TC LETTER NO. 02-04

TO: CHILD SUPPORT TRAINING COORDINATORS

SUBJECT: TRAINING WEBSITE TRANSITION TO AN INTERNET WEBSITE

The Department of Child Support Services' Training & Procedures Unit (TPU) is excited to announce our transition from the current secured Intranet website to our new Internet website. Effective immediately our new website address is:

<http://www.childsup.ca.gov/program/training/>. If you access the old website address, you will be automatically re-directed to the new Internet website for the next several months.

Some of the benefits of transitioning to an Internet website are: 1) No need for a user logon, and 2) easier for the user to remember the website address.

Along with this transition, the TPU website has a new look and feel, which we hope will make it easier for everyone to navigate throughout the web pages. Should you have any questions or concerns with the new website, please feel free to contact Tim Hughes at (916) 464-5516 or Tim.Hughes@dcss.ca.gov.

Sincerely,

SHAR SCHROEPFER, Chief
