505	Init ak ischal plstr direct	Carrier will consider service for payment.
L5510	Prep BK ptb plaster molded	Carrier will consider service for payment.
L5520	Perp BK ptb thermopls direct	Carrier will consider service for payment.
L5530	Prep BK ptb thermopls molded	Carrier will consider service for payment.
L5535	Prep BK ptb open end socket	Carrier will consider service for payment.
L5540	Prep BK ptb laminated socket	Carrier will consider service for payment.

L5560	Prep AK ischial plast molded	Carrier will consider service for payment.
L5570	Prep AK ischial direct form	Carrier will consider service for payment.
L5580	Prep AK ischial thermo mold	Carrier will consider service for payment.
L5585	Prep AK ischial open end	Carrier will consider service for payment.
L5590	Prep AK ischial laminated	Carrier will consider service for payment.
L5595	Hip disartic sach thermopls	Carrier will consider service for payment.
L5600	Hip disartic sach laminat mold	Carrier will consider service for payment.
L5610	Above knee hydracadence	Carrier will consider service for payment.
L5611	Ak 4 bar link w/fric swing	Carrier will consider service for payment.
L5613	Ak 4 bar ling w/hydraul swig	Carrier will consider service for payment.
L5614	4-bar link above knee w/swng	Carrier will consider service for payment.
L5616	Ak univ multiplex sys frict	Carrier will consider service for payment.
L5617	AK/BK self-aligning unit ea	Carrier will consider service for payment.
L5618	Test socket symes	Carrier will consider service for payment.
L5620	Test socket below knee	Carrier will consider service for payment.
L5622	Test socket knee disarticula	Carrier will consider service for payment.

23410	Repair rotator cuff, acute	Carrier will consider service for payment.
23412	Repair rotator cuff, chronic	Carrier will consider service for payment.
23415	Release of shoulder ligament	Carrier will consider service for payment.
23420	Repair of shoulder	Carrier will consider service for payment.
23430	Repair biceps tendon	Carrier will consider service for payment.
23440	Remove/transplant tendon	Carrier will consider service for payment.
23450	Repair shoulder capsule	Carrier will consider service for payment.
23455	Repair shoulder capsule	Carrier will consider service for payment.
23460	Repair shoulder capsule	Carrier will consider service for payment.
23462	Repair shoulder capsule	Carrier will consider service for payment.
23465	Repair shoulder capsule	Carrier will consider service for payment.
23466	Repair shoulder capsule	Carrier will consider service for payment.
23470	Reconstruct shoulder joint	Carrier will consider service for payment.
23472	Reconstruct shoulder joint	Carrier will consider service for payment.
23480	Revision of collar bone	Carrier will consider service for payment.
23485	Revision of collar bone	Carrier will consider service for payment.
23490	Reinforce clavicle	Carrier will consider service for payment.
23491	Reinforce shoulder bones	Carrier will consider service for payment.

23500	Treat clavicle fracture	Carrier will consider service for payment.
23505	Treat clavicle fracture	Carrier will consider service for payment.
23515	Treat clavicle fracture	Carrier will consider service for payment.
23520	Treat clavicle dislocation	Carrier will consider service for payment.
23525	Treat clavicle dislocation	Carrier will consider service for payment.
23530	Treat clavicle dislocation	Carrier will consider service for payment.
23532	Treat clavicle dislocation	Carrier will consider service for payment.
23540	Treat clavicle dislocation	Carrier will consider service for payment.
23545	Treat clavicle dislocation	Carrier will consider service for payment.
23550	Treat clavicle dislocation	Carrier will consider service for payment.
23552	Treat clavicle dislocation	Carrier will consider service for payment.
23570	Treat shoulder blade fx	Carrier will consider service for payment.
23575	Treat shoulder blade fx	Carrier will consider service for payment.
23585	Treat scapula fracture	Carrier will consider service for payment.
23600	Treat humerus fracture	Carrier will consider service for payment.
23605	Treat humerus fracture	Carrier will consider service for payment.
23615	Treat humerus fracture	Carrier will consider service for payment.
23616	Treat humerus fracture	Carrier will consider service for payment.
23620	Treat humerus fracture	Carrier will consider service for payment.
23625	Treat humerus fracture	Carrier will consider service for payment.
23630	Treat humerus fracture	Carrier will consider service for payment.
23650	Treat shoulder dislocation	Carrier will consider service for payment.
23655	Treat shoulder dislocation	Carrier will consider service for payment.
23660	Treat shoulder dislocation	Carrier will consider service for payment.
23665	Treat dislocation/fracture	Carrier will consider service for payment.
23670	Treat dislocation/fracture	Carrier will consider service for payment.
23675	Treat dislocation/fracture	Carrier will consider service for payment.
23680	Treat dislocation/fracture	Carrier will consider service for payment.
23700	Fixation of shoulder	Carrier will consider service for payment.
23800	Fusion of shoulder joint	Carrier will consider service for payment.
23802	Fusion of shoulder joint	Carrier will consider service for payment.
23900	Amputation of arm & girdle	Carrier will consider service for payment.
23920	Amputation at shoulder joint	Carrier will consider service for payment.
23921	Amputation follow-up surgery	Carrier will consider service for payment.
23929	Shoulder surgery procedure	Carrier will consider service for payment.
23930	Drainage of arm lesion	Carrier will consider service for payment.
23931	Drainage of arm bursa	Carrier will consider service for payment.
23935	Drain arm/elbow bone lesion	Carrier will consider service for payment.
24000	Exploratory elbow surgery	Carrier will consider service for payment.
24006	Release elbow joint	Carrier will consider service for payment.
24065	Biopsy arm/elbow soft tissue	Carrier will consider service for payment.
24066	Biopsy arm/elbow soft tissue	Carrier will consider service for payment.
24075	Remove arm/elbow lesion	Carrier will consider service for payment.
24076	Remove arm/elbow lesion	Carrier will consider service for payment.
24077	Remove tumor of arm/elbow	Carrier will consider service for payment.
24100	Biopsy elbow joint lining	Carrier will consider service for payment.
24101	Explore/treat elbow joint	Carrier will consider service for payment.
24102	Remove elbow joint lining	Carrier will consider service for payment.
24105	Removal of elbow bursa	Carrier will consider service for payment.
24110	Remove humerus lesion	Carrier will consider service for payment.
24115	Remove/graft bone lesion	Carrier will consider service for payment.
24116	Remove/graft bone lesion	Carrier will consider service for payment.

24120	Remove elbow lesion	Carrier will consider service for payment.
24125	Remove/graft bone lesion	Carrier will consider service for payment.
24126	Remove/graft bone lesion	Carrier will consider service for payment.
24130	Removal of head of radius	Carrier will consider service for payment.
24134	Removal of arm bone lesion	Carrier will consider service for payment.
24136	Remove radius bone lesion	Carrier will consider service for payment.
24138	Remove elbow bone lesion	Carrier will consider service for payment.
24140	Partial removal of arm bone	Carrier will consider service for payment.
24145	Partial removal of radius	Carrier will consider service for payment.
24147	Partial removal of elbow	Carrier will consider service for payment.
24149	Radical resection of elbow	Carrier will consider service for payment.
24150	Extensive humerus surgery	Carrier will consider service for payment.
24151	Extensive humerus surgery	Carrier will consider service for payment.
24152	Extensive radius surgery	Carrier will consider service for payment.
24153	Extensive radius surgery	Carrier will consider service for payment.
24155	Removal of elbow joint	Carrier will consider service for payment.
24160	Remove elbow joint implant	Carrier will consider service for payment.
24164	Remove radius head implant	Carrier will consider service for payment.
24200	Removal of arm foreign body	Carrier will consider service for payment.
24201	Removal of arm foreign body	Carrier will consider service for payment.
24220	Injection for elbow x-ray	Carrier will consider service for payment.
24300	Manipulate elbow w/anesth	Carrier will consider service for payment.
24301	Muscle/tendon transfer	Carrier will consider service for payment.
24305	Arm tendon lengthening	Carrier will consider service for payment.
24310	Revision of arm tendon	Carrier will consider service for payment.
24320	Repair of arm tendon	Carrier will consider service for payment.
24330	Revision of arm muscles	Carrier will consider service for payment.
24331	Revision of arm muscles	Carrier will consider service for payment.
24332	Tenolysis, triceps	Carrier will consider service for payment.
24340	Repair of biceps tendon	Carrier will consider service for payment.
24341	Repair arm tendon/muscle	Carrier will consider service for payment.
24342	Repair of ruptured tendon	Carrier will consider service for payment.
24343	Repr elbow lat ligmnt w/tiss	Carrier will consider service for payment.
24344	Reconstruct elbow lat ligmnt	Carrier will consider service for payment.
24345	Repr elbw med ligmnt w/tissu	Carrier will consider service for payment.
24346	Reconstruct elbow med ligmnt	Carrier will consider service for payment.
24350	Repair of tennis elbow	Carrier will consider service for payment.
24351	Repair of tennis elbow	Carrier will consider service for payment.
24352	Repair of tennis elbow	Carrier will consider service for payment.
24354	Repair of tennis elbow	Carrier will consider service for payment.
24356	Revision of tennis elbow	Carrier will consider service for payment.
24360	Reconstruct elbow joint	Carrier will consider service for payment.
24361	Reconstruct elbow joint	Carrier will consider service for payment.
24362	Reconstruct elbow joint	Carrier will consider service for payment.
24363	Replace elbow joint	Carrier will consider service for payment.
24365	Reconstruct head of radius	Carrier will consider service for payment.
24366	Reconstruct head of radius	Carrier will consider service for payment.
24400	Revision of humerus	Carrier will consider service for payment.
24410	Revision of humerus	Carrier will consider service for payment.
24420	Revision of humerus	Carrier will consider service for payment.
24430	Repair of humerus	Carrier will consider service for payment.
24435	Repair humerus with graft	Carrier will consider service for payment.

24470	Revision of elbow joint	Carrier will consider service for payment.
24495	Decompression of forearm	Carrier will consider service for payment.
24498	Reinforce humerus	Carrier will consider service for payment.
24500	Treat humerus fracture	Carrier will consider service for payment.
24505	Treat humerus fracture	Carrier will consider service for payment.
24515	Treat humerus fracture	Carrier will consider service for payment.
24516	Treat humerus fracture	Carrier will consider service for payment.
24530	Treat humerus fracture	Carrier will consider service for payment.
24535	Treat humerus fracture	Carrier will consider service for payment.
24538	Treat humerus fracture	Carrier will consider service for payment.
24545	Treat humerus fracture	Carrier will consider service for payment.
24546	Treat humerus fracture	Carrier will consider service for payment.
24560	Treat humerus fracture	Carrier will consider service for payment.
24565	Treat humerus fracture	Carrier will consider service for payment.
24566	Treat humerus fracture	Carrier will consider service for payment.
24575	Treat humerus fracture	Carrier will consider service for payment.
24576	Treat humerus fracture	Carrier will consider service for payment.
24577	Treat humerus fracture	Carrier will consider service for payment.
24579	Treat humerus fracture	Carrier will consider service for payment.
24582	Treat humerus fracture	Carrier will consider service for payment.
24586	Treat elbow fracture	Carrier will consider service for payment.
24587	Treat elbow fracture	Carrier will consider service for payment.
24600	Treat elbow dislocation	Carrier will consider service for payment.
24605	Treat elbow dislocation	Carrier will consider service for payment.
24615	Treat elbow dislocation	Carrier will consider service for payment.
24620	Treat elbow fracture	Carrier will consider service for payment.
24635	Treat elbow fracture	Carrier will consider service for payment.
24640	Treat elbow dislocation	Carrier will consider service for payment.
24650	Treat radius fracture	Carrier will consider service for payment.
24655	Treat radius fracture	Carrier will consider service for payment.
24665	Treat radius fracture	Carrier will consider service for payment.
24666	Treat radius fracture	Carrier will consider service for payment.
24670	Treat ulnar fracture	Carrier will consider service for payment.
24675	Treat ulnar fracture	Carrier will consider service for payment.
24685	Treat ulnar fracture	Carrier will consider service for payment.
24800	Fusion of elbow joint	Carrier will consider service for payment.
24802	Fusion/graft of elbow joint	Carrier will consider service for payment.
24900	Amputation of upper arm	Carrier will consider service for payment.
24920	Amputation of upper arm	Carrier will consider service for payment.
24925	Amputation follow-up surgery	Carrier will consider service for payment.
24930	Amputation follow-up surgery	Carrier will consider service for payment.
24931	Amputate upper arm & implant	Carrier will consider service for payment.
24935	Revision of amputation	Carrier will consider service for payment.
24940	Revision of upper arm	Carrier will consider service for payment.
24999	Upper arm/elbow surgery	Carrier will consider service for payment.
25000	Incision of tendon sheath	Carrier will consider service for payment.
25001	Incise flexor carpi radialis	Carrier will consider service for payment.
25020	Decompress forearm 1 space	Carrier will consider service for payment.
25023	Decompress forearm 1 space	Carrier will consider service for payment.
25024	Decompress forearm 2 spaces	Carrier will consider service for payment.
25025	Decompress forearm 2 spaces	Carrier will consider service for payment.
25028	Drainage of forearm lesion	Carrier will consider service for payment.

25031	Drainage of forearm bursa	Carrier will consider service for payment.
25035	Treat forearm bone lesion	Carrier will consider service for payment.
25040	Explore/treat wrist joint	Carrier will consider service for payment.
25065	Biopsy forearm soft tissues	Carrier will consider service for payment.
25066	Biopsy forearm soft tissues	Carrier will consider service for payment.
25075	Removal forearm lesion subcu	Carrier will consider service for payment.
25076	Removal forearm lesion deep	Carrier will consider service for payment.
25077	Remove tumor, forearm/wrist	Carrier will consider service for payment.
25085	Incision of wrist capsule	Carrier will consider service for payment.
25100	Biopsy of wrist joint	Carrier will consider service for payment.
25101	Explore/treat wrist joint	Carrier will consider service for payment.
25105	Remove wrist joint lining	Carrier will consider service for payment.
25107	Remove wrist joint cartilage	Carrier will consider service for payment.
25110	Remove wrist tendon lesion	Carrier will consider service for payment.
25111	Remove wrist tendon lesion	Carrier will consider service for payment.
25112	Reremove wrist tendon lesion	Carrier will consider service for payment.
25115	Remove wrist/forearm lesion	Carrier will consider service for payment.
25116	Remove wrist/forearm lesion	Carrier will consider service for payment.
25118	Excise wrist tendon sheath	Carrier will consider service for payment.
25119	Partial removal of ulna	Carrier will consider service for payment.
25120	Removal of forearm lesion	Carrier will consider service for payment.
25125	Remove/graft forearm lesion	Carrier will consider service for payment.
25126	Remove/graft forearm lesion	Carrier will consider service for payment.
25130	Removal of wrist lesion	Carrier will consider service for payment.
25135	Remove & graft wrist lesion	Carrier will consider service for payment.
25136	Remove & graft wrist lesion	Carrier will consider service for payment.
25145	Remove forearm bone lesion	Carrier will consider service for payment.
25150	Partial removal of ulna	Carrier will consider service for payment.
25151	Partial removal of radius	Carrier will consider service for payment.
25170	Extensive forearm surgery	Carrier will consider service for payment.
25210	Removal of wrist bone	Carrier will consider service for payment.
25215	Removal of wrist bones	Carrier will consider service for payment.
25230	Partial removal of radius	Carrier will consider service for payment.
25240	Partial removal of ulna	Carrier will consider service for payment.
25246	Injection for wrist x-ray	Carrier will consider service for payment.
25248	Remove forearm foreign body	Carrier will consider service for payment.
25250	Removal of wrist prosthesis	Carrier will consider service for payment.
25251	Removal of wrist prosthesis	Carrier will consider service for payment.
25259	Manipulate wrist w/anesthes	Carrier will consider service for payment.
25260	Repair forearm tendon/muscle	Carrier will consider service for payment.
25263	Repair forearm tendon/muscle	Carrier will consider service for payment.
25265	Repair forearm tendon/muscle	Carrier will consider service for payment.
25270	Repair forearm tendon/muscle	Carrier will consider service for payment.
25272	Repair forearm tendon/muscle	Carrier will consider service for payment.
25274	Repair forearm tendon/muscle	Carrier will consider service for payment.
25275	Repair forearm tendon sheath	Carrier will consider service for payment.
25280	Revise wrist/forearm tendon	Carrier will consider service for payment.
25290	Incise wrist/forearm tendon	Carrier will consider service for payment.
25295	Release wrist/forearm tendon	Carrier will consider service for payment.
25300	Fusion of tendons at wrist	Carrier will consider service for payment.
25301	Fusion of tendons at wrist	Carrier will consider service for payment.
25310	Transplant forearm tendon	Carrier will consider service for payment.

25312	Transplant forearm tendon	Carrier will consider service for payment.
25315	Revise palsy hand tendon(s)	Carrier will consider service for payment.
25316	Revise palsy hand tendon(s)	Carrier will consider service for payment.
25320	Repair/revise wrist joint	Carrier will consider service for payment.
25332	Revise wrist joint	Carrier will consider service for payment.
25335	Realignment of hand	Carrier will consider service for payment.
25337	Reconstruct ulna/radioulnar	Carrier will consider service for payment.
25350	Revision of radius	Carrier will consider service for payment.
25355	Revision of radius	Carrier will consider service for payment.
25360	Revision of ulna	Carrier will consider service for payment.
25365	Revise radius & ulna	Carrier will consider service for payment.
25370	Revise radius or ulna	Carrier will consider service for payment.
25375	Revise radius & ulna	Carrier will consider service for payment.
25390	Shorten radius or ulna	Carrier will consider service for payment.
25391	Lengthen radius or ulna	Carrier will consider service for payment.
25392	Shorten radius & ulna	Carrier will consider service for payment.
25393	Lengthen radius & ulna	Carrier will consider service for payment.
25394	Repair carpal bone, shorten	Carrier will consider service for payment.
25400	Repair radius or ulna	Carrier will consider service for payment.
25405	Repair/graft radius or ulna	Carrier will consider service for payment.
25415	Repair radius & ulna	Carrier will consider service for payment.
25420	Repair/graft radius & ulna	Carrier will consider service for payment.
25425	Repair/graft radius or ulna	Carrier will consider service for payment.
25426	Repair/graft radius & ulna	Carrier will consider service for payment.
25430	Vasc graft into carpal bone	Carrier will consider service for payment.
25431	Repair nonunion carpal bone	Carrier will consider service for payment.
25440	Repair/graft wrist bone	Carrier will consider service for payment.
25441	Reconstruct wrist joint	Carrier will consider service for payment.
25442	Reconstruct wrist joint	Carrier will consider service for payment.
25443	Reconstruct wrist joint	Carrier will consider service for payment.
25444	Reconstruct wrist joint	Carrier will consider service for payment.
25445	Reconstruct wrist joint	Carrier will consider service for payment.
25446	Wrist replacement	Carrier will consider service for payment.
25447	Repair wrist joint(s)	Carrier will consider service for payment.
25449	Remove wrist joint implant	Carrier will consider service for payment.
25450	Revision of wrist joint	Carrier will consider service for payment.
25455	Revision of wrist joint	Carrier will consider service for payment.
25490	Reinforce radius	Carrier will consider service for payment.
25491	Reinforce ulna	Carrier will consider service for payment.
25492	Reinforce radius and ulna	Carrier will consider service for payment.
25500	Treat fracture of radius	Carrier will consider service for payment.
25505	Treat fracture of radius	Carrier will consider service for payment.
25515	Treat fracture of radius	Carrier will consider service for payment.
25520	Treat fracture of radius	Carrier will consider service for payment.
25525	Treat fracture of radius	Carrier will consider service for payment.
25526	Treat fracture of radius	Carrier will consider service for payment.
25530	Treat fracture of ulna	Carrier will consider service for payment.
25535	Treat fracture of ulna	Carrier will consider service for payment.
25545	Treat fracture of ulna	Carrier will consider service for payment.
25560	Treat fracture radius & ulna	Carrier will consider service for payment.
25565	Treat fracture radius & ulna	Carrier will consider service for payment.
25574	Treat fracture radius & ulna	Carrier will consider service for payment.

25575	Treat fracture radius/ulna	Carrier will consider service for payment.
25600	Treat fracture radius/ulna	Carrier will consider service for payment.
25605	Treat fracture radius/ulna	Carrier will consider service for payment.
25611	Treat fracture radius/ulna	Carrier will consider service for payment.
25620	Treat fracture radius/ulna	Carrier will consider service for payment.
25622	Treat wrist bone fracture	Carrier will consider service for payment.
25624	Treat wrist bone fracture	Carrier will consider service for payment.
25628	Treat wrist bone fracture	Carrier will consider service for payment.
25630	Treat wrist bone fracture	Carrier will consider service for payment.
25635	Treat wrist bone fracture	Carrier will consider service for payment.
25645	Treat wrist bone fracture	Carrier will consider service for payment.
25650	Treat wrist bone fracture	Carrier will consider service for payment.
25651	Pin ulnar styloid fracture	Carrier will consider service for payment.
25652	Treat fracture ulnar styloid	Carrier will consider service for payment.
25660	Treat wrist dislocation	Carrier will consider service for payment.
25670	Treat wrist dislocation	Carrier will consider service for payment.
25671	Pin radioulnar dislocation	Carrier will consider service for payment.
25675	Treat wrist dislocation	Carrier will consider service for payment.
25676	Treat wrist dislocation	Carrier will consider service for payment.
25680	Treat wrist fracture	Carrier will consider service for payment.
25685	Treat wrist fracture	Carrier will consider service for payment.
25690	Treat wrist dislocation	Carrier will consider service for payment.
25695	Treat wrist dislocation	Carrier will consider service for payment.
25800	Fusion of wrist joint	Carrier will consider service for payment.
25805	Fusion/graft of wrist joint	Carrier will consider service for payment.
25810	Fusion/graft of wrist joint	Carrier will consider service for payment.
25820	Fusion of hand bones	Carrier will consider service for payment.
25825	Fuse hand bones with graft	Carrier will consider service for payment.
25830	Fusion, radioulnar jnt/ulna	Carrier will consider service for payment.
25900	Amputation of forearm	Carrier will consider service for payment.
25905	Amputation of forearm	Carrier will consider service for payment.
25907	Amputation follow-up surgery	Carrier will consider service for payment.
25909	Amputation follow-up surgery	Carrier will consider service for payment.
25915	Amputation of forearm	Carrier will consider service for payment.
25920	Amputate hand at wrist	Carrier will consider service for payment.
25922	Amputate hand at wrist	Carrier will consider service for payment.
25924	Amputation follow-up surgery	Carrier will consider service for payment.
25927	Amputation of hand	Carrier will consider service for payment.
25929	Amputation follow-up surgery	Carrier will consider service for payment.
25931	Amputation follow-up surgery	Carrier will consider service for payment.
25999	Forearm or wrist surgery	Carrier will consider service for payment.
26010	Drainage of finger abscess	Carrier will consider service for payment.
26011	Drainage of finger abscess	Carrier will consider service for payment.
26020	Drain hand tendon sheath	Carrier will consider service for payment.
26025	Drainage of palm bursa	Carrier will consider service for payment.
26030	Drainage of palm bursa(s)	Carrier will consider service for payment.
26034	Treat hand bone lesion	Carrier will consider service for payment.
26035	Decompress fingers/hand	Carrier will consider service for payment.
26037	Decompress fingers/hand	Carrier will consider service for payment.
26040	Release palm contracture	Carrier will consider service for payment.
26045	Release palm contracture	Carrier will consider service for payment.
26055	Incise finger tendon sheath	Carrier will consider service for payment.

26060	Incision of finger tendon	Carrier will consider service for payment.
26070	Explore/treat hand joint	Carrier will consider service for payment.
26075	Explore/treat finger joint	Carrier will consider service for payment.
26080	Explore/treat finger joint	Carrier will consider service for payment.
26100	Biopsy hand joint lining	Carrier will consider service for payment.
26105	Biopsy finger joint lining	Carrier will consider service for payment.
26110	Biopsy finger joint lining	Carrier will consider service for payment.
26115	Removal hand lesion subcut	Carrier will consider service for payment.
26116	Removal hand lesion, deep	Carrier will consider service for payment.
26117	Remove tumor, hand/finger	Carrier will consider service for payment.
26121	Release palm contracture	Carrier will consider service for payment.
26123	Release palm contracture	Carrier will consider service for payment.
26125	Release palm contracture	Carrier will consider service for payment.
26130	Remove wrist joint lining	Carrier will consider service for payment.
26135	Revise finger joint, each	Carrier will consider service for payment.
26140	Revise finger joint, each	Carrier will consider service for payment.
26145	Tendon excision, palm/finger	Carrier will consider service for payment.
26160	Remove tendon sheath lesion	Carrier will consider service for payment.
26170	Removal of palm tendon, each	Carrier will consider service for payment.
26180	Removal of finger tendon	Carrier will consider service for payment.
26185	Remove finger bone	Carrier will consider service for payment.
26200	Remove hand bone lesion	Carrier will consider service for payment.
26205	Remove/graft bone lesion	Carrier will consider service for payment.
26210	Removal of finger lesion	Carrier will consider service for payment.
26215	Remove/graft finger lesion	Carrier will consider service for payment.
26230	Partial removal of hand bone	Carrier will consider service for payment.
26235	Partial removal, finger bone	Carrier will consider service for payment.
26236	Partial removal, finger bone	Carrier will consider service for payment.
26250	Extensive hand surgery	Carrier will consider service for payment.
26255	Extensive hand surgery	Carrier will consider service for payment.
26260	Extensive finger surgery	Carrier will consider service for payment.
26261	Extensive finger surgery	Carrier will consider service for payment.
26262	Partial removal of finger	Carrier will consider service for payment.
26320	Removal of implant from hand	Carrier will consider service for payment.
26340	Manipulate finger w/anesth	Carrier will consider service for payment.
26350	Repair finger/hand tendon	Carrier will consider service for payment.
26352	Repair/graft hand tendon	Carrier will consider service for payment.
26356	Repair finger/hand tendon	Carrier will consider service for payment.
26357	Repair finger/hand tendon	Carrier will consider service for payment.
26358	Repair/graft hand tendon	Carrier will consider service for payment.
26370	Repair finger/hand tendon	Carrier will consider service for payment.
26372	Repair/graft hand tendon	Carrier will consider service for payment.
26373	Repair finger/hand tendon	Carrier will consider service for payment.
26390	Revise hand/finger tendon	Carrier will consider service for payment.
26392	Repair/graft hand tendon	Carrier will consider service for payment.
26410	Repair hand tendon	Carrier will consider service for payment.
26412	Repair/graft hand tendon	Carrier will consider service for payment.
26415	Excision, hand/finger tendon	Carrier will consider service for payment.
26416	Graft hand or finger tendon	Carrier will consider service for payment.
26418	Repair finger tendon	Carrier will consider service for payment.
26420	Repair/graft finger tendon	Carrier will consider service for payment.
26426	Repair finger/hand tendon	Carrier will consider service for payment.

26428	Repair/graft finger tendon	Carrier will consider service for payment.
26432	Repair finger tendon	Carrier will consider service for payment.
26433	Repair finger tendon	Carrier will consider service for payment.
26434	Repair/graft finger tendon	Carrier will consider service for payment.
26437	Realignment of tendons	Carrier will consider service for payment.
26440	Release palm/finger tendon	Carrier will consider service for payment.
26442	Release palm & finger tendon	Carrier will consider service for payment.
26445	Release hand/finger tendon	Carrier will consider service for payment.
26449	Release forearm/hand tendon	Carrier will consider service for payment.
26450	Incision of palm tendon	Carrier will consider service for payment.
26455	Incision of finger tendon	Carrier will consider service for payment.
26460	Incise hand/finger tendon	Carrier will consider service for payment.
26471	Fusion of finger tendons	Carrier will consider service for payment.
26474	Fusion of finger tendons	Carrier will consider service for payment.
26476	Tendon lengthening	Carrier will consider service for payment.
26477	Tendon shortening	Carrier will consider service for payment.
26478	Lengthening of hand tendon	Carrier will consider service for payment.
26479	Shortening of hand tendon	Carrier will consider service for payment.
26480	Transplant hand tendon	Carrier will consider service for payment.
26483	Transplant/graft hand tendon	Carrier will consider service for payment.
26485	Transplant palm tendon	Carrier will consider service for payment.
26489	Transplant/graft palm tendon	Carrier will consider service for payment.
26490	Revise thumb tendon	Carrier will consider service for payment.
26492	Tendon transfer with graft	Carrier will consider service for payment.
26494	Hand tendon/muscle transfer	Carrier will consider service for payment.
26496	Revise thumb tendon	Carrier will consider service for payment.
26497	Finger tendon transfer	Carrier will consider service for payment.
26498	Finger tendon transfer	Carrier will consider service for payment.
26499	Revision of finger	Carrier will consider service for payment.
26500	Hand tendon reconstruction	Carrier will consider service for payment.
26502	Hand tendon reconstruction	Carrier will consider service for payment.
26504	Hand tendon reconstruction	Carrier will consider service for payment.
26508	Release thumb contracture	Carrier will consider service for payment.
26510	Thumb tendon transfer	Carrier will consider service for payment.
26516	Fusion of knuckle joint	Carrier will consider service for payment.
26517	Fusion of knuckle joints	Carrier will consider service for payment.
26518	Fusion of knuckle joints	Carrier will consider service for payment.
26520	Release knuckle contracture	Carrier will consider service for payment.
26525	Release finger contracture	Carrier will consider service for payment.
26530	Revise knuckle joint	Carrier will consider service for payment.
26531	Revise knuckle with implant	Carrier will consider service for payment.
26535	Revise finger joint	Carrier will consider service for payment.
26536	Revise/implant finger joint	Carrier will consider service for payment.
26540	Repair hand joint	Carrier will consider service for payment.
26541	Repair hand joint with graft	Carrier will consider service for payment.
26542	Repair hand joint with graft	Carrier will consider service for payment.
26545	Reconstruct finger joint	Carrier will consider service for payment.
26546	Repair nonunion hand	Carrier will consider service for payment.
26548	Reconstruct finger joint	Carrier will consider service for payment.
26550	Construct thumb replacement	Carrier will consider service for payment.
26551	Great toe-hand transfer	Carrier will consider service for payment.
26553	Single transfer, toe-hand	Carrier will consider service for payment.

26554	Double transfer, toe-hand	Carrier will consider service for payment.
26555	Positional change of finger	Carrier will consider service for payment.
26556	Toe joint transfer	Carrier will consider service for payment.
26560	Repair of web finger	Carrier will consider service for payment.
26561	Repair of web finger	Carrier will consider service for payment.
26562	Repair of web finger	Carrier will consider service for payment.
26565	Correct metacarpal flaw	Carrier will consider service for payment.
26567	Correct finger deformity	Carrier will consider service for payment.
26568	Lengthen metacarpal/finger	Carrier will consider service for payment.
26580	Repair hand deformity	Carrier will consider service for payment.
26587	Reconstruct extra finger	Carrier will consider service for payment.
26590	Repair finger deformity	Carrier will consider service for payment.
26591	Repair muscles of hand	Carrier will consider service for payment.
26593	Release muscles of hand	Carrier will consider service for payment.
26596	Excision constricting tissue	Carrier will consider service for payment.
26600	Treat metacarpal fracture	Carrier will consider service for payment.
26605	Treat metacarpal fracture	Carrier will consider service for payment.
26607	Treat metacarpal fracture	Carrier will consider service for payment.
26608	Treat metacarpal fracture	Carrier will consider service for payment.
26615	Treat metacarpal fracture	Carrier will consider service for payment.
26641	Treat thumb dislocation	Carrier will consider service for payment.
26645	Treat thumb fracture	Carrier will consider service for payment.
26650	Treat thumb fracture	Carrier will consider service for payment.
26665	Treat thumb fracture	Carrier will consider service for payment.
26670	Treat hand dislocation	Carrier will consider service for payment.
26675	Treat hand dislocation	Carrier will consider service for payment.
26676	Pin hand dislocation	Carrier will consider service for payment.
26685	Treat hand dislocation	Carrier will consider service for payment.
26686	Treat hand dislocation	Carrier will consider service for payment.
26700	Treat knuckle dislocation	Carrier will consider service for payment.
26705	Treat knuckle dislocation	Carrier will consider service for payment.
26706	Pin knuckle dislocation	Carrier will consider service for payment.
26715	Treat knuckle dislocation	Carrier will consider service for payment.
26720	Treat finger fracture, each	Carrier will consider service for payment.
26725	Treat finger fracture, each	Carrier will consider service for payment.
26727	Treat finger fracture, each	Carrier will consider service for payment.
26735	Treat finger fracture, each	Carrier will consider service for payment.
26740	Treat finger fracture, each	Carrier will consider service for payment.
26742	Treat finger fracture, each	Carrier will consider service for payment.
26746	Treat finger fracture, each	Carrier will consider service for payment.
26750	Treat finger fracture, each	Carrier will consider service for payment.
26755	Treat finger fracture, each	Carrier will consider service for payment.
26756	Pin finger fracture, each	Carrier will consider service for payment.
26765	Treat finger fracture, each	Carrier will consider service for payment.
26770	Treat finger dislocation	Carrier will consider service for payment.
26775	Treat finger dislocation	Carrier will consider service for payment.
26776	Pin finger dislocation	Carrier will consider service for payment.
26785	Treat finger dislocation	Carrier will consider service for payment.
26820	Thumb fusion with graft	Carrier will consider service for payment.
26841	Fusion of thumb	Carrier will consider service for payment.
26842	Thumb fusion with graft	Carrier will consider service for payment.
26843	Fusion of hand joint	Carrier will consider service for payment.

26844	Fusion/graft of hand joint	Carrier will consider service for payment.
26850	Fusion of knuckle	Carrier will consider service for payment.
26852	Fusion of knuckle with graft	Carrier will consider service for payment.
26860	Fusion of finger joint	Carrier will consider service for payment.
26861	Fusion of finger jnt, add-on	Carrier will consider service for payment.
26862	Fusion/graft of finger joint	Carrier will consider service for payment.
26863	Fuse/graft added joint	Carrier will consider service for payment.
26910	Amputate metacarpal bone	Carrier will consider service for payment.
26951	Amputation of finger/thumb	Carrier will consider service for payment.
26952	Amputation of finger/thumb	Carrier will consider service for payment.
26989	Hand/finger surgery	Carrier will consider service for payment.
26990	Drainage of pelvis lesion	Carrier will consider service for payment.
26991	Drainage of pelvis bursa	Carrier will consider service for payment.
26992	Drainage of bone lesion	Carrier will consider service for payment.
27000	Incision of hip tendon	Carrier will consider service for payment.
27001	Incision of hip tendon	Carrier will consider service for payment.
27003	Incision of hip tendon	Carrier will consider service for payment.
27005	Incision of hip tendon	Carrier will consider service for payment.
27006	Incision of hip tendons	Carrier will consider service for payment.
27025	Incision of hip/thigh fascia	Carrier will consider service for payment.
27030	Drainage of hip joint	Carrier will consider service for payment.
27033	Exploration of hip joint	Carrier will consider service for payment.
27035	Denervation of hip joint	Carrier will consider service for payment.
27036	Excision of hip joint/muscle	Carrier will consider service for payment.
27040	Biopsy of soft tissues	Carrier will consider service for payment.
27041	Biopsy of soft tissues	Carrier will consider service for payment.
27047	Remove hip/pelvis lesion	Carrier will consider service for payment.
27048	Remove hip/pelvis lesion	Carrier will consider service for payment.
27049	Remove tumor, hip/pelvis	Carrier will consider service for payment.
27050	Biopsy of sacroiliac joint	Carrier will consider service for payment.
27052	Biopsy of hip joint	Carrier will consider service for payment.
27054	Removal of hip joint lining	Carrier will consider service for payment.
27060	Removal of ischial bursa	Carrier will consider service for payment.
27062	Remove femur lesion/bursa	Carrier will consider service for payment.
27065	Removal of hip bone lesion	Carrier will consider service for payment.
27066	Removal of hip bone lesion	Carrier will consider service for payment.
27067	Remove/graft hip bone lesion	Carrier will consider service for payment.
27070	Partial removal of hip bone	Carrier will consider service for payment.
27071	Partial removal of hip bone	Carrier will consider service for payment.
27075	Extensive hip surgery	Carrier will consider service for payment.
27076	Extensive hip surgery	Carrier will consider service for payment.
27077	Extensive hip surgery	Carrier will consider service for payment.
27078	Extensive hip surgery	Carrier will consider service for payment.
27079	Extensive hip surgery	Carrier will consider service for payment.
27080	Removal of tail bone	Carrier will consider service for payment.
27086	Remove hip foreign body	Carrier will consider service for payment.
27087	Remove hip foreign body	Carrier will consider service for payment.
27090	Removal of hip prosthesis	Carrier will consider service for payment.
27091	Removal of hip prosthesis	Carrier will consider service for payment.
27093	Injection for hip x-ray	Carrier will consider service for payment.
27095	Injection for hip x-ray	Carrier will consider service for payment.
27096	Inject sacroiliac joint	Carrier will consider service for payment.

27097	Revision of hip tendon	Carrier will consider service for payment.
27098	Transfer tendon to pelvis	Carrier will consider service for payment.
27100	Transfer of abdominal muscle	Carrier will consider service for payment.
27105	Transfer of spinal muscle	Carrier will consider service for payment.
27110	Transfer of iliopsoas muscle	Carrier will consider service for payment.
27111	Transfer of iliopsoas muscle	Carrier will consider service for payment.
27120	Reconstruction of hip socket	Carrier will consider service for payment.
27122	Reconstruction of hip socket	Carrier will consider service for payment.
27125	Partial hip replacement	Carrier will consider service for payment.
27130	Total hip arthroplasty	Carrier will consider service for payment.
27132	Total hip arthroplasty	Carrier will consider service for payment.
27134	Revise hip joint replacement	Carrier will consider service for payment.
27137	Revise hip joint replacement	Carrier will consider service for payment.
27138	Revise hip joint replacement	Carrier will consider service for payment.
27140	Transplant femur ridge	Carrier will consider service for payment.
27146	Incision of hip bone	Carrier will consider service for payment.
27147	Revision of hip bone	Carrier will consider service for payment.
27151	Incision of hip bones	Carrier will consider service for payment.
27156	Revision of hip bones	Carrier will consider service for payment.
27158	Revision of pelvis	Carrier will consider service for payment.
27161	Incision of neck of femur	Carrier will consider service for payment.
27165	Incision/fixation of femur	Carrier will consider service for payment.
27170	Repair/graft femur head/neck	Carrier will consider service for payment.
27175	Treat slipped epiphysis	Carrier will consider service for payment.
27176	Treat slipped epiphysis	Carrier will consider service for payment.
27177	Treat slipped epiphysis	Carrier will consider service for payment.
27178	Treat slipped epiphysis	Carrier will consider service for payment.
27179	Revise head/neck of femur	Carrier will consider service for payment.
27181	Treat slipped epiphysis	Carrier will consider service for payment.
27185	Revision of femur epiphysis	Carrier will consider service for payment.
27187	Reinforce hip bones	Carrier will consider service for payment.
27193	Treat pelvic ring fracture	Carrier will consider service for payment.
27194	Treat pelvic ring fracture	Carrier will consider service for payment.
27200	Treat tail bone fracture	Carrier will consider service for payment.
27202	Treat tail bone fracture	Carrier will consider service for payment.
27215	Treat pelvic fracture(s)	Carrier will consider service for payment.
27216	Treat pelvic ring fracture	Carrier will consider service for payment.
27217	Treat pelvic ring fracture	Carrier will consider service for payment.
27218	Treat pelvic ring fracture	Carrier will consider service for payment.
27220	Treat hip socket fracture	Carrier will consider service for payment.
27222	Treat hip socket fracture	Carrier will consider service for payment.
27226	Treat hip wall fracture	Carrier will consider service for payment.
27227	Treat hip fracture(s)	Carrier will consider service for payment.
27228	Treat hip fracture(s)	Carrier will consider service for payment.
27230	Treat thigh fracture	Carrier will consider service for payment.
27232	Treat thigh fracture	Carrier will consider service for payment.
27235	Treat thigh fracture	Carrier will consider service for payment.
27236	Treat thigh fracture	Carrier will consider service for payment.
27238	Treat thigh fracture	Carrier will consider service for payment.
27240	Treat thigh fracture	Carrier will consider service for payment.
27244	Treat thigh fracture	Carrier will consider service for payment.
27245	Treat thigh fracture	Carrier will consider service for payment.

27246	Treat thigh fracture	Carrier will consider service for payment.
27248	Treat thigh fracture	Carrier will consider service for payment.
27250	Treat hip dislocation	Carrier will consider service for payment.
27252	Treat hip dislocation	Carrier will consider service for payment.
27253	Treat hip dislocation	Carrier will consider service for payment.
27254	Treat hip dislocation	Carrier will consider service for payment.
27256	Treat hip dislocation	Carrier will consider service for payment.
27257	Treat hip dislocation	Carrier will consider service for payment.
27258	Treat hip dislocation	Carrier will consider service for payment.
27259	Treat hip dislocation	Carrier will consider service for payment.
27265	Treat hip dislocation	Carrier will consider service for payment.
27266	Treat hip dislocation	Carrier will consider service for payment.
27275	Manipulation of hip joint	Carrier will consider service for payment.
27280	Fusion of sacroiliac joint	Carrier will consider service for payment.
27282	Fusion of pubic bones	Carrier will consider service for payment.
27284	Fusion of hip joint	Carrier will consider service for payment.
27286	Fusion of hip joint	Carrier will consider service for payment.
27290	Amputation of leg at hip	Carrier will consider service for payment.
27295	Amputation of leg at hip	Carrier will consider service for payment.
27299	Pelvis/hip joint surgery	Carrier will consider service for payment.
27301	Drain thigh/knee lesion	Carrier will consider service for payment.
27303	Drainage of bone lesion	Carrier will consider service for payment.
27305	Incise thigh tendon & fascia	Carrier will consider service for payment.
27306	Incision of thigh tendon	Carrier will consider service for payment.
27307	Incision of thigh tendons	Carrier will consider service for payment.
27310	Exploration of knee joint	Carrier will consider service for payment.
27315	Partial removal, thigh nerve	Carrier will consider service for payment.
27320	Partial removal, thigh nerve	Carrier will consider service for payment.
27323	Biopsy, thigh soft tissues	Carrier will consider service for payment.
27324	Biopsy, thigh soft tissues	Carrier will consider service for payment.
27327	Removal of thigh lesion	Carrier will consider service for payment.
27328	Removal of thigh lesion	Carrier will consider service for payment.
27329	Remove tumor, thigh/knee	Carrier will consider service for payment.
27330	Biopsy, knee joint lining	Carrier will consider service for payment.
27331	Explore/treat knee joint	Carrier will consider service for payment.
27332	Removal of knee cartilage	Carrier will consider service for payment.
27333	Removal of knee cartilage	Carrier will consider service for payment.
27334	Remove knee joint lining	Carrier will consider service for payment.
27335	Remove knee joint lining	Carrier will consider service for payment.
27340	Removal of kneecap bursa	Carrier will consider service for payment.
27345	Removal of knee cyst	Carrier will consider service for payment.
27347	Remove knee cyst	Carrier will consider service for payment.
27350	Removal of kneecap	Carrier will consider service for payment.
27355	Remove femur lesion	Carrier will consider service for payment.
27356	Remove femur lesion/graft	Carrier will consider service for payment.
27357	Remove femur lesion/graft	Carrier will consider service for payment.
27358	Remove femur lesion/fixation	Carrier will consider service for payment.
27360	Partial removal, leg bone(s)	Carrier will consider service for payment.
27365	Extensive leg surgery	Carrier will consider service for payment.
27370	Injection for knee x-ray	Carrier will consider service for payment.
27372	Removal of foreign body	Carrier will consider service for payment.
27380	Repair of kneecap tendon	Carrier will consider service for payment.

27381	Repair/graft kneecap tendon	Carrier will consider service for payment.
27385	Repair of thigh muscle	Carrier will consider service for payment.
27386	Repair/graft of thigh muscle	Carrier will consider service for payment.
27390	Incision of thigh tendon	Carrier will consider service for payment.
27391	Incision of thigh tendons	Carrier will consider service for payment.
27392	Incision of thigh tendons	Carrier will consider service for payment.
27393	Lengthening of thigh tendon	Carrier will consider service for payment.
27394	Lengthening of thigh tendons	Carrier will consider service for payment.
27395	Lengthening of thigh tendons	Carrier will consider service for payment.
27396	Transplant of thigh tendon	Carrier will consider service for payment.
27397	Transplants of thigh tendons	Carrier will consider service for payment.
27400	Revise thigh muscles/tendons	Carrier will consider service for payment.
27403	Repair of knee cartilage	Carrier will consider service for payment.
27405	Repair of knee ligament	Carrier will consider service for payment.
27407	Repair of knee ligament	Carrier will consider service for payment.
27409	Repair of knee ligaments	Carrier will consider service for payment.
27412	Autochondrocyte implant knee	Carrier will consider service for payment.
27415	Osteochondral knee allograft	Carrier will consider service for payment.
27418	Repair degenerated kneecap	Carrier will consider service for payment.
27420	Revision of unstable kneecap	Carrier will consider service for payment.
27422	Revision of unstable kneecap	Carrier will consider service for payment.
27424	Revision/removal of kneecap	Carrier will consider service for payment.
27425	Lat retinacular release open	Carrier will consider service for payment.
27427	Reconstruction, knee	Carrier will consider service for payment.
27428	Reconstruction, knee	Carrier will consider service for payment.
27429	Reconstruction, knee	Carrier will consider service for payment.
27430	Revision of thigh muscles	Carrier will consider service for payment.
27435	Incision of knee joint	Carrier will consider service for payment.
27437	Revise kneecap	Carrier will consider service for payment.
27438	Revise kneecap with implant	Carrier will consider service for payment.
27440	Revision of knee joint	Carrier will consider service for payment.
27441	Revision of knee joint	Carrier will consider service for payment.
27442	Revision of knee joint	Carrier will consider service for payment.
27443	Revision of knee joint	Carrier will consider service for payment.
27445	Revision of knee joint	Carrier will consider service for payment.
27446	Revision of knee joint	Carrier will consider service for payment.
27447	Total knee arthroplasty	Carrier will consider service for payment.
27448	Incision of thigh	Carrier will consider service for payment.
27450	Incision of thigh	Carrier will consider service for payment.
27454	Realignment of thigh bone	Carrier will consider service for payment.
27455	Realignment of knee	Carrier will consider service for payment.
27457	Realignment of knee	Carrier will consider service for payment.
27465	Shortening of thigh bone	Carrier will consider service for payment.
27466	Lengthening of thigh bone	Carrier will consider service for payment.
27468	Shorten/lengthen thighs	Carrier will consider service for payment.
27470	Repair of thigh	Carrier will consider service for payment.
27472	Repair/graft of thigh	Carrier will consider service for payment.
27475	Surgery to stop leg growth	Carrier will consider service for payment.
27477	Surgery to stop leg growth	Carrier will consider service for payment.
27479	Surgery to stop leg growth	Carrier will consider service for payment.
27485	Surgery to stop leg growth	Carrier will consider service for payment.
27486	Revise/replace knee joint	Carrier will consider service for payment.

27487	Revise/replace knee joint	Carrier will consider service for payment.
27488	Removal of knee prosthesis	Carrier will consider service for payment.
27495	Reinforce thigh	Carrier will consider service for payment.
27496	Decompression of thigh/knee	Carrier will consider service for payment.
27497	Decompression of thigh/knee	Carrier will consider service for payment.
27498	Decompression of thigh/knee	Carrier will consider service for payment.
27499	Decompression of thigh/knee	Carrier will consider service for payment.
27500	Treatment of thigh fracture	Carrier will consider service for payment.
27501	Treatment of thigh fracture	Carrier will consider service for payment.
27502	Treatment of thigh fracture	Carrier will consider service for payment.
27503	Treatment of thigh fracture	Carrier will consider service for payment.
27506	Treatment of thigh fracture	Carrier will consider service for payment.
27507	Treatment of thigh fracture	Carrier will consider service for payment.
27508	Treatment of thigh fracture	Carrier will consider service for payment.
27509	Treatment of thigh fracture	Carrier will consider service for payment.
27510	Treatment of thigh fracture	Carrier will consider service for payment.
27511	Treatment of thigh fracture	Carrier will consider service for payment.
27513	Treatment of thigh fracture	Carrier will consider service for payment.
27514	Treatment of thigh fracture	Carrier will consider service for payment.
27516	Treat thigh fx growth plate	Carrier will consider service for payment.
27517	Treat thigh fx growth plate	Carrier will consider service for payment.
27519	Treat thigh fx growth plate	Carrier will consider service for payment.
27520	Treat kneecap fracture	Carrier will consider service for payment.
27524	Treat kneecap fracture	Carrier will consider service for payment.
27530	Treat knee fracture	Carrier will consider service for payment.
27532	Treat knee fracture	Carrier will consider service for payment.
27535	Treat knee fracture	Carrier will consider service for payment.
27536	Treat knee fracture	Carrier will consider service for payment.
27538	Treat knee fracture(s)	Carrier will consider service for payment.
27540	Treat knee fracture	Carrier will consider service for payment.
27550	Treat knee dislocation	Carrier will consider service for payment.
27552	Treat knee dislocation	Carrier will consider service for payment.
27556	Treat knee dislocation	Carrier will consider service for payment.
27557	Treat knee dislocation	Carrier will consider service for payment.
27558	Treat knee dislocation	Carrier will consider service for payment.
27560	Treat kneecap dislocation	Carrier will consider service for payment.
27562	Treat kneecap dislocation	Carrier will consider service for payment.
27566	Treat kneecap dislocation	Carrier will consider service for payment.
27570	Fixation of knee joint	Carrier will consider service for payment.
27580	Fusion of knee	Carrier will consider service for payment.
27590	Amputate leg at thigh	Carrier will consider service for payment.
27591	Amputate leg at thigh	Carrier will consider service for payment.
27592	Amputate leg at thigh	Carrier will consider service for payment.
27594	Amputation follow-up surgery	Carrier will consider service for payment.
27596	Amputation follow-up surgery	Carrier will consider service for payment.
27598	Amputate lower leg at knee	Carrier will consider service for payment.
27599	Leg surgery procedure	Carrier will consider service for payment.
27600	Decompression of lower leg	Carrier will consider service for payment.
27601	Decompression of lower leg	Carrier will consider service for payment.
27602	Decompression of lower leg	Carrier will consider service for payment.
27603	Drain lower leg lesion	Carrier will consider service for payment.
27604	Drain lower leg bursa	Carrier will consider service for payment.

27605	Incision of achilles tendon	Carrier will consider service for payment.
27606	Incision of achilles tendon	Carrier will consider service for payment.
27607	Treat lower leg bone lesion	Carrier will consider service for payment.
27610	Explore/treat ankle joint	Carrier will consider service for payment.
27612	Exploration of ankle joint	Carrier will consider service for payment.
27613	Biopsy lower leg soft tissue	Carrier will consider service for payment.
27614	Biopsy lower leg soft tissue	Carrier will consider service for payment.
27615	Remove tumor, lower leg	Carrier will consider service for payment.

33405	Replacement of aortic valve	Carrier will consider service for payment.
33406	Replacement of aortic valve	Carrier will consider service for payment.
33410	Replacement of aortic valve	Carrier will consider service for payment.
33411	Replacement of aortic valve	Carrier will consider service for payment.
33412	Replacement of aortic valve	Carrier will consider service for payment.
33413	Replacement of aortic valve	Carrier will consider service for payment.
33414	Repair of aortic valve	Carrier will consider service for payment.
33415	Revision, subvalvular tissue	Carrier will consider service for payment.
33416	Revise ventricle muscle	Carrier will consider service for payment.
33417	Repair of aortic valve	Carrier will consider service for payment.
33420	Revision of mitral valve	Carrier will consider service for payment.
33422	Revision of mitral valve	Carrier will consider service for payment.
33425	Repair of mitral valve	Carrier will consider service for payment.
33426	Repair of mitral valve	Carrier will consider service for payment.
33427	Repair of mitral valve	Carrier will consider service for payment.
33430	Replacement of mitral valve	Carrier will consider service for payment.
33460	Revision of tricuspid valve	Carrier will consider service for payment.
33463	Valvuloplasty, tricuspid	Carrier will consider service for payment.
33464	Valvuloplasty, tricuspid	Carrier will consider service for payment.
33465	Replace tricuspid valve	Carrier will consider service for payment.
33468	Revision of tricuspid valve	Carrier will consider service for payment.
33470	Revision of pulmonary valve	Carrier will consider service for payment.
33471	Valvotomy, pulmonary valve	Carrier will consider service for payment.
33472	Revision of pulmonary valve	Carrier will consider service for payment.
33474	Revision of pulmonary valve	Carrier will consider service for payment.
33475	Replacement, pulmonary valve	Carrier will consider service for payment.
33476	Revision of heart chamber	Carrier will consider service for payment.
33478	Revision of heart chamber	Carrier will consider service for payment.

33496	Repair, prosth valve clot	Carrier will consider service for payment.
33500	Repair heart vessel fistula	Carrier will consider service for payment.
33501	Repair heart vessel fistula	Carrier will consider service for payment.
33502	Coronary artery correction	Carrier will consider service for payment.
33503	Coronary artery graft	Carrier will consider service for payment.
33504	Coronary artery graft	Carrier will consider service for payment.
33505	Repair artery w/tunnel	Carrier will consider service for payment.
33506	Repair artery, translocation	Carrier will consider service for payment.
33508	Endoscopic vein harvest	Carrier will consider service for payment.
33510	CABG, vein, single	Carrier will consider service for payment.
33511	CABG, vein, two	Carrier will consider service for payment.
33512	CABG, vein, three	Carrier will consider service for payment.
33513	CABG, vein, four	Carrier will consider service for payment.
33514	CABG, vein, five	Carrier will consider service for payment.
33516	Cabg, vein, six or more	Carrier will consider service for payment.
33517	CABG, artery-vein, single	Carrier will consider service for payment.
33518	CABG, artery-vein, two	Carrier will consider service for payment.
33519	CABG, artery-vein, three	Carrier will consider service for payment.
33521	CABG, artery-vein, four	Carrier will consider service for payment.
33522	CABG, artery-vein, five	Carrier will consider service for payment.
33523	Cabg, art-vein, six or more	Carrier will consider service for payment.
33530	Coronary artery, bypass/reop	Carrier will consider service for payment.
33533	CABG, arterial, single	Carrier will consider service for payment.
33534	CABG, arterial, two	Carrier will consider service for payment.
33535	CABG, arterial, three	Carrier will consider service for payment.
33536	Cabg, arterial, four or more	Carrier will consider service for payment.
33542	Removal of heart lesion	Carrier will consider service for payment.
33545	Repair of heart damage	Carrier will consider service for payment.
33572	Open coronary endarterectomy	Carrier will consider service for payment.
33600	Closure of valve	Carrier will consider service for payment.
33602	Closure of valve	Carrier will consider service for payment.
33606	Anastomosis/artery-aorta	Carrier will consider service for payment.
33608	Repair anomaly w/conduit	Carrier will consider service for payment.
33610	Repair by enlargement	Carrier will consider service for payment.
33611	Repair double ventricle	Carrier will consider service for payment.
33612	Repair double ventricle	Carrier will consider service for payment.
33615	Repair, modified fontan	Carrier will consider service for payment.
33617	Repair single ventricle	Carrier will consider service for payment.
33619	Repair single ventricle	Carrier will consider service for payment.
33641	Repair heart septum defect	Carrier will consider service for payment.
33645	Revision of heart veins	Carrier will consider service for payment.
33647	Repair heart septum defects	Carrier will consider service for payment.
33660	Repair of heart defects	Carrier will consider service for payment.
33665	Repair of heart defects	Carrier will consider service for payment.
33670	Repair of heart chambers	Carrier will consider service for payment.
33681	Repair heart septum defect	Carrier will consider service for payment.
33684	Repair heart septum defect	Carrier will consider service for payment.
33688	Repair heart septum defect	Carrier will consider service for payment.
33690	Reinforce pulmonary artery	Carrier will consider service for payment.
33692	Repair of heart defects	Carrier will consider service for payment.
33694	Repair of heart defects	Carrier will consider service for payment.
33697	Repair of heart defects	Carrier will consider service for payment.

33702	Repair of heart defects	Carrier will consider service for payment.
33710	Repair of heart defects	Carrier will consider service for payment.
33720	Repair of heart defect	Carrier will consider service for payment.
33722	Repair of heart defect	Carrier will consider service for payment.
33730	Repair heart-vein defect(s)	Carrier will consider service for payment.
33732	Repair heart-vein defect	Carrier will consider service for payment.
33735	Revision of heart chamber	Carrier will consider service for payment.
33736	Revision of heart chamber	Carrier will consider service for payment.
33737	Revision of heart chamber	Carrier will consider service for payment.
33750	Major vessel shunt	Carrier will consider service for payment.
33755	Major vessel shunt	Carrier will consider service for payment.
33762	Major vessel shunt	Carrier will consider service for payment.
33764	Major vessel shunt & graft	Carrier will consider service for payment.
33766	Major vessel shunt	Carrier will consider service for payment.
33767	Major vessel shunt	Carrier will consider service for payment.
33770	Repair great vessels defect	Carrier will consider service for payment.
33771	Repair great vessels defect	Carrier will consider service for payment.
33774	Repair great vessels defect	Carrier will consider service for payment.
33775	Repair great vessels defect	Carrier will consider service for payment.
33776	Repair great vessels defect	Carrier will consider service for payment.
33777	Repair great vessels defect	Carrier will consider service for payment.
33778	Repair great vessels defect	Carrier will consider service for payment.
33779	Repair great vessels defect	Carrier will consider service for payment.
33780	Repair great vessels defect	Carrier will consider service for payment.
33781	Repair great vessels defect	Carrier will consider service for payment.
33786	Repair arterial trunk	Carrier will consider service for payment.
33788	Revision of pulmonary artery	Carrier will consider service for payment.
33800	Aortic suspension	Carrier will consider service for payment.
33802	Repair vessel defect	Carrier will consider service for payment.
33803	Repair vessel defect	Carrier will consider service for payment.
33813	Repair septal defect	Carrier will consider service for payment.
33814	Repair septal defect	Carrier will consider service for payment.
33820	Revise major vessel	Carrier will consider service for payment.
33822	Revise major vessel	Carrier will consider service for payment.
33824	Revise major vessel	Carrier will consider service for payment.
33840	Remove aorta constriction	Carrier will consider service for payment.
33845	Remove aorta constriction	Carrier will consider service for payment.
33851	Remove aorta constriction	Carrier will consider service for payment.
33852	Repair septal defect	Carrier will consider service for payment.
33853	Repair septal defect	Carrier will consider service for payment.
33860	Ascending aortic graft	Carrier will consider service for payment.
33861	Ascending aortic graft	Carrier will consider service for payment.
33863	Ascending aortic graft	Carrier will consider service for payment.
33870	Transverse aortic arch graft	Carrier will consider service for payment.
33875	Thoracic aortic graft	Carrier will consider service for payment.
33877	Thoracoabdominal graft	Carrier will consider service for payment.
33910	Remove lung artery emboli	Carrier will consider service for payment.
33915	Remove lung artery emboli	Carrier will consider service for payment.
33916	Surgery of great vessel	Carrier will consider service for payment.
33917	Repair pulmonary artery	Carrier will consider service for payment.
33918	Repair pulmonary atresia	Carrier will consider service for payment.
33919	Repair pulmonary atresia	Carrier will consider service for payment.

33920	Repair pulmonary atresia	Carrier will consider service for payment.
33922	Transect pulmonary artery	Carrier will consider service for payment.
33924	Remove pulmonary shunt	Carrier will consider service for payment.
33933	Prepare donor heart/lung	Carrier will consider service for payment.
33935	Transplantation, heart/lung	Carrier will consider service for payment.
33944	Prepare donor heart	Carrier will consider service for payment.
33945	Transplantation of heart	Carrier will consider service for payment.
33960	External circulation assist	Carrier will consider service for payment.
33961	External circulation assist	Carrier will consider service for payment.
33967	Insert ia percut device	Carrier will consider service for payment.
33968	Remove aortic assist device	Carrier will consider service for payment.
33970	Aortic circulation assist	Carrier will consider service for payment.
33971	Aortic circulation assist	Carrier will consider service for payment.
33973	Insert balloon device	Carrier will consider service for payment.
33974	Remove intra-aortic balloon	Carrier will consider service for payment.
33975	Implant ventricular device	Carrier will consider service for payment.
33976	Implant ventricular device	Carrier will consider service for payment.
33977	Remove ventricular device	Carrier will consider service for payment.
33978	Remove ventricular device	Carrier will consider service for payment.
33979	Insert intracorporeal device	Carrier will consider service for payment.
33980	Remove intracorporeal device	Carrier will consider service for payment.
33999	Cardiac surgery procedure	Carrier will consider service for payment.
34001	Removal of artery clot	Carrier will consider service for payment.
34051	Removal of artery clot	Carrier will consider service for payment.
34101	Removal of artery clot	Carrier will consider service for payment.
34111	Removal of arm artery clot	Carrier will consider service for payment.
34151	Removal of artery clot	Carrier will consider service for payment.
34201	Removal of artery clot	Carrier will consider service for payment.
34203	Removal of leg artery clot	Carrier will consider service for payment.
34401	Removal of vein clot	Carrier will consider service for payment.
34421	Removal of vein clot	Carrier will consider service for payment.
34451	Removal of vein clot	Carrier will consider service for payment.
34471	Removal of vein clot	Carrier will consider service for payment.
34490	Removal of vein clot	Carrier will consider service for payment.
34501	Repair valve, femoral vein	Carrier will consider service for payment.
34502	Reconstruct vena cava	Carrier will consider service for payment.
34510	Transposition of vein valve	Carrier will consider service for payment.

64836	Repair of hand or foot nerve	Carrier will consider service for payment.
64837	Repair nerve add-on	Carrier will consider service for payment.
64840	Repair of leg nerve	Carrier will consider service for payment.
64856	Repair/transpose nerve	Carrier will consider service for payment.
64857	Repair arm/leg nerve	Carrier will consider service for payment.
64858	Repair sciatic nerve	Carrier will consider service for payment.
64859	Nerve surgery	Carrier will consider service for payment.
64861	Repair of arm nerves	Carrier will consider service for payment.
64862	Repair of low back nerves	Carrier will consider service for payment.
64864	Repair of facial nerve	Carrier will consider service for payment.
64865	Repair of facial nerve	Carrier will consider service for payment.
64866	Fusion of facial/other nerve	Carrier will consider service for payment.
64868	Fusion of facial/other nerve	Carrier will consider service for payment.
64870	Fusion of facial/other nerve	Carrier will consider service for payment.
64872	Subsequent repair of nerve	Carrier will consider service for payment.
64874	Repair & revise nerve add-on	Carrier will consider service for payment.
64876	Repair nerve/shorten bone	Carrier will consider service for payment.
64885	Nerve graft, head or neck	Carrier will consider service for payment.
64886	Nerve graft, head or neck	Carrier will consider service for payment.
64890	Nerve graft, hand or foot	Carrier will consider service for payment.
64891	Nerve graft, hand or foot	Carrier will consider service for payment.
64892	Nerve graft, arm or leg	Carrier will consider service for payment.
64893	Nerve graft, arm or leg	Carrier will consider service for payment.
64895	Nerve graft, hand or foot	Carrier will consider service for payment.
64896	Nerve graft, hand or foot	Carrier will consider service for payment.
64897	Nerve graft, arm or leg	Carrier will consider service for payment.
64898	Nerve graft, arm or leg	Carrier will consider service for payment.
64901	Nerve graft add-on	Carrier will consider service for payment.
64902	Nerve graft add-on	Carrier will consider service for payment.
64905	Nerve pedicle transfer	Carrier will consider service for payment.
64907	Nerve pedicle transfer	Carrier will consider service for payment.
64999	Nervous system surgery	Carrier will consider service for payment.
65091	Revise eye	Carrier will consider service for payment.
65093	Revise eye with implant	Carrier will consider service for payment.
65101	Removal of eye	Carrier will consider service for payment.
65103	Remove eye/insert implant	Carrier will consider service for payment.
65105	Remove eye/attach implant	Carrier will consider service for payment.
65110	Removal of eye	Carrier will consider service for payment.
65112	Remove eye/revise socket	Carrier will consider service for payment.
65114	Remove eye/revise socket	Carrier will consider service for payment.
65125	Revise ocular implant	Carrier will consider service for payment.
65130	Insert ocular implant	Carrier will consider service for payment.
65135	Insert ocular implant	Carrier will consider service for payment.
65140	Attach ocular implant	Carrier will consider service for payment.
65150	Revise ocular implant	Carrier will consider service for payment.
65155	Reinsert ocular implant	Carrier will consider service for payment.
65175	Removal of ocular implant	Carrier will consider service for payment.
65205	Remove foreign body from eye	Carrier will consider service for payment.

65210	Remove foreign body from eye	Carrier will consider service for payment.
65220	Remove foreign body from eye	Carrier will consider service for payment.
65222	Remove foreign body from eye	Carrier will consider service for payment.
65235	Remove foreign body from eye	Carrier will consider service for payment.
65260	Remove foreign body from eye	Carrier will consider service for payment.
65265	Remove foreign body from eye	Carrier will consider service for payment.
65270	Repair of eye wound	Carrier will consider service for payment.
65272	Repair of eye wound	Carrier will consider service for payment.
65273	Repair of eye wound	Carrier will consider service for payment.
65275	Repair of eye wound	Carrier will consider service for payment.
65280	Repair of eye wound	Carrier will consider service for payment.
65285	Repair of eye wound	Carrier will consider service for payment.
65286	Repair of eye wound	Carrier will consider service for payment.
65290	Repair of eye socket wound	Carrier will consider service for payment.
65400	Removal of eye lesion	Carrier will consider service for payment.
65410	Biopsy of cornea	Carrier will consider service for payment.
65420	Removal of eye lesion	Carrier will consider service for payment.
65426	Removal of eye lesion	Carrier will consider service for payment.
65430	Corneal smear	Carrier will consider service for payment.
65435	Curette/treat cornea	Carrier will consider service for payment.
65436	Curette/treat cornea	Carrier will consider service for payment.
65450	Treatment of corneal lesion	Carrier will consider service for payment.
65600	Revision of cornea	Carrier will consider service for payment.
65710	Corneal transplant	Carrier will consider service for payment.
65730	Corneal transplant	Carrier will consider service for payment.
65750	Corneal transplant	Carrier will consider service for payment.
65755	Corneal transplant	Carrier will consider service for payment.
65770	Revise cornea with implant	Carrier will consider service for payment.
65772	Correction of astigmatism	Carrier will consider service for payment.
65775	Correction of astigmatism	Carrier will consider service for payment.
65780	Ocular reconst, transplant	Carrier will consider service for payment.
65781	Ocular reconst, transplant	Carrier will consider service for payment.
65782	Ocular reconst, transplant	Carrier will consider service for payment.
65800	Drainage of eye	Carrier will consider service for payment.
65805	Drainage of eye	Carrier will consider service for payment.
65810	Drainage of eye	Carrier will consider service for payment.
65815	Drainage of eye	Carrier will consider service for payment.
65820	Relieve inner eye pressure	Carrier will consider service for payment.
65850	Incision of eye	Carrier will consider service for payment.
65855	Laser surgery of eye	Carrier will consider service for payment.
65860	Incise inner eye adhesions	Carrier will consider service for payment.
65865	Incise inner eye adhesions	Carrier will consider service for payment.
65870	Incise inner eye adhesions	Carrier will consider service for payment.
65875	Incise inner eye adhesions	Carrier will consider service for payment.
65880	Incise inner eye adhesions	Carrier will consider service for payment.
65900	Remove eye lesion	Carrier will consider service for payment.
65920	Remove implant of eye	Carrier will consider service for payment.
65930	Remove blood clot from eye	Carrier will consider service for payment.
66020	Injection treatment of eye	Carrier will consider service for payment.
66030	Injection treatment of eye	Carrier will consider service for payment.
66130	Remove eye lesion	Carrier will consider service for payment.
66150	Glaucoma surgery	Carrier will consider service for payment.

66155	Glaucoma surgery	Carrier will consider service for payment.
66160	Glaucoma surgery	Carrier will consider service for payment.
66165	Glaucoma surgery	Carrier will consider service for payment.
66170	Glaucoma surgery	Carrier will consider service for payment.
66172	Incision of eye	Carrier will consider service for payment.
66180	Implant eye shunt	Carrier will consider service for payment.
66185	Revise eye shunt	Carrier will consider service for payment.
66220	Repair eye lesion	Carrier will consider service for payment.
66225	Repair/graft eye lesion	Carrier will consider service for payment.
66250	Follow-up surgery of eye	Carrier will consider service for payment.
66500	Incision of iris	Carrier will consider service for payment.
66505	Incision of iris	Carrier will consider service for payment.
66600	Remove iris and lesion	Carrier will consider service for payment.
66605	Removal of iris	Carrier will consider service for payment.
66625	Removal of iris	Carrier will consider service for payment.
66630	Removal of iris	Carrier will consider service for payment.
66635	Removal of iris	Carrier will consider service for payment.
66680	Repair iris & ciliary body	Carrier will consider service for payment.
66682	Repair iris & ciliary body	Carrier will consider service for payment.
66700	Destruction, ciliary body	Carrier will consider service for payment.
66710	Ciliary transsleral therapy	Carrier will consider service for payment.
66711	Ciliary endoscopic ablation	Carrier will consider service for payment.
66720	Destruction, ciliary body	Carrier will consider service for payment.
66740	Destruction, ciliary body	Carrier will consider service for payment.
66761	Revision of iris	Carrier will consider service for payment.
66762	Revision of iris	Carrier will consider service for payment.
66770	Removal of inner eye lesion	Carrier will consider service for payment.
66820	Incision, secondary cataract	Carrier will consider service for payment.
66821	After cataract laser surgery	Carrier will consider service for payment.
66825	Reposition intraocular lens	Carrier will consider service for payment.
66830	Removal of lens lesion	Carrier will consider service for payment.
66840	Removal of lens material	Carrier will consider service for payment.
66850	Removal of lens material	Carrier will consider service for payment.
66852	Removal of lens material	Carrier will consider service for payment.
66920	Extraction of lens	Carrier will consider service for payment.
66930	Extraction of lens	Carrier will consider service for payment.
66940	Extraction of lens	Carrier will consider service for payment.
66982	Cataract surgery, complex	Carrier will consider service for payment.
66983	Cataract surg w/iol, 1 stage	Carrier will consider service for payment.
66984	Cataract surg w/iol, 1 stage	Carrier will consider service for payment.
66985	Insert lens prosthesis	Carrier will consider service for payment.
66986	Exchange lens prosthesis	Carrier will consider service for payment.
66990	Ophthalmic endoscope add-on	Carrier will consider service for payment.
66999	Eye surgery procedure	Carrier will consider service for payment.
67005	Partial removal of eye fluid	Carrier will consider service for payment.
67010	Partial removal of eye fluid	Carrier will consider service for payment.
67015	Release of eye fluid	Carrier will consider service for payment.
67025	Replace eye fluid	Carrier will consider service for payment.
67027	Implant eye drug system	Carrier will consider service for payment.
67028	Injection eye drug	Carrier will consider service for payment.
67030	Incise inner eye strands	Carrier will consider service for payment.
67031	Laser surgery, eye strands	Carrier will consider service for payment.

67036	Removal of inner eye fluid	Carrier will consider service for payment.
67038	Strip retinal membrane	Carrier will consider service for payment.
67039	Laser treatment of retina	Carrier will consider service for payment.
67040	Laser treatment of retina	Carrier will consider service for payment.
67101	Repair detached retina	Carrier will consider service for payment.
67105	Repair detached retina	Carrier will consider service for payment.
67107	Repair detached retina	Carrier will consider service for payment.
67108	Repair detached retina	Carrier will consider service for payment.
67110	Repair detached retina	Carrier will consider service for payment.
67112	Rerepair detached retina	Carrier will consider service for payment.
67115	Release encircling material	Carrier will consider service for payment.
67120	Remove eye implant material	Carrier will consider service for payment.
67121	Remove eye implant material	Carrier will consider service for payment.
67141	Treatment of retina	Carrier will consider service for payment.
67145	Treatment of retina	Carrier will consider service for payment.
67208	Treatment of retinal lesion	Carrier will consider service for payment.
67210	Treatment of retinal lesion	Carrier will consider service for payment.
67218	Treatment of retinal lesion	Carrier will consider service for payment.
67220	Treatment of choroid lesion	Carrier will consider service for payment.
67221	Ocular photodynamic ther	Carrier will consider service for payment.
67225	Eye photodynamic ther add-on	Carrier will consider service for payment.
67227	Treatment of retinal lesion	Carrier will consider service for payment.
67228	Treatment of retinal lesion	Carrier will consider service for payment.
67250	Reinforce eye wall	Carrier will consider service for payment.
67255	Reinforce/graft eye wall	Carrier will consider service for payment.
67299	Eye surgery procedure	Carrier will consider service for payment.
67311	Revise eye muscle	Carrier will consider service for payment.
67312	Revise two eye muscles	Carrier will consider service for payment.
67314	Revise eye muscle	Carrier will consider service for payment.
67316	Revise two eye muscles	Carrier will consider service for payment.
67318	Revise eye muscle(s)	Carrier will consider service for payment.
67320	Revise eye muscle(s) add-on	Carrier will consider service for payment.
67331	Eye surgery follow-up add-on	Carrier will consider service for payment.
67332	Rerevise eye muscles add-on	Carrier will consider service for payment.
67334	Revise eye muscle w/suture	Carrier will consider service for payment.
67335	Eye suture during surgery	Carrier will consider service for payment.
67340	Revise eye muscle add-on	Carrier will consider service for payment.
67343	Release eye tissue	Carrier will consider service for payment.
67345	Destroy nerve of eye muscle	Carrier will consider service for payment.
67350	Biopsy eye muscle	Carrier will consider service for payment.
67399	Eye muscle surgery procedure	Carrier will consider service for payment.
67400	Explore/biopsy eye socket	Carrier will consider service for payment.
67405	Explore/drain eye socket	Carrier will consider service for payment.
67412	Explore/treat eye socket	Carrier will consider service for payment.
67413	Explore/treat eye socket	Carrier will consider service for payment.
67414	Explr/decompress eye socket	Carrier will consider service for payment.
67415	Aspiration, orbital contents	Carrier will consider service for payment.
67420	Explore/treat eye socket	Carrier will consider service for payment.
67430	Explore/treat eye socket	Carrier will consider service for payment.
67440	Explore/drain eye socket	Carrier will consider service for payment.
67445	Explr/decompress eye socket	Carrier will consider service for payment.
67450	Explore/biopsy eye socket	Carrier will consider service for payment.

67500	Inject/treat eye socket	Carrier will consider service for payment.
67505	Inject/treat eye socket	Carrier will consider service for payment.
67515	Inject/treat eye socket	Carrier will consider service for payment.
67550	Insert eye socket implant	Carrier will consider service for payment.
67560	Revise eye socket implant	Carrier will consider service for payment.
67570	Decompress optic nerve	Carrier will consider service for payment.
67599	Orbit surgery procedure	Carrier will consider service for payment.
67700	Drainage of eyelid abscess	Carrier will consider service for payment.
67710	Incision of eyelid	Carrier will consider service for payment.
67715	Incision of eyelid fold	Carrier will consider service for payment.
67800	Remove eyelid lesion	Carrier will consider service for payment.
67801	Remove eyelid lesions	Carrier will consider service for payment.
67805	Remove eyelid lesions	Carrier will consider service for payment.
67808	Remove eyelid lesion(s)	Carrier will consider service for payment.
67810	Biopsy of eyelid	Carrier will consider service for payment.
67820	Revise eyelashes	Carrier will consider service for payment.
67825	Revise eyelashes	Carrier will consider service for payment.
67830	Revise eyelashes	Carrier will consider service for payment.
67835	Revise eyelashes	Carrier will consider service for payment.
67840	Remove eyelid lesion	Carrier will consider service for payment.
67850	Treat eyelid lesion	Carrier will consider service for payment.
67875	Closure of eyelid by suture	Carrier will consider service for payment.
67880	Revision of eyelid	Carrier will consider service for payment.
67882	Revision of eyelid	Carrier will consider service for payment.
67900	Repair brow defect	Carrier will consider service for payment.
67901	Repair eyelid defect	Carrier will consider service for payment.
67902	Repair eyelid defect	Carrier will consider service for payment.
67903	Repair eyelid defect	Carrier will consider service for payment.
67904	Repair eyelid defect	Carrier will consider service for payment.
67906	Repair eyelid defect	Carrier will consider service for payment.
67908	Repair eyelid defect	Carrier will consider service for payment.
67909	Revise eyelid defect	Carrier will consider service for payment.
67911	Revise eyelid defect	Carrier will consider service for payment.
67912	Correction eyelid w/implant	Carrier will consider service for payment.
67914	Repair eyelid defect	Carrier will consider service for payment.
67915	Repair eyelid defect	Carrier will consider service for payment.
67916	Repair eyelid defect	Carrier will consider service for payment.
67917	Repair eyelid defect	Carrier will consider service for payment.
67921	Repair eyelid defect	Carrier will consider service for payment.
67922	Repair eyelid defect	Carrier will consider service for payment.
67923	Repair eyelid defect	Carrier will consider service for payment.
67924	Repair eyelid defect	Carrier will consider service for payment.
67930	Repair eyelid wound	Carrier will consider service for payment.
67935	Repair eyelid wound	Carrier will consider service for payment.
67938	Remove eyelid foreign body	Carrier will consider service for payment.
67950	Revision of eyelid	Carrier will consider service for payment.
67961	Revision of eyelid	Carrier will consider service for payment.
67966	Revision of eyelid	Carrier will consider service for payment.
67971	Reconstruction of eyelid	Carrier will consider service for payment.
67973	Reconstruction of eyelid	Carrier will consider service for payment.
67974	Reconstruction of eyelid	Carrier will consider service for payment.
67975	Reconstruction of eyelid	Carrier will consider service for payment.

67999	Revision of eyelid	Carrier will consider service for payment.
68020	Incise/drain eyelid lining	Carrier will consider service for payment.
68040	Treatment of eyelid lesions	Carrier will consider service for payment.
68100	Biopsy of eyelid lining	Carrier will consider service for payment.
68110	Remove eyelid lining lesion	Carrier will consider service for payment.
68115	Remove eyelid lining lesion	Carrier will consider service for payment.
68130	Remove eyelid lining lesion	Carrier will consider service for payment.
68135	Remove eyelid lining lesion	Carrier will consider service for payment.
68200	Treat eyelid by injection	Carrier will consider service for payment.
68320	Revise/graft eyelid lining	Carrier will consider service for payment.
68325	Revise/graft eyelid lining	Carrier will consider service for payment.
68326	Revise/graft eyelid lining	Carrier will consider service for payment.
68328	Revise/graft eyelid lining	Carrier will consider service for payment.
68330	Revise eyelid lining	Carrier will consider service for payment.
68335	Revise/graft eyelid lining	Carrier will consider service for payment.
68340	Separate eyelid adhesions	Carrier will consider service for payment.
68360	Revise eyelid lining	Carrier will consider service for payment.
68362	Revise eyelid lining	Carrier will consider service for payment.
68371	Harvest eye tissue, alograft	Carrier will consider service for payment.
68399	Eyelid lining surgery	Carrier will consider service for payment.
68400	Incise/drain tear gland	Carrier will consider service for payment.
68420	Incise/drain tear sac	Carrier will consider service for payment.
68440	Incise tear duct opening	Carrier will consider service for payment.
68500	Removal of tear gland	Carrier will consider service for payment.
68505	Partial removal, tear gland	Carrier will consider service for payment.
68510	Biopsy of tear gland	Carrier will consider service for payment.
68520	Removal of tear sac	Carrier will consider service for payment.
68525	Biopsy of tear sac	Carrier will consider service for payment.
68530	Clearance of tear duct	Carrier will consider service for payment.
68540	Remove tear gland lesion	Carrier will consider service for payment.
68550	Remove tear gland lesion	Carrier will consider service for payment.
68700	Repair tear ducts	Carrier will consider service for payment.
68705	Revise tear duct opening	Carrier will consider service for payment.
68720	Create tear sac drain	Carrier will consider service for payment.
68745	Create tear duct drain	Carrier will consider service for payment.
68750	Create tear duct drain	Carrier will consider service for payment.
68760	Close tear duct opening	Carrier will consider service for payment.
68761	Close tear duct opening	Carrier will consider service for payment.
68770	Close tear system fistula	Carrier will consider service for payment.
68801	Dilate tear duct opening	Carrier will consider service for payment.
68810	Probe nasolacrimal duct	Carrier will consider service for payment.
68811	Probe nasolacrimal duct	Carrier will consider service for payment.
68815	Probe nasolacrimal duct	Carrier will consider service for payment.
68840	Explore/irrigate tear ducts	Carrier will consider service for payment.
68850	Injection for tear sac x-ray	Carrier will consider service for payment.
68899	Tear duct system surgery	Carrier will consider service for payment.
69000	Drain external ear lesion	Carrier will consider service for payment.
69005	Drain external ear lesion	Carrier will consider service for payment.
69020	Drain outer ear canal lesion	Carrier will consider service for payment.
69100	Biopsy of external ear	Carrier will consider service for payment.
69105	Biopsy of external ear canal	Carrier will consider service for payment.
69110	Remove external ear, partial	Carrier will consider service for payment.

69120	Removal of external ear	Carrier will consider service for payment.
69140	Remove ear canal lesion(s)	Carrier will consider service for payment.
69145	Remove ear canal lesion(s)	Carrier will consider service for payment.
69150	Extensive ear canal surgery	Carrier will consider service for payment.
69155	Extensive ear/neck surgery	Carrier will consider service for payment.
69200	Clear outer ear canal	Carrier will consider service for payment.
69205	Clear outer ear canal	Carrier will consider service for payment.
69210	Remove impacted ear wax	Carrier will consider service for payment.
69220	Clean out mastoid cavity	Carrier will consider service for payment.
69222	Clean out mastoid cavity	Carrier will consider service for payment.
69300	Revise external ear	Carrier will consider service for payment.
69310	Rebuild outer ear canal	Carrier will consider service for payment.
69320	Rebuild outer ear canal	Carrier will consider service for payment.
69399	Outer ear surgery procedure	Carrier will consider service for payment.
69400	Inflate middle ear canal	Carrier will consider service for payment.
69401	Inflate middle ear canal	Carrier will consider service for payment.
69405	Catheterize middle ear canal	Carrier will consider service for payment.
69410	Inset middle ear (baffle)	Carrier will consider service for payment.
69420	Incision of eardrum	Carrier will consider service for payment.
69421	Incision of eardrum	Carrier will consider service for payment.
69424	Remove ventilating tube	Carrier will consider service for payment.
69433	Create eardrum opening	Carrier will consider service for payment.
69436	Create eardrum opening	Carrier will consider service for payment.
69440	Exploration of middle ear	Carrier will consider service for payment.
69450	Eardrum revision	Carrier will consider service for payment.
69501	Mastoidectomy	Carrier will consider service for payment.
69502	Mastoidectomy	Carrier will consider service for payment.
69505	Remove mastoid structures	Carrier will consider service for payment.
69511	Extensive mastoid surgery	Carrier will consider service for payment.
69530	Extensive mastoid surgery	Carrier will consider service for payment.
69535	Remove part of temporal bone	Carrier will consider service for payment.
69540	Remove ear lesion	Carrier will consider service for payment.
69550	Remove ear lesion	Carrier will consider service for payment.
69552	Remove ear lesion	Carrier will consider service for payment.
69554	Remove ear lesion	Carrier will consider service for payment.
69601	Mastoid surgery revision	Carrier will consider service for payment.
69602	Mastoid surgery revision	Carrier will consider service for payment.
69603	Mastoid surgery revision	Carrier will consider service for payment.
69604	Mastoid surgery revision	Carrier will consider service for payment.
69605	Mastoid surgery revision	Carrier will consider service for payment.
69610	Repair of eardrum	Carrier will consider service for payment.
69620	Repair of eardrum	Carrier will consider service for payment.
69631	Repair eardrum structures	Carrier will consider service for payment.
69632	Rebuild eardrum structures	Carrier will consider service for payment.
69633	Rebuild eardrum structures	Carrier will consider service for payment.
69635	Repair eardrum structures	Carrier will consider service for payment.
69636	Rebuild eardrum structures	Carrier will consider service for payment.
69637	Rebuild eardrum structures	Carrier will consider service for payment.
69641	Revise middle ear & mastoid	Carrier will consider service for payment.
69642	Revise middle ear & mastoid	Carrier will consider service for payment.
69643	Revise middle ear & mastoid	Carrier will consider service for payment.
69644	Revise middle ear & mastoid	Carrier will consider service for payment.

69645	Revise middle ear & mastoid	Carrier will consider service for payment.
69646	Revise middle ear & mastoid	Carrier will consider service for payment.
69650	Release middle ear bone	Carrier will consider service for payment.
69660	Revise middle ear bone	Carrier will consider service for payment.
69661	Revise middle ear bone	Carrier will consider service for payment.
69662	Revise middle ear bone	Carrier will consider service for payment.
69666	Repair middle ear structures	Carrier will consider service for payment.
69667	Repair middle ear structures	Carrier will consider service for payment.
69670	Remove mastoid air cells	Carrier will consider service for payment.
69676	Remove middle ear nerve	Carrier will consider service for payment.
69700	Close mastoid fistula	Carrier will consider service for payment.
69711	Remove/repair hearing aid	Carrier will consider service for payment.
69714	Implant temple bone w/stimul	Carrier will consider service for payment.
69715	Temple bone implnt w/stimulat	Carrier will consider service for payment.
69717	Temple bone implant revision	Carrier will consider service for payment.
69718	Revise temple bone implant	Carrier will consider service for payment.
69720	Release facial nerve	Carrier will consider service for payment.
69725	Release facial nerve	Carrier will consider service for payment.
69740	Repair facial nerve	Carrier will consider service for payment.
69745	Repair facial nerve	Carrier will consider service for payment.
69799	Middle ear surgery procedure	Carrier will consider service for payment.
