LCSA LETTER NO: 01-24

TO: ALL IV-D DIRECTORS

SUBJECT: RESOURCE MATERIALS USED FOR THE DEVELOPMENT OF
DEPARTMENT OF CHILD SUPPORT SERVICES' REGULATIONS

At a recent IV-D Directors meeting, requests were made for copies of resource documents being used by the Department of Child Support Services (DCSS) in the regulations development process.

Copies of all of the resource documents being used by DCSS have previously been issued to local child support agencies in either hard copy or on CD-ROM. We regret that due to the workload involved to reissue or recopy documents that have already been issued to the local child support agencies, DCSS is unable to provide additional copies to local child support agencies at this time. Thus, the list below has been compiled to identify the resource documents we are using.

In addition to state and federal law and regulation, the resource materials being used are:

- The Manual of Policies and Procedures.
- The Policy Consolidation Manual.
- Child Support Services Letters.
- Child Support Services Information Letters.
- Local Child Support Agency Letters.
- Documents from the Office of Child Support Enforcement
 - Action Transmittals.
 - Information Memorandums.
 - Policy Interpretation Questions.
