LCSA LETTER: 03-24

ALL IV-D DIRECTORS

SUBJECT: INTERSTATE/INTERNATIONAL CASE POINT OF CONTACT

The Department of Child Support Services (DCSS) Policy Branch is requesting contact information for interstate/international cases from each local child support agency (LCSA). We are requesting both a policy contact and a contact to request case status information.

DCSS had previously requested the name of a contact be provided in response to LCSA Letter 03-08, the International Case Survey, but did not receive information from all agencies. Attached is a listing of the policy contacts provided in response to that letter. For those of you who previously submitted an interstate/international point of contact, please verify or update the contact information as necessary.

The second point of contact in the LCSA is the individual who responds to interstate case status information as requested by other state Child Support agencies. The California Interstate Central Case Registry has recently transitioned to DCSS, and we are compiling the LCSA point of contact information in order to provide better customer service to other states.

For both categories, include the individual's first and last name, mailing address, telephone number, fax number and e-mail address if applicable.

Reason for this Transmittal

- State Law or Regulation Change
- Federal Law or Regulation Change
- Court Order or Settlement Change
- Clarification requested by One or More Counties
- Initiated by DCSS
