CHILD SUPPORT TRAINING COORDINATORS

**SUBJECT: CORRECTION TO THE Q&A FROM V1.4 TRAINING ON  
AUGUST 18, 2006**

The purpose of this email is to clear up a misconception about the CCSAS V1.4 Internal Guideline Calculator. The following question and answer exchange occurred during the Friday, August 18, 2006, morning training session:

Q: Is it true that you cannot input both the NCP and Other Parent as filing Head of Household in this calculator?

A: It is not currently possible to have them both listed as Head of Household in this calculator.

However, the answer was incorrect. The correct answer is:

A: It is not currently possible to have them both listed as Head of Household in the situation when the "Other Parent is NCP" is populated to indicate the parents are residing together for a Foster Care calculation.

We apologize for the misunderstanding and confusion this may have caused.

Please be advised that the list of all Q&As raised during the training sessions will be distributed shortly.

If you have any questions or concerns regarding this information, please contact John Brooding at (916) 464-5503.

Sincerely,

/os/
