Yellow	<p><u>Actions taken this quarter:</u></p> <ol style="list-style-type: none"> The agency has met its small business goal, 2 additional socio-economic goals, and improved in at least one of its unmet goals The agency has implemented an aggressive strategy to increase the number of competitively awarded contracts to small businesses. The agency shows top-level agency commitment to small business contracting through internal scorecards, set-aside strategies, goal performance, and top executive meetings on a monthly basis. The agency has a comprehensive and active small business plan that is documented and regularly updated. The agency has built-in goal achievement requirements in their executive management's performance to ensure increased accountability. The agency's OSDBU coordinates with SBA in 8(a) orientation and match-making events to further outreach and marketing initiatives. The agency did not appear to submit all plans and reports by the required deadlines. The agency regularly verifies its small business data in FPDS-NG for accuracy. The agency also uses internal and external reports as a tool to rectify discrepancies found in the FPDS-NG system. The agency does not appear to have a system in place to enforce small business 	<ul style="list-style-type: none"> GSA did not meet its SB and SDVO goal. GSA also did not meet all of its yellow standards (Evaluation Response # 7,9)
