SUBJECT: STATE FISCAL YEAR 2005/06 ADDITIONAL FEDERAL FINANCIAL

PARTICIPATION EXPENDITURE SURVEY

As in State Fiscal Year (SFY) 2004/05, several local child support agencies (LCSA) expressed an interest in using county general funds (CGF) and/or remaining incentive funds to support the administrative allocation portion of the child support program in SFY 2005/06. Some LCSAs indicate that this will assist them in reducing the number of potential staff facing layoffs and in managing possible program reductions.

The SFY 2005/06 budget includes authority for an additional \$20 million Federal Financial Participation (FFP), and is based on the understanding that the LCSAs will be required to enter into a Memorandum of Understanding to provide the 34 percent match and pay any additional federal penalty resulting from the additional FFP. An LCSA may elect to use CGF dollars and/or remaining health insurance incentive funds, or performance incentive funds to mitigate program reductions during the 2005/06 fiscal year. The ramifications of using local funds in the child support program was discussed in the Use of County General Funds and Additional Federal Financial Participation for SFY 2004/05, LCSA letter 05-08, dated April 27, 2005.

In order to proceed with this process, the Department of Child Support Services (DCSS) is requesting that each LCSA complete the attached survey by August 31, 2005. The information provided in this survey will enable DCSS to identify and plan for additional FFP expenditures. In the event that county participation requests exceed the \$20 million additional FFP, DCSS would likely request an augmentation through the Section 28.00 process, similar to SFY 2004/05.

Please be reminded that the child support program is governed by federal and State law, regulation, and policy directive which apply to any funds spent in operation of the child support program. The use of county funds and/or health insurance incentive funds does not relieve your agency from abiding by the respective requirements that currently govern the expenditure of federal and State monies.

Instructions for the Completion of Attachment II

For LCSAs that do not intend to use county general funds and/or health insurance incentive funds to match Title IV-D funds in the child support program in SFY 2005/06, check the box stating "No" and stop. Remaining LCSAs will check the "Yes" box and complete lines A through E.

- This is for Non-EDP administrative expenditures only.
- On line A, please report the SFY 2005/06 Non-EDP Final Administrative Allocation for your LCSA, as reported in attachment III.
- On line B, please report the Non-EDP expenditures anticipated for SFY 2005/06.
- On Line C, please report the difference between your Projected SFY 2005/06 Expenditures (line B) and SFY 2005/06 Non-EDP Final Administrative Allocation (line A). The electronic version automatically calculates the difference between lines B and A. A positive amount would indicate your anticipated expenditures are larger than your Administrative Allocation.
- On line D, please report the result of multiplying the amount on line C by 66 percent. This represents the additional FFP requested by your LCSA in SFY 2005/06. The electronic version automatically calculates the FFP.
- On line E, 1, please report the result of subtracting the amount on line D from line C. This represents the county general funds and/or incentive funds to match Title IV-D funds projected to be expended by your LCSA in SFY 2005/06. The electronic version automatically calculates the non federal share.
- On line E, 2, please report the 34 percent matching share of line E, 1 that will be paid for with county general funds.
- On line E, 3, please report the amount of line E, 1 that will be paid for with health insurance incentives.
- On line E, 4, please report the amount of line E, 1 that will be paid for with performance incentives.
- Line E, 2 plus line E, 3, plus line E, 4 must equal line E, 1.
