TC LETTER: 06-02

CHILD SUPPORT TRAINING COORDINATORS

SUBJECT: CCSAS VERSION ONE TRAINING KICK-OFF MEETING

Development efforts for CCSAS Version One Implementation Two (CCSAS V1.3) Training for Trainers (T4T) is nearing completion with training staff finalizing plans for the T4T session scheduled for April 17 – May 10, 2006. As part of the preparation for your participation in the T4T sessions, a training Kick-Off meeting is scheduled for Thursday, April 6, 2006.

This letter is intended as a helpful source of information about the scheduled Kick-Off meeting. It contains information about registration, location, travel logistics, and travel reimbursement.

The Kick-Off meeting is designed specifically for all Training Coordinators (TC's) and individuals scheduled to attend the CCSAS V1.3 T4T sessions. The agenda for this meeting will provide the most current updates on the training curriculum, delivery methodologies, and support materials for trainers to deliver at the local level.

As part of a collaborative team working toward the goal of CCSAS V1 implementation, a CCSAS V1.3, Implementation Planning Workshop has also been scheduled. This one-day workshop is intended for the LCSA Directors and/or Site Implementation Coordinators or the designee responsible for SWS V1.3 conversion. The workshop will provide the tools and information necessary to successfully plan for conversion to SWS V1.3. There are two separate dates scheduled to deliver the workshop. For Waves 1, 2, and 3, the workshop will be held on Wednesday, April 5, 2006. Waves 4, 5, and 6 will participate in the workshop on Thursday, April 13, 2006. You are encouraged to coordinate your plan for attending these events so that the appropriate representatives from your agency will participate in each of the events. For information about the implementation workshop, please contact Judy Candlish at (916) 464-5380 or by email at judy.candlish@dcss.ca.gov.

#### Registration

All TC's and T4T attendees are strongly urged to attend the Kick-Off meeting. As part of T4T, information in the Kick-Off meeting is an important level set for TC's and those who are registered for T4T. We have pre-registered all the TC's and T4T participants in the Kick-Off meeting. If you are not able to attend, please contact Lisa Seaton at (916) 464-5710 or by

email at lisa.seaton@dcss.ca.gov. We will not be accepting replacement names if you are not able to attend as the information delivered at the Kick-Off meeting is designed specifically for TC's and the T4T attendees.

### **Location & Travel Logistics**

The Kick-Off meeting will take place on April 6, 2006. Registration begins at 9:00 a.m. and the meeting begins promptly at 9:30 a.m., concluding at 4:00 p.m.

#### Location

Gerold H. Goldberg Auditorium
Franchise Tax Board (FTB)
First Floor - California Building Town Center Facility (map attached)
9646 Butterfield Way
Sacramento, CA 95827

#### Security

The California Building Town Center, home of the auditorium and food court, can be accessed by all participants as it is not considered a secure building. Most other buildings at FTB are secure and require clearance and security badges. Please use the attached map to guide you directly to the California Building Town Center.

#### **Lunch and Breaks**

For the convenience of auditorium visitors, a food court is adjacent to the auditorium in the California Building Town Center. You are encouraged to remain onsite as the food court can easily be accessed for breaks and lunch during the event. Please be advised that food and beverages are strictly prohibited inside the auditorium.

#### Parking and Travel

For those driving to the meeting site:

- Parking is limited at FTB during this peak tax season. If you choose to park onsite, it will likely involve a short walk from the parking lot to the auditorium.
- The Sacramento Regional Transit District "Light Rail Gold Line" stops at the Butterfield Station, directly in front of the California Building Town Center at FTB. Light Rail provides a good alternative because there is ample free parking at one of the adjacent stops (Watt Avenue, Mather Field, or Sunrise Stations) and the light-rail takes you directly to FTB. The cost is \$1.75 each way and tickets are available at on-site kiosks at each station. Trains depart approximately every 15 minutes. Additional information may be found at <a href="http://www.sacrt.com/">http://www.sacrt.com/</a>.

For those flying into Sacramento International Airport:

- Shuttle service through "SuperShuttle" will be available.
- Taxi service is available on an on-call basis from the airport.
- Rental cars are also available at the airport, but are not recommended because of parking restrictions.

The scheduled start and end times for the Kick-Off meeting have been determined to accommodate same day travel. For those who are also attending the workshop on April 5, 2006, overnight stay may be necessary. Many hotels accept the government rate if you request it at the time the reservation is made. Please see attached listing for local hotels.

#### Travel Reimbursement

DCSS will reimburse LCSAs for travel and per diem costs associated with participation in the T4T sessions. LCSAs should use the code T6 (SWS Training Travel) for all LCSA trainers traveling to the CCSAS Training Kick-off Meeting April 6, 2006. In order to receive the reimbursement, you need to send an email to Marta Rivas-Glaze, *Marta.Rivas-Glaze@dcss.ca.gov*, and provide her with the following information:

Code for Travel: T6 (SWS Training Travel)

Description of Travel: Example: "Two Staff traveled to Sacramento for CCSAS

Training Kick-Off April 6, 2006"

Estimate of Costs: Total travel costs including per diem

**Fiscal Year**: 2005/2006

After receipt of this information, the County Allocations and Claims Policy Unit – EDP Approvals team will set up account codes for travel expenses. These codes will appear on the Administrative Expense Claim in the EDP Section. LCSAs need to enter their travel costs in the appropriate account code in order to claim full reimbursement.

We look forward to your participation in the CCSAS Kick-Off. Should you have any questions, please contact Lisa Seaton of the Planning, Analysis & Program Administration Unit, Statewide Training Section, at (916) 464-5710 or by email at <a href="mailto:lisa.seaton@dcss.ca.gov">lisa.seaton@dcss.ca.gov</a>.

Sincerely,
